Be Part of Something Special Class of 2022 Senior Celebration Fund

The A+ Foundation serves as your way to connect with and give back to District 129. We are proud to support the students, staff and alumni in West Aurora and are committed to see that tradition continue and thrive.

Therefore, we have created a Senior Class Celebration Fund for parents, alumni, and community members to have the opportunity to donate to all of the special events coming up this Spring for the Class of 2022.
