District Facebook Pages

The district "owns" 3 FB pages. Parkway, Glen Hills Middle School and GDRH pages. These are utilized as a one way communication platform primarily to push out information to families and community. This could include happenings at the schools, celebrations, and important updates. Facebook is used as an addition to emails, autodialers and texts. The district pages are not intended for comments, questions or dialogue.

Parkway Parent and Glen Hills Parent FB Pages

These were created by parents for parents. The district does not post on or monitor these pages. On occasion I have reached out to the moderator asking to have a communication shared from the district page. I know that these pages can be very valuable for families to help each other nd answers to things. Because the district does not monitor these pages we can't verify that information shared is correct and district staff will not be responding to anything posted on the parent FB pages.

Hello Parkway and Glen Hills Families!

Between St. Patty's Day, March Madness, and winter in Wisconsin feeling like it's been here forever, your PTO is here to offer an exciting fundraising combination. After so much success last year, the Milwaukee Pretzel fundraiser is back! But this time with the added bonus of partnering with beloved local popcorn company, Goody Gourmets! We hope you will take advantage of purchasing some great local products for yourselves or to share with friends and family to support the Parkway/Glen Hills PTO.

What are we selling?

See the attached order forms for full descriptions of the pretzels and varieties of popcorn available. Both the Milwaukee Pretzel Company and Goody Gourmets are local to Milwaukee, with Goody Gourmets being located directly in Glendale!

How much of our sales actually go towards the PTO?

Goody Gourmet gives back 40% of total sales to the school, while 50% of all sales from Milwaukee Pretzel Company goes back to the school. That's some serious money that goes back towards our schools, just by you enjoying the things you love!

How should my customers pay?

With digital payment, cash or a check MADE OUT TO YOU PERSONALLY. *You then make out a single check to the PTO (see below) when you submit your order.*

Where/When do I submit orders?

Submit all orders to the *Parkway or Glen Hills office no later than 3 pm on February 23rd, 2022* in a SEALED ENVELOPE containing:

1) Completed order forms with your NAME, EMAIL AND PHONE NUMBER.

2) TOTAL AMOUNT of sales in cash and/or check made out to Parkway/Glen Hills PTO.

Where do I pick up my orders?

Pick up (for Glen Hills families also) at **Parkway on March 12th from 9-12pm**.

• Can't make the pick up time? Reach out to Sadie or Nicole to schedule an alternative.

What if I don't want to sell popcorn or pretzels, or anything else!)?

If you want to support the students and teachers of this district without participating in this fundraiser, you can make a tax deductible donation to Parkway/Glen Hills PTO.

Direct questions or concerns to Nicole Giese (<u>nicolekgiese@gmail.com</u>) or Sadie Hatzenbuehler (sadieyadgar@gmail.com).

Addition of January 28th and February 18th Asynchronous Days:

When the 2021-22 calendar was approved last spring our covid burden rates were low and vaccinations were rolling out. We all anticipated a much more "normal" school year and the calendar was set up that way. As we all know we are now in a space where in many ways the covid situation is much more challenging than it was last year and we are clearly not back to "normal". Because of this it is imperative that staff have this additional time to collaborate and plan during a school year that has continued to challenge them to teach and support students in ways they have never been called on to do before. In order to ensure that your students are supported we have to continue to support our teachers. The two asynchronous days are a very small way to provide them some of this time.

Last year from March until June the district participated in asynchronous days on Fridays. Asynchronous learning is a general term used to describe forms of education, instruction, and learning that do not occur in the same place or at the same time. This includes various forms of online learning in which students learn from instruction—such as prerecorded video lessons or game-based learning tasks that they complete on their own and that are not being delivered in person or in real time. On asynchronous days students are expected to participate in asynchronous learning assignments and activities through the Google Classroom Learning Platform. Asynchronous work will be a continuation of independent work tied to current learning with the pace of the curriculum being delivered. It will often focus on reinforcement of concepts and skills. Teachers will provide information specific to their curriculum, place in instruction and the age of their students.

Please know that all decisions made are intended to ensure that we are doing what is best for your children. On behalf of the staff in the Glendale River Hills School District I thank you for your continued support.

Mrs. Weiss

Student and Family Assistance Program (SFAP)

A free and confidential resource

We can make a difference for students and families.

A healthy home and family life can nurture academic excellence.

To promote healthy homes, minds and families, your school is proud to offer the Student and Family Assistance Program (SFAP). Sponsored by the Employee Assistance Program (EAP) of Advocate Aurora Health (AAH), our counselors have been serving families for more than 25 years.

How it works

The SFAP is available at **no charge** to all students and family members residing within the household. Help begins when a family member or legally responsible adult calls the program.

Based on your needs, our specialists will:

- Connect you by phone with a professional counselor who will consult with you.
- Schedule a confidential appointment with a program counselor for you or your family. Many times, a family's concerns can be resolved within program sessions, saving time and money.
- Assist with an insurance- or community-based referral if your situation requires diagnostic or ongoing treatment.

All services are **confidential.** No information about you or your family situation will be shared with school personnel without your permission in accordance with state and federal law.

When to use the program

This varies from person to person. Generally, it's wise to seek help when a problem:

- Interferes with normal activities
- Occupies too much of your time
- Persists for more than several weeks

Typical concerns may include:

- Parenting support and coaching
- Academic pressures
- Alcohol/drug issues
- Anxiety and depression
- Child/family issues
- Divorce/blended families
- Marital/relationship issues
- Stress management

Additional services

Seeking a healthy balance

The following services are available to help families quickly and conveniently address other issues that may impact their lives:

- Legal consultation and mediation
- Financial consultation
- Child care resources
- Elder care resources
- Adoption information

Our promise to you and your family

Your privacy is protected in accordance with both federal and state laws regarding mental health and medical treatment records. The professionals within the SFAP make every effort to protect your privacy and ensure that your participation in the program is completely confidential.

How to reach us

Call **800-236-3231** and identify yourself as eligible for SFAP services through your school.
