## PRINCIPAL'S MESSAGE

At North Point High School, we work hard to provide our students with valuable academic, social and emotional resources. We encourage our students and parents to take advantage of these available resources. If students are struggling with academic or social, emotional issues please reach out to a trusted adult in our building who can assist students with navigating the available supports. All of our administrators, teachers, school counselors, school psychologists and support staff are all here to support students before an issue becomes an academic or behavioral crisis. I would like to take this opportunity to remind both students and parents of the specific supports and resources available at North Point High School.

***Please feel free to reach out to an administrator at anytime with questions or concerns:***

## FEBRUARY FAMILY FRIDAYS

As a part of North Point High School's Black History Month celebration, we will be promoting Family Fridays in February where we encourage our entire North Point community to spend quality time together- eating meals, watching movies, sharing in an activity - whatever quality time may look like for your family.

The discount is valid all day Friday, February 4 and 18. The discount applies to dine-in and carry-out orders. All are encouraged to wear North Point spirit gear. ## MATTAWOMAN CREEK ARTS CENTER SHOW

Currently the High School Art show/competition is on display at the Mattawoman Creek Art Center inside Smallwood State Park. This authentic gallery hosts a juried show annually to celebrate high school artists within the same space that regularly hosts professional artists. High school art teachers from Charles County select outstanding artwork from their classes to submit to the show. Once on display, an outside juror selects the best work that shows a mastery of techniques, composition, color and creativity for awards.
