Parent Consultations Year 3,4,5 and 6	Thursday 10th February

Academy update

We all had a great Number Day on Friday. There were some great costumes—well done everyone. Look at twitter to see them all.

Can we ask that parents do not allow their children to swing on the vehicle gate as it damages it. It is very expensive to get it repaired. Also, please do not walk through the vehicle gate if it is open as it causes the sensor to malfunction, you may be aware of all the issues we have experienced this week. Thank you for your cooperation.

We are looking forward to our cake sale next Tuesday—if you are able to bring in some cakes for our stall it would be most appreciated!

Great research from Willow scientists this week - pupils looked at the question 'How can a submarine see where it is going?' and made their own makeshift periscopes to support the idea that some objects reflect light into the eye.

Mrs Stubbs would like to thank all the parents/carers of Walnut class who supported their class assembly. Mrs Stubbs said that she is proud of all of your children who couldn't wait to share their knowledge of the suffragette movement

Achievement Award winners

This week's winners are:

Reception: Scarlett and Isabelle
Year 1: Hayley and James
Year 2: Jack and Jack
Year 3: Muhammed and Isaac
Year 4: Beech class and Elara-Rose
Year 5: Autumn and Charlie
Year 6: Walnut class and Ben

Congratulations to all of this week's winners!

In Robins we have been learning about the Chinese New Year. We made dancing dragons, ate fortune cookies and learnt how each year got their names.

Cake Sale –Tuesday 8th February

3.00pm onwards—outside of main Reception

We are having a cake sale on Tuesday 8th February after school to raise funds for the academy.

We would really appreciate any cake donations for the sale. Please bring any donations to the office on Tuesday morning.

Please bring lots of change to buy some yummy treats!

Number Day

Children and staff have had great fun today dressing up with the theme of numbers and doing lots of great maths based activities in class.
