## **Practices:**

Wednesday & Friday @ 3:30-4:30ish

As of right now, we will have to pay for range balls at the course. The range balls are \$3 for small bucket and \$6 for a large. Tuesday is great day to plan appointments or lessons. Players should be at the Golf Course no later than 3:30. On days you are not in matches, you should be practicing on your own. If you have to miss practice, please let Coach Headrick know as soon as possible. Not attending multiple practices could result in not playing in matches. \*

\*Please sign up for the GOLF REMIND class. That is the only way I will communicate with players and parents about practice/match cancellations or date/time changes.
