
Athens Charity Week! February 14 - 18, 2022

This year, Student Council has selected *Alex's Saints Foundation*, a local organization that combats the opioid epidemic. Named in memory of Athens graduate Alex St. Pierre, this group raises awareness of this important issue while providing narcotic rehabilitation financial assistance. Another focus is helping families who have a loved one suffering from drug addiction. By choosing *Alex's Saints Foundation*, Athens Student Council hopes to raise awareness about this serious issue.
