Parent Newsletter

All information in this newsletter is subject to change.

From the principal's desk

Dear Parents and Guardians:

Overall PHS has enjoyed a fun return to school this first semester as it is just refreshing to have all our students getting back into school routines. Time is moving pretty quickly and it is a bit stunning to think we are already in the second half of the year. The second semester provides our students new elective courses and a chance to start fresh in the third marking period.

The first couple days of the second semester are busy as students become acclimated to new semester courses. Our LCTI students' skills are on full display as they compete for recognition at **SkillsUSA** on Wednesday, February 2 at Agricultural Hall. Good luck to all our Parkland participants; I hope you enjoy a great competition. Another big annual event at PHS is the **Mr. Parkland** talent show competition. This year's competition is being held on Saturday, February 12 and is sure to bring a lot of fun and laughs to a packed auditorium. Good luck to all our seniors competing for the title of Mr. Parkland.

Currently our underclassmen are completing the course registration process. **During the month of February students will meet individually with their guidance counselors to discuss their course requests for the 2022-2023 school year.** If your child did not submit their course requests by the January 16 deadline, these meetings will provide opportunity for your child's course requests to be entered. If you have any questions regarding this process, please contact your child's guidance counselor.

Members of the **senior class** are busy choosing colleges, planning their **Prom on May 7**, and preparing for Graduation. It is hard to believe that our seniors only have a little more than four months remaining in their high school careers. We are very excited to hold our **Commencement Ceremony at the PPL Center on Tuesday, June 7 at 7 PM.**

Our **winter sports teams** have enjoyed successful seasons and are eyeing an opportunity to show their mettle during league, district, and state playoffs. If you have not already done so, find time during the evening to attend a PHS event in the pool or gymnasium – you will not be disappointed. As unbelievable as this may sound, spring sports are right around the corner and it won't be long before we are competing outside again.

Student academic performance can be monitored on Home Access Center. PHS is offering free tutoring after school in the library for core subjects (English, mathematics, science, social studies, and world languages). If you have any questions or concerns about a particular class you may contact the subject teacher or the Counseling Office.

IMPORTANT UPDATE **FUTURE SCHOOL CLOSURES**

Please note the following new information for parents regarding any **future school closure**. If school is closed again for inclement weather, the students are granted a traditional "snow day." That day will need to be made up and that will occur on February 18. On that day, teachers will assign asynchronous or synchronous work to the students. Students will have three days to complete any assignment. Additional closures will also be a traditional "snow day" with the make-up day set for Thursday, April 14. Hopefully disruptions to the school year will be minimal moving forward.

Sincerely,

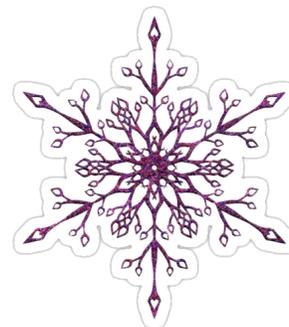

James E. Moniz II

Underclassmen: Course Registration Meetings

Course selections for the 2022-2023 school year will be reviewed with all students throughout the month of February.

Please refer to the 2022-2023 course registration book for new course offerings. Course details will be outlined by classroom teachers throughout the spring semester. Remember, many honors and advanced placement courses require summer assignments.

Questions concerning next year's schedules should be directed to the student's assigned counselor.

SAT Testing Calendar

These are the last three test dates remaining for this school year.

Juniors are encouraged to register early so they do not get bumped to an alternate testing location.

Nonpublic Student Registration

On **February 23 and 24**, the high school counselors will be available after school to register nonpublic students transferring to Parkland High School for the 2022-2023 school year.

If you have friends or neighbors interested in transferring to Parkland High School from a nonpublic school, please invite them to contact Mrs. Kelly Ciciliot, Parkland High School Registrar, for a pre-registration appointment at 610-351-5600 ext. 73433, or at ciciliotk@parklandsd.org.

CHARACTER COUNTS

CARING

FAIRNESS

RESPECT

RESPONSIBILITY

TRUSTWORTHINESS

CITIZENSHIP

In February students will focus on learning that **trustworthiness** is essential to building positive relationships with others. A trustworthy person is honest, reliable, loyal and has integrity. Living with integrity means having the courage to do what is right, speak out about what you think is wrong, and try new things even when they are difficult or you might fail. Integrity often takes the willingness to do what is right, even if it is costly or risky. Honesty is being truthful and sincere in your actions and words, and accomplishing goals fairly, without cheating or stealing. Reliability means keeping your promises, honoring your word and commitments, doing what you say you will do, returning what you borrow, being on time and being dependable. Loyalty means protecting and supporting your family, friends, school and country.

Summer Enrichment 2022

The Summer Enrichment Information and Registration Packet is now available for any student interested in taking a summer enrichment course (for advancement purposes).

The math courses offered through PHS include: Algebra 2, Geometry, College Algebra, and Precalculus, and all will run in an online format. While students will have a PHS Math Teacher as a facilitator, work is done through the online program, Edgenuity, and requires approximately 4 - 6 hours of time per day as these are full-year courses offered at an accelerated rate that are completed in approximately six weeks. The cost is \$450 per course.

For information, including registration instructions, please be sure to use the correct form based on your child's grade level and school below:

Students in Grades 9-11

Current PHS students in grades 9-11 should read the information packet that can be accessed [here](#).

The required online registration form is included in this packet.

Students in Grade 8

Students currently in grade 8 at OMS and SMS can view the middle school informational packet [here](#).

The required online registration form is included in this packet.

Deadline

The due date for completing the online registration form and remitting payment (for courses offered through PHS only) is **Friday, April 15, 2022.**

A \$50 late fee will be applied to applications and payments received after this time.

Please check back to your school's website link for the Summer Enrichment packet and link during the month of February.

Speak to Someone

To discuss if summer enrichment is right for your child, please speak with his/her middle school/high school guidance counselor OR with the assistant principals who oversee Summer Enrichment approvals:

Performing Arts Club - Children's Workshops

Parkland High School's Performing Arts Club held their annual Children's Workshops for students in grades K-2 and 3-5. The weekend was filled with singing, dancing, acting, crafts and more. The event concluded with a mini performance for family and friends. This year's workshop theme was *Descendants*.

New Choral Director

The Department of Visual and Performing Arts is pleased to welcome **Mrs. Alison Lagan** to the Parkland School District Music Staff as the High School Choral Director. Mrs. Lagan will join our music department starting February 22.

Mrs. Lagan hails from Centre County, PA, where she began her career as a middle school choir and general music teacher in the State College Area School District. She previously served as director of Children and Youth Choirs at the Michigan State Community Music School and most recently as director of choirs at Hatboro-Horsham High School.

She earned her bachelor's in vocal music education and her master's degree in choral conducting from Michigan State University (MSU) in 2019. While at MSU, she served as a graduate assistant to Women's Glee Club and State Singers and had the honor to learn from renowned conductors Dr. David Rayl, Dr. Jonathan Reed, and Dr. Sandra Snow.

Welcome Mrs. Lagan!

MAMMA MIA!

THE SMASH HIT MUSICAL BASED ON THE SONGS OF ABBA®

Parkland High School Announces
this year's Spring Musical Production
MAMMA MIA!
April 20 - 24
in the Parkland High School Auditorium

MAMMA MIA! features the unforgettable music of ABBA to tell the hilarious story of a young woman's search for her birth father. This sunny and funny tale unfolds on a Greek island paradise. On the eve of her wedding, a daughter's quest to discover the identity of her father brings three men from her mother's past back to the island they last visited 20 years ago. The story-telling magic of ABBA's timeless songs propel this enchanting tale of love, laughter, and friendship, creating an unforgettable show.

MAMMA MIA! is packed with 22 ABBA hits, including *Dancing Queen*, *Super Trouper*, *Take a Chance on Me*, and *The Winner Takes It All*. This worldwide blockbuster will have you dancing in your seats and shouting *Gimme! Gimme! Gimme! More!*

Over 60 million people worldwide have fallen in love with the characters, the story, and the music that make MAMMA MIA! the ultimate feel-good show! A mother. A daughter. Three possible dads. And a trip down the aisle you will never forget.

Tickets for this year's production will go on sale **Tuesday, February 1, 2022 at 12 PM**. Tickets are \$15 for adults and \$12 for students and senior citizens 65+.

All Parkland show tickets are available online at www.showtix4u.com. Get your tickets soon, as this production is sure to sell out.

Spring Sports Physicals
Saturday, February 12, 2022
at Parkland High School
8 - 10:30 AM
by Appointment Only

Winter Sports

Girls Basketball is currently 8 - 7.

Boys Basketball
is 11 - 5.

Wrestling is
10 - 2.

Girls Swimming is 5 - 0.

Boys Swimming is 3 - 2.

Further information is available on the
Parkland website under 'Athletics.'

Spring Sports Physicals are free of charge. No student can participate in a spring sport without a full PIAA physical. Recertification forms may be used for spring if athletes had full physicals for a fall or winter sport. The Parkland Athletic Department understands that it may not be convenient to come to our scheduled free physical event. However, those who miss must get a PIAA physical on their own prior to March 1, 2022. Paperwork for it is on the PHS [website](#) under Forms. All Parkland athletes must get an ImPACT test once during their four years at PHS and before participation.

The first day of Spring
Sports is
Monday,
March 7.

Fall Sports Accomplishment

Cheer took 4th place at the District XI meet and qualified for the PIAA State meet in Hershey.

Health Room Updates

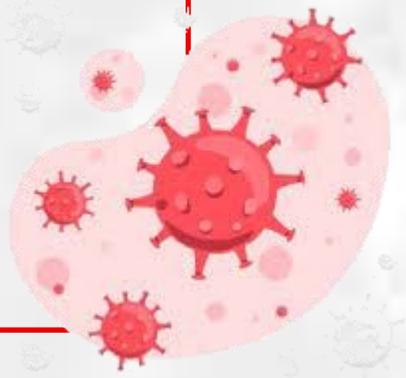

NEW

For All Questions and Concerns
Related to COVID

Please use the [Health Screening Tool](#)
for students and send any questions/
concerns through this new email:

PHSNurses4Students@parklandsd.org

For information regarding Coronavirus (COVID 19), please see the [district website](#).

Flu Season Guidelines

The Flu Season continues to be in full swing through April and this season is complicated by the pandemic. It is recommended that your student receive their flu vaccine at this time, please check with your doctor. To help stay healthy and decrease the spread of illness in the school, we are encouraging all families to adhere to the following guidelines for sending your child to school.

Please keep your child home from school (even if they have a test or sporting event) if he/she is experiencing any of the following symptoms:

- Fever of 100 degrees or more
- Vomiting/Diarrhea
- Severe head cold
- Persistent cough
- Severe sore throat

These are the same criteria the Health Room uses as a guideline when sending students home ill from school. **Students should not return to school until they are fever free for 24 hours without the use of fever reducing medications.**

Health forms available online

All Health Forms are available on the PHS Website under Health Services [here](#).

Juniors

Return Completed Physicals to the Health Room As Soon As Possible

Immunization Requirement

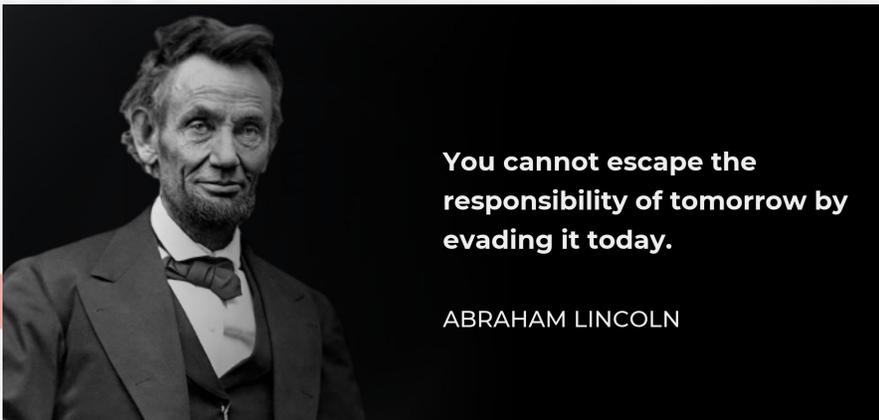

The meningitis vaccine is required on or after your student's 16th birthday. Students in grade 11 will be required to have this immunization on the first day of their senior year. The eleventh grade physical is a good time to be sure this immunization is completed.

Sophomores

All students in grade 10 will soon receive paperwork for completing their mandated physical for the eleventh grade. This can be done at the time your student gets their physical for their driver's permit but may not be completed before July 1, 2021.

The form for the school physical you receive is the preferable paperwork to be completed. However, copies of the physical forms used for the driver's permit are accepted for the student's school physical. Please return the choice form to the Health Room as soon as possible to indicate how the physical will be completed. Forms are available on the PHS website.

You cannot escape the responsibility of tomorrow by evading it today.

ABRAHAM LINCOLN

As always, if you have any questions for the Health Room do not hesitate to call.

Driver's Education

Talk to Your New Driver about the Basics of Winter Driving

Slow Down

It is harder to control or stop your vehicle on a slick or snow-covered surface. In 2019, there were an estimated 182,000 police-reported crashes that occurred in wintry conditions. On the road, increase your following distance enough so that you will have plenty of time to stop for vehicles ahead of you.

Do not Crowd a Snow Plow or Travel Next to the Truck

Snow plows travel slowly, make wide turns, stop often, overlap lanes, and exit the road frequently. If you find yourself behind a snow plow, stay far enough behind it and use caution if you pass the plow.

What to Do in an Emergency

If you are stopped or stalled in wintry weather, stay focused on yourself and your passengers, your car, and your surroundings.

- * Stay in your car and do not overexert yourself.
- * Let your car be seen. Put bright markers on the antennae or windows and keep the interior dome light on.
- * Be mindful of carbon monoxide poisoning. Make sure your exhaust pipe is clear of any snow and run your car only sporadically — just long enough to stay warm. Do not run your car for long periods of time with the windows up or in an enclosed space.

Stock Your Vehicle

Carry items in your vehicle to handle common winter driving-related tasks, and supplies you might need in an emergency, including:

- * A snow shovel, broom and ice scraper.
- * Abrasive material (sand or kitty litter), in case your vehicle gets stuck in the snow.
- * Jumper cables, flashlight, and warning devices (flares and emergency markers).
- * Blankets for protection from the cold.
- * A cell phone and charger, water, food, and any necessary medicine.

Driver Education is a Mandatory Course for Graduation from Parkland High School

You will be automatically scheduled for this one-semester course during your sophomore year. If you are interested in completing this theory course over the summer to lighten your load during the school year, look for the Summer Enrichment Program information on [page 7](#) of this newsletter.

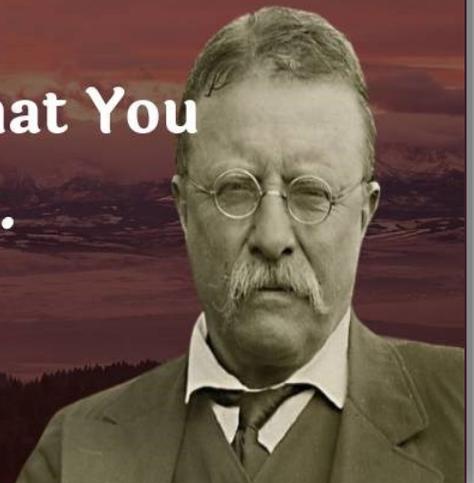

All students receive a certificate after successful completion of the Driver Education course; this is needed if you wish to take the [Behind-the-Wheel](#) program offered by the Carbon Lehigh Intermediate Unit 21 (CLIU-21). Complete information and instructions for registration can be found for this program at www.cliu.org. Once on this site, select Departments and scroll down to Driver's Ed.

Exciting SORA News

You are now able to access over 50 magazines through SORA, including two years of back issues.

All magazines have simultaneous access, making them always available.

You will find SORA in the CLEVER app under Library Media Center.

Creativity Week

Parkland High School celebrated creativity during Crayola's Creativity Week from January 24 - 30. Special thanks to Crayola for sending us an amazing box of supplies that our students and staff will be able to enjoy.

STAY warm & COZY

BLACK HISTORY MONTH

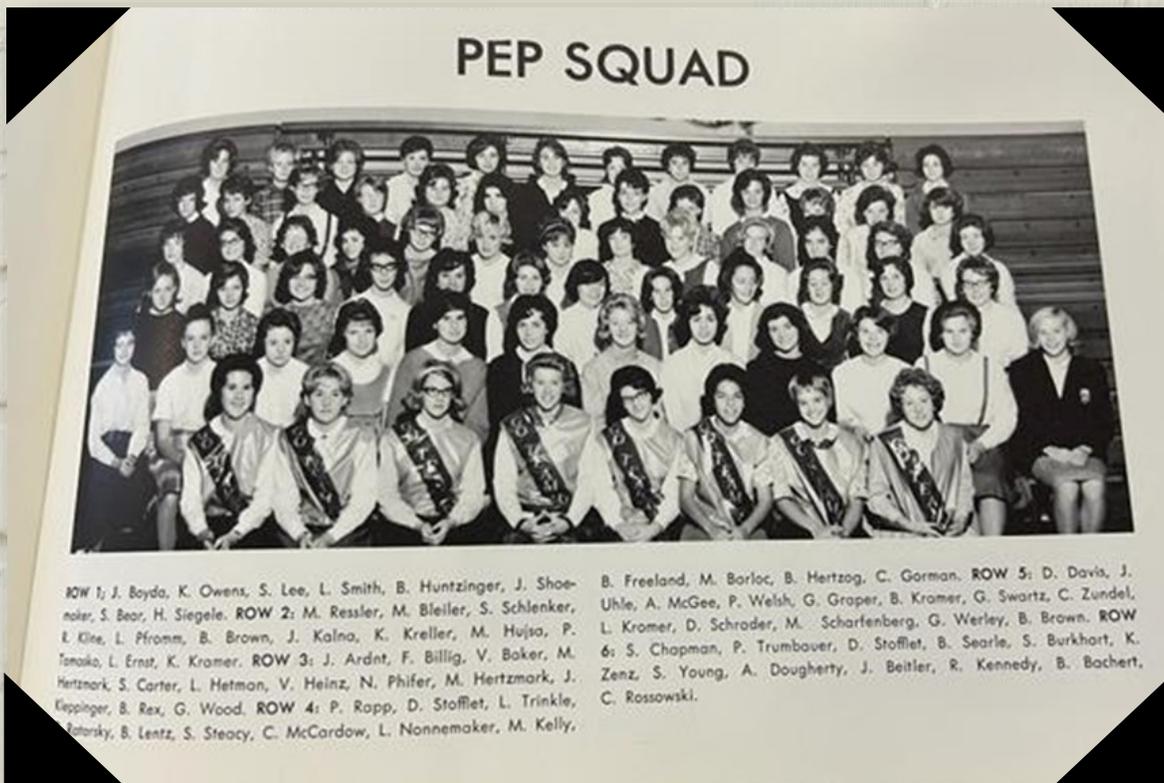

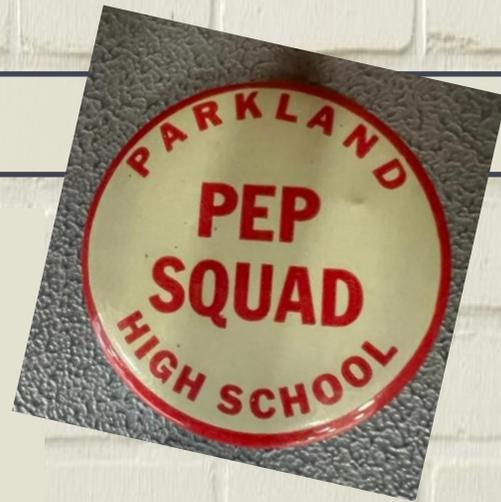

In recognition of Black History Month, we have curated and displayed a selection of books that chronical black history in America.

For a look at more in-depth digital collections, visit the Library of Congress [here](#).

From the Archives

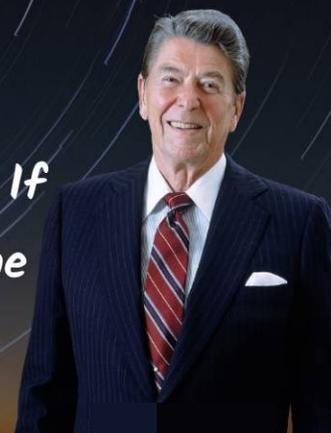

This artifact in our archives prompted some research.

After some digging, we found the official Pep Squad team picture in the 1965 *Par Key* yearbook.

Student Assistance Program (SAP)

As we begin a new year, the Student Assistance Program continues to provide services to the students of Parkland High School.

Loss Group

In the month of February, we will be offering a loss group. This loss includes anything that feels like a loss such as divorce, moving schools, etc.

If you are interested, please email fitchl@parklandsd.org. The SAP team is gauging interest before we set a day and time. This group will only run if we have enough participants.

The SAP team would like to wish you a Happy New Year and the hopes of a better year ahead.

Congratulations

Congratulations to Parkland High School senior, **Victor Cai**, for being named a **Top 40 Finalist** in the **Regeneron Science Talent Search**.

Victor's project, "Designing a Narrowband Radar Using GNU Radio and Software-Defined Radio for Tomography and Indoor Sensing" has been chosen as one of the top 40 out of over 1,800 submissions.

Regeneron STS recognizes and empowers the most promising young scientists in the United States who are creating the ideas and solutions that solve our most urgent challenges.
