**Scarborough Public Schools
Residency Affidavit***

I, _____, declare that I physically reside at:
(Parent/ Guardian)

Street Address – (No Post Office Box): _____

City, State, Zip: _____

Home phone # _____ Cell phone # _____

I also declare that I am in compliance with the State of Maine laws requiring students to attend public school in the district in which they live with their parents or legal guardians, and that I have no other legal residence other than that listed on this affidavit. In order to affirm my residence in the Scarborough School district, I have presented the following documents with my address to school officials (Indicate all that apply. **A minimum of two are required to register:**)

_____ Current Vehicle Registration

_____ Purchase/Lease Agreement

_____ Past Month's Utility Invoice

I declare that these documents are true and accurate and, further, I am aware that the deliberate, intentional falsification of information for school attendance purposes is unlawful. I further understand that if statements made on this affidavit change, I must immediately notify the building principal of the Scarborough school(s) attended by my child(ren).

I am aware that if a student is found to have established residency in Scarborough by providing false or inaccurate information, the student's enrollment will terminate immediately. Further, the parents/guardian may be held liable for all costs incurred while the student was enrolled in the Scarborough School Department.

For secondary school students, I am aware that the guidelines of the Maine Principals' Association prohibit students from participation in interscholastic competition for a school other than that which he/she legally attends. To falsify residency and to participate interscholastically would result in further penalties to the student, even if at some point following the violation he/she were to legally reside in Scarborough.

Students entering grades 7 and 12 must also receive the quadrivalent meningococcal conjugate vaccine (MCV4).

 - **4 IPV/OPV (Polio): Four doses.** If the third dose was administered on or after the fourth birthday, only three doses are required.
 - **2 MMR (Measles/Mumps/Rubella): Two doses.**
 - **2 Varicella (Chickenpox): Two doses of varicella vaccine or reliable history of disease.**
 - If a child has had chickenpox, the vaccine is not required, but written physician confirmation that the child has had the disease must be provided. A blood test to confirm immunity is also acceptable.

 - **2 MCV4 (Meningococcal Conjugate Vaccine): One dose of MCV4 is required for students entering 7th grade. Two doses of MCV4 are required for students entering 12th grade.** If the first dose of MCV4 was administered on or after the 16th birthday, a second dose is not required.
-
- *Vaccine requirements may differ slightly for those who are following a catch-up schedule. Please contact the school nurse with questions.*
 - *Some exceptions to immunization requirements may apply.*
 - *Medical exemptions are allowed.*
 - *A 90-day waiver may apply if a parent/guardian provides written assurance that the student will be immunized within 90 days of enrolling in school or the student's first attendance in classes, whichever date is earlier. This option is available as a one-time provision.*
 - *Starting on 09/01/2021, religious and philosophical exemptions will no longer be an option as an exception to immunization requirements. There is an exception for those students with an Individualized Education Plan and either a philosophical or religious exemption that is in place prior to September 1, 2021.*
 - *Please contact the school nurse if your student requires a medical exemption, 90-day waiver, or an exemption as specified above.*

90-DAY WAIVER FOR REQUIRED IMMUNIZATIONS

Student Name _____ Date of Birth _____

In accordance with Maine School Immunization Law (20-A MRSA 6352-6359), all students who enroll in Scarborough Public Schools are required by Maine law to present a certificate of immunization or evidence of immunization or immunity against poliomyelitis; diphtheria, pertussis (whooping cough), tetanus; measles, mumps, rubella; and varicella (chickenpox). Students entering grades 7 and 12 must also receive the quadrivalent meningococcal conjugate vaccine (MCV4).

A student who does not meet the immunization/immunity requirement may be enrolled in school and attend school or school activities if the parent/guardian provides the school with written assurance that the student will be immunized by private effort within ninety days of enrolling in school or first attendance in classes, whichever date is earlier. This option is available as a one-time provision.

I have elected to use this one time 90-day waiver for required immunizations for this student.

☐ **My student is entering kindergarten and has not yet received all of the required vaccinations for school entry. I will provide the completed immunization record as soon as my student receives the vaccines and/or within 90 days of my student's first attendance in school.**

☐ **My student has enrolled in Scarborough Public Schools. I will provide the completed immunization record within 90 days of my student's enrollment or first attendance in school.**

I understand that I must provide the completed immunization record within 90 days of my student's enrollment or first attendance in school.

I understand that in the case of an outbreak of a specific disease, for which my student is not protected, my student may be kept out of school and school activities as advised by the Maine Center for Disease Control and Prevention. The length of time my student will be kept out may vary depending on the disease and the length of the outbreak. Arrangements will be made for students who are kept out of school to receive and complete school assignments if possible, and to make up missed examinations and other work within a reasonable time upon their return to school.

PLEASE ENTER THE DATE THAT YOUR STUDENT WILL FIRST ATTEND SCHOOL

Dear Parent/Guardian:

Maine welcomes families of all cultural and linguistic backgrounds. Speaking more than one language is a valuable asset, and we encourage families to maintain their languages while learning English. Students who speak or understand another language may be entitled to support to improve their English in order to meet Maine’s challenging academic standards. The following questions, required for all students from pre-kindergarten through grade 12, will help your school determine whether your child may benefit from English language support services.

- If a language other than English is indicated, your child will be administered an English language screener.
- Depending on your child’s score, your child may be classified as an English Learner and eligible for English language support.
- If you would like this letter and the survey below to be provided in another language, or if you would like an interpreter, your school will fulfill those requests.
- If you have questions about this survey, please contact your school principal.

Be assured that your answers will be used only for educational purposes. The completed survey will be kept in your child’s permanent file, and only school staff will have access to it. No school employee may inquire about the immigration status of any member of your family.

Thank you for providing this information, and I wish your student great academic success.

Sincerely,
April Perkins
Director of ESOL and Bilingual Programs, Maine Department of Education

Scarborough Schools

Dear Parent/Guardian:

Scarborough Public Schools, High School, Middle School, Wentworth, Blue Point, Eight Corners and Pleasant Hill, offers healthy meals every school day. Students may order lunch and breakfast no cost (zero) for school year 2021-2022.

This is as important of a time as ever to complete a free meal application. Applying not only has benefits to your family, but also helps our program qualify for a number of different programs that benefit the students and the community. If you are experiencing changes in your finances or have any uncertainty about providing food for your children, please take a few minutes to fill out an online application at <https://sites.google.com/a/scarboroughschools.org/sps/>.

To apply, complete the enclosed *SY 2022 Free and Reduced-Price School Meal Household Application*. A new application must be submitted each school year.

Meals must meet nutrition standards established by the U.S. Department of Agriculture. If a child has a disability, as determined by a licensed medical authority, and the disability prevents the child from eating the regular school meal, substitutions may be made as prescribed by a licensed medical authority. If a substitution is needed, there will be no extra charge for the meal. Please note, however, that the school is not required to make a substitution, unless it meets the definition of disability and supported by a complete medical statement form signed by the local medical authority. Please call the school nutrition program for further information.

You may return your completed Application to: Brenda Franklin - Wentworth School - 20 Quentin Drive – Scarborough, Maine 04074

Who can get free or reduced-price school meals? Children in households receiving SNAP, TANF or, FDPIR benefits, and foster, homeless, and migrant children are eligible for free meals without reporting household income. Alternatively, children may receive free or reduced-price meals if their household's income is within the limits on the Federal Income Eligibility Guidelines.

Will information on my application be kept confidential? We will use the information on your form to decide if your child is eligible for free or reduced-price meals. We may inform officials connected with other child nutrition, health and education programs of the information on your form to determine benefits for those programs or for funding and/or evaluation purposes.

How do I know if my children qualify as homeless, migrant, or runaway? Do the members of your household lack a permanent address? Are you staying together in a shelter, hotel, or other temporary housing arrangement? Does your family relocate on a seasonal basis? Are any children living with you who have chosen to leave their prior family or household? If you believe children in your household meet these descriptions and haven't been told your children will get free meals, please call or e-mail Chris Rohde crohde@scarboroughschools.org

Do I need to fill out an application for each child? No. Use one application for all students in your household. We cannot approve an application that is not complete, so be sure to fill out all required information.

Should I fill out an application if I received a letter this school year saying my children are already approved for free meals? No, but please read the letter you got carefully and follow the instructions.

My child's application was approved last year. Do I need to fill out a new one? Yes. A new application must be submitted each school year unless the school told you that your child is eligible for the new school year. If you do not send in a new application that is approved by the school or you have not been notified that your child is eligible for free meals, your child will be charged the full price for meals.

Will the form be verified? Your eligibility may be checked at any time during the school year. School officials may ask you to send written evidence.

Can I apply for free and reduced-price meals later? Yes. Please complete an application at any time including if your income decreases, household size increases, or you start getting SNAP, TANF or benefits from FDPIR.

What if I disagree with the school's decision about my application? You should talk to school officials. You also may ask for a hearing by calling or writing to: Superintendent Geoffrey Bruno – PO Box 370 – Scarborough, Maine 04070

May I apply if someone in my household is not A U.S. citizen? Yes. You, your children, or other household members do not have to be U.S. citizens to apply for free or reduced-price meals.

What if my income is not always the same? List the amount that you normally receive. For example, if you normally make \$1000 each month, but you missed some work last month and only made \$900, put down that you made \$1000 per month. If you normally get overtime, include it, but do not include it if you only work overtime sometimes. If you have lost a job or had your hours or wages reduced, use your current income.

What if some household members have no income to report? Household members may not receive some types of income we ask you to report on the application or may not receive income at all. Whenever this happens, please write a 0 in the field. However, if any income fields are left empty or blank, those will also be counted as zeroes. Please be careful when leaving income fields blank, as we will assume you meant to do so.

We are in the military. Do we report our income differently? Your basic pay and cash bonuses must be reported as income. If you get any cash value allowances for off-base housing, food, or clothing, it must also be included as income. However, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income. Any additional combat pay resulting from deployment is also excluded from income.

What if there isn't enough space on the application for my family? List any additional household members on a separate piece of paper and attach it to your application.

My family needs more help. Are there other programs we might apply for? The Richard B. Russell National School Lunch Act requires the information on this application. You do not have to give the information, but if you do not submit all needed information, we cannot approve your child for free or reduced price meals. You must include the last four digits of the social security number of the primary wage earner or other adult household member who signs the application. The social security number is not required when you apply on behalf of a foster child or you list a Supplemental Nutrition Assistance Program (SNAP), Temporary Assistance for Needy Families (TANF) Program or Food Distribution Program on Indian Reservations (FDPIR) case number or other FDPIR identifier for your child or when you indicate that the adult household member signing the application does not have a social security number. We will use your information to determine if your child is eligible for free or reduced price meals, and for administration and enforcement of the lunch and breakfast programs. We may share your eligibility information with education, health, and nutrition programs to help them evaluate, fund, or determine benefits for their programs, auditors for program reviews, and law enforcement officials to help them look into violations of program rules.
