

WELCOME IN!

Lunch visitors and
how to sign up

CCISD LAUNCHES LUNCH SIGN UP APP

Only the primary contact, the person who normally fills out school forms, can sign into the online reservation system and make an appointment for himself or herself or a designated guest

We are planning for ten visitors per grade level, which is higher than our historical lunch visitor average.

The online form link is below, and it will also be accessible on the district's website at www.ccisd.net and the school website.

WHERE DO I SIGN UP FOR LUNCH?

Scan the QR code that will take you directly to the CCISD Lunch Sign Up form.

DON'T FORGET!

You **must** have your ID with you to join your child for lunch.

If you do not bring your ID with you, we will not be able to print a visitor badge and allow you in as a visitor that day.

AUTHORIZED VISITORS

Any visitor must be registered as an authorized contact for the child. If the visitor is not noted in Skyward Family Access as a contact or authorized lunch visitor, he or she will not be allowed to have lunch. Please take this time to check your contacts in Skyward Family Access. Parents will have a designated area to have lunch with their children. As previously, other students will need to remain with their classmates.

REMINDERS ABOUT LUNCH

As has been our practice pre-COVID-19, there will be designated areas for parents to sit with their children for lunch in the Great Hall.

All other classmates will remain with their class in the cafeteria.

Students are not allowed to have a friend join them for lunch, nor may parents sit at the classroom tables.

TRRFCC LUNCH VISITORS

As a school of character, please help us follow these TRRFCC lunch expectations as we want lunch to be enjoyable for everyone.

Trustworthy: Visitors may only take pictures of the student they are visiting-please do not photograph or video other students.

Responsibility: Visitor table is for the student and 1 guest. Please do not invite other students to join you.

Respectful: Visitors and students will use a conversation voice (Level 2).

Fairness: Visitors and students will clean up after themselves-throw all trash away.

Caring: Please social distance by leaving a space between yourself and other visitors.

Citizenship: The student must rejoin their class when visitors leave or at scheduled time.

NEED A COPY OF OUR CURRENT LUNCH SCHEDULE?

Scan this QR Code for Lunch Schedule which includes start time and end time.
