Saint Joseph High School

SAINT JOSEPH HIGH SCHOOL

## OUR MISSION

Saint Joseph High School is a Catholic secondary school dedicated to transforming students in heart and mind, preparing them to serve God, the Church, and the world.

Dear Saint Joe Family and Friends,

What a year this has been! Who could have foreseen the many changes we would face in our community and across the world when the 2019-20 academic year commenced last August? As we launched the year with the theme *Reach Higher*, we had no idea how much reaching would be required. The unanticipated challenges that we have faced collectively have required uncommon flexibility and resilience. Last spring, as the coronavirus pandemic approached the Midwest and instruction moved online, our teachers, students, and community rose to the challenge.

By all accounts, our students and teachers pivoted beautifully to the new reality of extended eLearning. Faculty rallied together to share tools, tips, and guidance on emerging technologies, demonstrating that learning is a lifelong process. The successful transition was aided by the fact that every Saint Joseph High School student receives a school-issued laptop and that we provided mobile hotspots to students who lacked reliable internet access at home. Not only did we preserve our tradition of academic excellence and high standards, we did it with equity so that all students remained engaged and connected.

Of course, the pandemic affected more than our schools. The economic downturn caused many of our families to experience a loss of income. As families began reporting financial hardship, we launched a Tuition Angel fund to make up the difference. Thanks to an immediate and generous outpouring of support from long standing donors, we were able to meet 100% of the need for emergency tuition assistance, and enrollment has remained steady.

As the spring semester progressed, seniors started to grieve the loss of the very traditions that alumni recall so fondly. In response, we created the 2020 Senior Parade, in which faculty decorated their cars with inspirational messages and delivered a Class of 2020 t-shirt, personalized poster, and yard sign to every single senior. In July, in order to allow all families to participate, we held back-to-back Baccalaureate Masses. Then, after a long wait and thanks to the beautiful and spacious Leighton Stadium, we celebrated a memorable Commencement. The students and families cherished the outpouring of love and the sense of community as we culminated their four years at Saint Joe.

Sadly, the pandemic has forced the closure of over 100 Catholic schools across our country. Thanks to the consistent and generous commitment of supporters like you, Saint Joseph High School remains in a strong financial position, and continues to provide an exemplary Catholic education. We are confident that, with the continued investment of our generous community, our beloved school will continue to thrive for generations to come.

Thank you for your commitment to Saint Joseph High School. We could not do what we do without your support. Together, we are making a difference. Thank you for helping us to *Reach Higher*.

God Bless,

John Kennedy

## The Fund for Saint Joseph

We are pleased to announce the advent of giving societies at Saint Joseph High School. Special recognition goes to the Mission Advancement Committee of the School Board for their careful consideration of this new initiative. We deeply appreciate their thoughtful deliberation regarding the names of each giving level.

Prior giving levels were: **\$10,000 Platinum Sponsor, \$5,000 Gold Sponsor, \$2,500 Silver Sponsor, \$1,000 Bronze Sponsor, \$500 Blue Sponsor, \$250 White Sponsor and Up to \$100 SJHS Sponsor.**

We believe the new categories reflect our Catholic identity and more closely align with our mission and vision. We hope you agree! The new giving levels are included below.

*Thank you* for all you do for Saint Joseph High School!

## annual fundraiser gala

Approximately ten days before our annual gala was to occur, the coronavirus was becoming a household name in Indiana. Though no cases had been reported yet in St. Joseph County, it was anticipated that COVID-19 was on its way. Thus, like nonprofits and schools everywhere, Saint Joseph High School decided to postpone our annual spring fundraiser.

At the time, we intended to gather in person in May. It seemed so simple - stick to the plan, adjust the date, and carry on just like before. Within short order, however, it was clear that hosting an event of the size and scope of the gala was not possible. While many organizations opted to further postpone or cancel their fundraisers, our supportive community rallied together. We pivoted to a virtual event, the first in school history.

Thanks to the steadfast Gala Committee and a dedicated and supportive School Board, Saint Joseph High School was able to pivot smoothly to a celebratory online fundraiser. We launched weekly silent auction packages, invited additional guests to join us for the live stream event, and strengthened social media marketing. Every single sponsor held firm with their sponsorship, and nearly every guest donated the cost of their ticket to Saint Joe. We were deeply grateful and truly humbled by this outpouring of support.

During unprecedented times, we were met with unprecedented generosity. Together we raised \$140,381 for Saint Joseph High School, netting \$118,506. Proceeds from the gala will be used to fund scholarships for students in need.

We are especially grateful for Navarre Hospitality Group and the team at The Armory for their flexibility and willingness to apply our deposit to a future event. We deeply appreciate our auctioneer, Neil Saffer, who adeptly hosted a live auction all the way from Florida! Bob Buruchian and the all-stars at PlayImage supported us behind the scenes, making our virtual gala possible. Finally, singer/songwriter Justin McCormick and speed painter Dale Henry shared their talents with us, contributing to an engaging and fun evening.

Our honorees this year were John and Jenny Staud, parents of Saint Joseph High School alumni and longstanding supporters of Catholic education. While we were saddened to miss the opportunity to honor them in person, the new format offered a silver lining: now we could invite others to share gratitude, too. Words of affirmation and congratulatory remarks poured in from cell phones and laptops near and far, and we joyfully aired these accolades during the gala. **Thank you, John and Jenny, for all you do for Saint Joseph High School. We appreciate you!**

## Forward in Faith Campaign

Recently the Mission Advancement team asked student ambassadors why they chose to enroll at Saint Joe over another school. Many factors influenced their decisions, such as a feeling of belonging, our cohesive and faith-based community, and a positive school climate. **Students indicated that our beautiful campus was a chief motivator for choosing to enroll at Saint Joe.** They commented on how the bright, open, and inviting facilities underscored the joy and positivity felt within the halls. Students enjoyed areas that foster collaboration and fellowship, such as our small-group study rooms and the Commons, and expressed appreciation for the well-appointed rooms that allow for in-depth, quality experiences, such as our laboratories and fine arts facilities. When students mentioned the Chapel of Saint Joseph, we heard a chorus of *oohs* and *aaahs* and “Yes, the Chapel!” One student gushed, “We have such a *beautiful* chapel.” Another added, “I just love our chapel. It’s my favorite place to be.”

When the facilities of a school match the quality of instruction that takes place inside the walls or on the field, students are drawn to become a part of it. Truly, our vibrant campus enhances the student experience. This, in turn, further supports our mission to transform students in heart in mind, preparing them to serve God, the Church, and the world. Thank you to the following individuals who support the Forward in Faith campaign this year:

*We deeply appreciate* those who have supported the Forward in Faith campaign from the beginning, and those expressing new interest in this important initiative. With \$1.8 million remaining, we are very close to reaching our goal of \$36 million. Contact the Office of Mission Advancement if you wish to contribute. Every gift matters! Participation from families new and old will ensure that Saint Joseph High School is positioned to thrive for years to come.

## Scholarship Giving

Saint Joseph High School is widely recognized as a leading Catholic high school with a rigorous curriculum and vibrant student life, one that prepares students for college and career success. Here, students discover talents, passions, and abilities that will unlock future opportunities. For those whose family circumstances post financial limitations, a Saint Joe education may seem at first to be out of reach; however, thanks to the generosity of the individuals and organizations recognized below, Saint Joseph High School is positioned to meet the demonstrated financial need of every admitted student. Together, we ensure that a transformative Catholic education is accessible to all, regardless of socioeconomic status. Thank you for believing in our students, and for providing them a solid foundation from which to launch their future.

### Scholarship Granting Organization of Northeast Indiana (SGO-NEI)

The Scholarship Granting Organization of Northeast Indiana (SGO-NEI) offers a win-win opportunity for individuals and businesses to provide scholarship funds to Saint Joe students. Indiana offers a dollar-for-dollar state tax credit for up to half of the donation to the SGO. In the 2019-20 academic year, donors contributed \$133,053 to scholarships through the SGO. These funds will provide tuition assistance for many students in the following year.

### Endowed Scholarship Funds

Each year, Saint Joseph High School provides approximately half a million dollars of tuition assistance to enrolled students. As the demographics of the Catholic Church have changed, and the wealth gap has widened, more Catholic families require financial assistance in order to remain in Catholic education. Saint Joe provides need-based scholarships to students through annual giving as well as funds generated through endowed scholarships. As our endowed funds grow, so, too, will our capacity to meet the demonstrated need of every Saint Joe student.

We deeply appreciate the many generous supporters whose past gifts to the endowment enable us to provide scholarships today. We also recognize the following philanthropic partners for their 2019-20 contributions to endowed scholarship funds.

### Endowed Scholarship Funds

Thanks to the commitment of the Saint Joe community, we were able to provide tuition assistance to over 400 students in the 2019-20 school year. Together we are making a difference in the lives of hundreds of young people. What a gift and a blessing!

### Tuition Angel Fund

This spring, when the coronavirus pandemic resulted in the loss of income and jobs for Saint Joseph High School families, those families expressed worry and concern. Theirs was an immediate need for reprieve. Saint Joe quietly asked our longstanding supporters to assist. The response was immediate and humbling. Within a couple weeks, we had received donations sufficient to provide 100% of the tuition balance for families requiring emergency assistance. There is so much love within the Saint Joe community, such kindness and generosity! We deeply appreciate the following "tuition angels:"

### Ignite the Vision Gala Fund a Need for General Scholarship

As stated earlier in this report, the net proceeds of the 2020 gala, Ignite the Vision, will help to provide tuition assistance to Saint Joe students. During the 2020 virtual gala, many supporters expressed their commitment to Saint Joe through direct contributions to general scholarships via our "Fund a Need" call for support. While the total dollars raised have been reported, we wish to provide special recognition for those who contributed to scholarships outright.

## Faculty, Staff, and Board Giving

The following individuals demonstrate their commitment to the students and mission of Saint Joseph High School day after day, year after year, by offering their time, talent, energy and expertise. They are the torch bearers that deliver a Saint Joe education to our students, transforming them in heart and mind, preparing them to be of service to God and others. While all faculty and staff generously give of themselves, we owe special gratitude to those who also choose to give philanthropically.

“ We've met people we will be friends with for the rest of our lives, we've met people who have taught us how to be better people, and we have learned to love others and ourselves.

A lot of times we take for granted the obvious things around us ... It's easy in high school to focus only on your problems, your feelings, your life, but there are more than seven billion other people on this earth with problems too. Especially today, more than ever we are called to be aware ... to stay present in the world around us.

# Alumni Giving

As I perused the list of donors to the Fund for Saint Joseph and other donation avenues to our school, I was gratified to note how many alumni generously and consistently give back to Saint Joseph High School. The gifts made by alumni allow us to continue providing a high-quality Catholic education to our students and to fulfill our mission. We have earned recognition as a National Catholic High School Honor Roll School of Excellence each year since 2014, and continue to offer an unparalleled Catholic high school experience. Thank you for your generous support of our alma mater, even in these trying times. May God continue to bless you and your families. Wishing you a safe and healthy 2021.

# In Loving Memory

*Eternal rest grant unto them, O Lord,  
and may perpetual light shine upon them.*

We hold in our hearts the family members and friends whose loved ones are no longer with us. We are humbled by the generosity of spirit that prompts donations made in memory of someone beloved. We cherish all gifts, but these we receive with profound gratitude. Your gifts call us further into prayer, deepening our commitment to our Catholic mission.

# Our Cherished Volunteers

*"Sometimes the smallest things take up the most room in your heart."*

— WINNIE THE POOH

At Saint Joseph High School, we are blessed beyond measure by our dedicated parents and friends who volunteer their time to be of service. The Parent Group provides the much-loved coffee cart, meals, and famed Christmas cookie platters for faculty and staff throughout the year, and provides hospitality to parents and guests at events such as Open House and Back to School Night. We are deeply grateful for their dedication, love and support. We appreciate the many volunteers whose expertise, insights, and wisdom ensure that we continue to strive for excellence. We are humbled by their commitment to our mission and grateful for their time and care. Thank you to those who have contributed in large and small ways to make Saint Joseph High School an inviting and joyful place.
