Vision, Mission, Collective Commitments and Goals 2021-2022

Mission

We will produce lifelong learners for today and the future.

Vision

We will promote high levels of learning and build positive relationships by expanding opportunities through purpose, growth and safety.

Commitments

We commit to holding ourselves and students to high expectations for learning at all times.

We commit to collaborating with one another and to promote a growth mindset for both ourselves and our students.

We commit to providing a respectful, equitable culture.

We commit to protecting the safety of our students, faculty and community.

We commit to invest in the social emotional needs of our colleagues, students and community members.

We commit to using effective systems of communication between all stakeholders.

We commit to partnering with our parents and community.

We commit to being professional at all times.

Goals

- Student attendance will be 95% each nine weeks.
- Staff attendance will be 97% each nine weeks.
- Student growth-STAAR score in approaches will increase by 10%, in meets scores will increase by 5%, and masters scores will increase by 2%.
- Passing Rate-Core/Electives 90% core and 95% electives.
