2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

Fenton Avenue Charter School is proud to serve our Lake View Terrace community. We have been dedicated to developing the academic achievement of all learners since its conversion from a district school to a charter school in 1993. Fenton Avenue serves students in 3rd, 4th, and 5th grades while our sister school, Fenton Primary Center, serves grades TK through 2nd. As facilitators of learning, we recognize the important role of parents as primary educators of their children and value the important partnership we share.

Fenton Avenue Charter School's dedicated and highly qualified credentialed educators provide all students with rigorous standards-based instruction infused with technology at all grade levels. Our learners have access to an iPad for every child. Along with academics, a particular emphasis is also placed on developing the whole child including social and emotional well-being with the use of the Mutt-i-grees® curriculum. This curriculum facilitates the teaching of lifelong skills such as empathy, self-confidence, teamwork, caring, and decision-making.

The mission of Fenton Avenue Charter School is to further instill the joy of learning by creating an environment that promote confident, self-reliant, interdependent learners who become productive, contributing citizens of the community.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

2019-20 Teacher Preparation and Placement

Authorization/Assignment	2019-20
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	
Intern Credential Holders Properly Assigned	
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)

Total Teaching Positions	

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

The custodial and maintenance staff at Fenton Avenue Charter School makes every effort to ensure a safe, clean, and secure environment for students and staff. Classrooms are cleaned daily, and student restrooms are cleaned three to five times a day. Classroom floors are stripped and waxed four times a year, and all carpets are professionally cleaned two times a year and additionally as needed. The grounds are maintained by the Fenton custodial and maintenance staff, with the added assistance of a gardener one day per week. The gardener trims plants and trees, weeds, rakes and mows the two grass areas, and removes and replaces plants and flowers as needed. Professional tree trimmers are hired to trim the mature trees (most as old as the 50-year old campus) every three years; all trees were trimmed in 2019. Any areas of the school that are in need of repair are cared for immediately. Routine maintenance such as interior and exterior painting is conducted regularly and as needed.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Four governing councils were created to ensure all stakeholders had a voice: Budget, Facilities and Safety; Curriculum and Assessment; Human Resource and Personnel; and School-Community Relations Council. Parents are encouraged and welcome to attend any of the meetings. The Family Center and its full-time director coordinate activities related to adult and parent education. Parents are also encouraged to volunteer in the school and in classrooms. Several activities are held to involve parents. The school hosts Parent Orientation Meetings for each of the grade levels. The purpose is to communicate clear expectations, provide information, and establish the partnership envisioned between parents, teachers, and students. The School-Community Relations Council hosts evening meetings twice yearly to discuss current events, future plans and address any concerns. Parent conferences are held for the first two reporting periods. During that time, parents are highly encouraged to be in attendance. These opportunities allow for parents and teachers to discuss student growth and any possible needs associated with students meeting academic proficiency.

2020-21 Chronic Absenteeism by Student Group

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

Fenton Avenue Charter School continues to follow the established standards of health and safety as commonly practiced in California public schools according to the California Education Code and California Health and Safety Code, including Education Codes 44237, 45125.1, and 45122.1. All city, county, and state building codes are also followed. Two part-time security employees patrol the campus and surrounding perimeter daily to secure our campus. Additionally, a security guard patrols the campus after the regular workday and weekends. The school also has an intrusion alarm with sensors in all classrooms, offices, and supply areas. The result is a campus that is secure 24-hours a day, 7-days a week. Students are supervised at all times by certificated teachers and/or by paraprofessionals. A nurse or nurse's aide serves students on a regular full-time basis. The Family Center provides some on-site health and social services to our students and their families and offers services and classes requested by the school community. Fenton Avenue Charter School's Safety Plan is reviewed yearly and revised as needed. It is maintained in the Main Office. Monthly drills are run to ensure the Safety Plan is practiced regularly. All employees are fingerprinted and cleared through the Department of Justice as required by Education Code 44237, and have a current TB test on file. In addition to the ongoing and daily review of school facilities by both the Plant manager and Maintenance and Operations Manager, Fenton Avenue Charter School remains a member of ASCIP and participates in periodic health and safety reviews of the entire campus as part of ASCIP's risk management program. Risk managers inspect all interior and exterior areas of the school, including playground equipment, asphalt, cement, the food services area (kitchen and lunch pavilion), custodial storage areas, and office (including areas for hazardous materials). The Illness and Injury Prevention Program is regularly updated, and a summary of the program is posted in the workplace. The procedures that Fenton Avenue Charter School follows to ensure the health and safety of pupils and staff includes the requirement that each employee of the school provides the school with a criminal record summary as described in §44237 [Education Code §47605(b)(5)(F)].
