

Course Selection Worksheet for Rising Eleventh Grade
2022-2023

Name: _____

All eleventh grade students are required to take a minimum of six courses each semester, with no fewer than four of the six being in the core subject areas. Please refer to the Course of Study for graduation requirements, course descriptions, and course prerequisites. It is vitally important to select alternatives for each of your electives as there are times when your first choice may not be available.
