EMPOWERING LIFE-LONG LEARNERS

Position Title: ESSERS Learning Loss Paraprofessional

Reports To: ESSERS Learning Loss On-Site Coordinator

Qualifications: Highly-Qualified

## **Position Responsibilities**

1. Assist the professional staff in working with children, in groups or individually to provide:
  - a. Academic skill reinforcement in all classrooms
  - b. Behavioral skill reinforcement in all school settings.
  - c. Self-help skills reinforcement, including feeding, toileting, dressing, basic hygiene, and others as needed.
3. Carry out instructional, technical, or therapeutic activities.
4. Assist the students with academics by effectively presenting information in one-on-one and small group situations.
5. Assist students who have physical disabilities with their wheelchairs, communication devices, the elevator, entering and exiting transportation, self-care, physical and occupational therapy exercises.
6. Respect the confidentiality of all information concerning students. This information cannot be relayed to persons outside of the school system and is limited to those within the school system on a need to know basis.
7. Be aware of and follow the student IEPs.
8. Complete all other job-related tasks as presented by the on-site coordinator or principal.
