

## How We Got Here

On September 24, 2019, the RTSD School Board adopted the District Initiative:

**"Develop a Long-Term Facilities Plan that supports enrollment, program needs and building requirements"**

On February 25, 2020, the RTSD School Board approved a contract with Breslin Ridyard Fadero Architects to:

**Conduct a Feasibility Study as a foundational part of developing a Comprehensive Long-Term Facilities Plan**

## Why a Feasibility Study?

The RTSD Feasibility Study assesses the current and future capacity of our buildings in meeting programming needs; maintaining accessible facility and site conditions; accommodating enrollment trends; and planning for all funding and expenditures.

## Why Does Facilities Maintenance Matter?

School districts must be responsible stewards of taxpayer dollars while ensuring that their school buildings provide the safest, most accessible, and supportive educational environments for optimal teaching and learning.

# About the Feasibility Study

## The Feasibility Study evaluated:

### Programming Needs

The capacity of our facilities to support current and future District programming and maintain optimal class sizes.

### Facility & Site Needs

The physical conditions of each building to inform short- and long-term maintenance plans.

### Enrollment Needs

Ongoing enrollment projections and how they relate to school building capacity.

### Financial Impact

The totality of the short- and long-term school facilities' needs and the most cost effective way to address them.

# We want to hear from you.

All Radnor community members are invited to learn about the results of the study on the state of RTSD schools, see our elementary schools in-person, and share their thoughts on next steps.

## Please Join Us!

**Thursday, March 3, 6:30-8 p.m.**

Radnor Elementary School  
20 Matsonford Road, Radnor

**Monday, March 7, 6:30-8 p.m.**

Ithan Elementary School  
695 Clyde Road, Bryn Mawr

**Wednesday, March 16, 6:30-8 p.m.**

Wayne Elementary School  
651 West Wayne Avenue, Wayne

*Note: Each event will feature the same information to allow community members to attend any event that is convenient. We are currently planning in-person meetings with the option for virtual attendance.*

## REGISTER:

*The mission of Radnor Township School District is to inspire in all students the love of learning and creating, and to empower them to discover and pursue their individual passions with knowledge, confidence, and caring to shape the future.*

# From the Feasibility Study

The Feasibility Study examined the components of each school and the Administration Building and graded their condition on a scale from "Excellent" to "Critical."

## "Good" to "Excellent" Condition

Radnor High School (Built 1956)  
Radnor Middle School (Built 2007)  
Radnor Elementary School (Built 2001)

## "Fair" to "Critical" Condition

Wayne Elementary School (Built 1971)  
Ithan Elementary School (Built 1963)  
Administration Building (Built 1900)

## Key Areas of Concern

Mechanical, Electrical & Plumbing

ADA Accessibility

Security

Building Envelope (The separation of a building's interior & exterior)
