You can only apply for one CTE program per application. If you wish to apply for multiple programs, you will need to complete a separate application for each program.

1. Username – Student ID Number.
2. Password – Student 8-digit PIN Number, includes leading zeros (00011111).

3. Click Create a new **CTE Application** to begin (All required fields are denoted with a red asterisk (*).

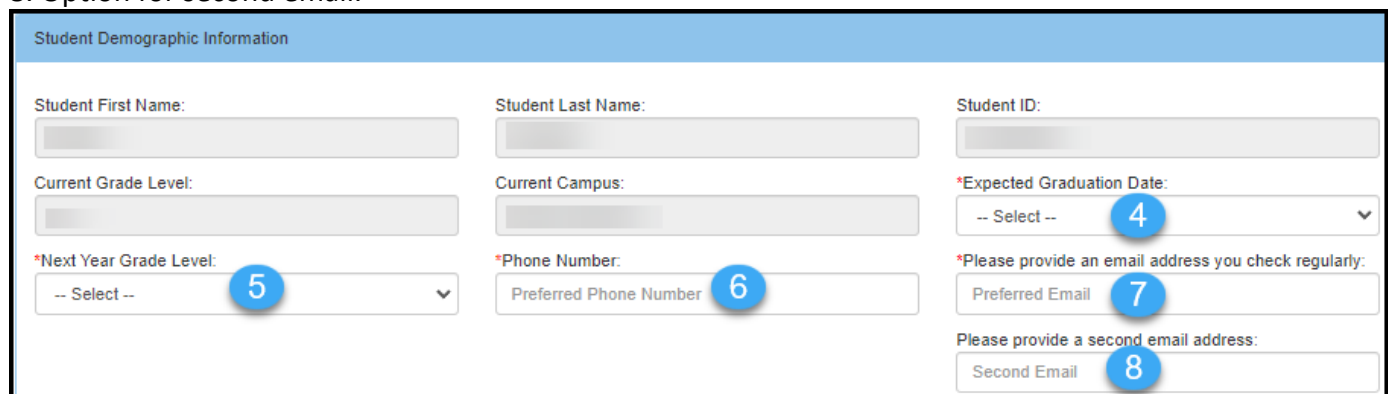

4. Expected Graduation Date.
5. Select Next Year Grade Level.
6. Phone Number.

7. An email address you check regularly.
8. Option for second email.

9. This screen displays district programs which may or may not be taught at your home campus (See campus in parenthesis).

District Programs Available

Select District Program ⑨

- ☐ 7145 - Principles of Construction (CCHS)
- ☐ 7146 - Construction Technology-Design & Carpentry (CCHS)
- ☐ 7147 - Construction Technology-Architecture & Electrical (CCHS)

- ☐ 7975 - Robotics I (CBHS)
- ☐ 7976 - Practicum in Robotics (CBHS)
- ☐ 7990 - Practicum in Biotechnology (CFHS)
- ☐ 7991 - Biotechnology ISM AA (CFHS)

10. *All applicants must answer these two questions, even if you did not choose a district program.

Student Transportation

The CTE specialty district programs are located at only one campus in the district. Upon acceptance into one of these programs, student can either travel to that campus for the periods the program is offered, or students can apply for a transfer to become a student of that campus. Students must provide their own transportation to programs not located on their home campus.

* Do you understand the transportation options?

[▼]

*How will consistant transportation be provided (if not home campus): ⑩

[Self   ▼]
