Addendum No. 2**

CLARIFICATION OF DISTRICT’S TRADE-IN VEHICLES:

The following is a clarification of the District’s available trade-in vehicles. In addition to the trade-in vehicle specifications listed on page 12 of the ITB for the replacement of the District dump truck vehicle designated “M-80” (that is, a 2008 International 7400, with a 10Ft Bonnell snow plow), the District would like to clarify that the following vehicles would be available for trade-in relative to the following desired vehicles listed in the ITB:

Desired Vehicle	Available Trade-In
Delivery Truck for the District Supply Center	A 2009 Freightliner MZ 102 Delivery truck
A replacement for a current District vehicle, a utility pickup truck; the District’s designation number for this vehicle is “M-3”	Non-applicable/no trade-in available
A replacement for a current District vehicle; the District’s designation number for this vehicle is “M-11”	A 2012 Chevy 2500 van CNG
A replacement for a current District vehicle; the District’s designation number for this vehicle is “M-32”	A 2004 Chevy 3500HD Extended cab with western snow plow
A replacement for a current District vehicle; the District’s designation number for this vehicle is “M-33”	A 2006 Ford F350 crew cab with western snow plow
Two replacements for a current District vehicle (that is, the District seeks to replace a large dump truck vehicle with two smaller dump truck vehicles); the District’s designation number for this vehicle is “M-80”	A 2008 International 7400, with a 10Ft Bonnell snow plow

Also, as noted on page 4 of the ITB:

“Trade-in Information: For trade-in assessment, interested vendors are welcome to schedule a site visit to view the current District vehicles referenced in this ITB. Generally, the vehicles will be available for viewing Monday – Friday, from 9 a.m. to 3 p.m. CST, at the following address: **6445 Carter Avenue, Merriam, KS 66203**. Interested vendors may email Brett Bendure at brettbendure@smsd.org to schedule a site visit.”
