The Fine Arts requirement has been fulfilled if you have taken one of the following courses: Art Fundamentals or Digital Imaging & Photography, Band, Choir, or Acting & Performance 1. If you have not yet fulfilled the Fine Arts requirement, you may do so by taking any of the following courses offered next year: Art Fundamentals, Digital Imaging & Photography, Band, Choir, or Acting and Performance 1. In the case of Band or Choir, if you take a full year of the subject, the second credit is counted as an elective credit.

ELECTIVE COURSES

The elective courses that eleventh graders may choose come from the following academic departments: Art, Business, Drama, English, E3, Industrial Arts, Math, Music, Physical Education, Science, Social Studies, and World Languages. Please choose these and all courses carefully.

TEACHER AIDE

If you wish to be a Teacher Aide, you may not count the credit toward the minimum 14 credits required each year. You may, however, count the credit toward the 54 required for graduation. If you wish to be a Teacher Aide you do not register for that course until the first week of the semester. Teacher Aide grades are not included in your GPA.

MAKING UP FAILED COURSES

If you receive a failing grade in any subject at Totino-Grace, you may make up the credit to meet graduation requirements by retaking the course at Totino-Grace or by completing an approved course (summer school, correspondence, etc.). You must receive PRIOR APPROVAL from the Academic Office before enrolling in any such course. Keep in mind that registration for public school summer courses is usually done in the Spring.
