

Saga

1959

ONCE THERE WAS A TROJAN...

...THIS TROJAN,

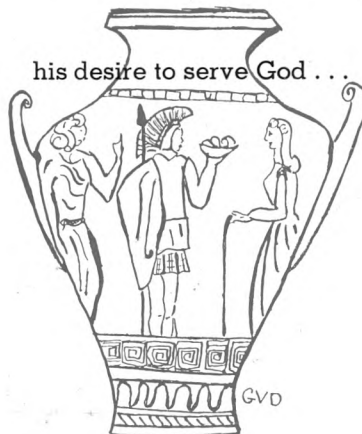

like all his countrymen, was known for his hard work, endurance, and
bravery in war.

Saga means tale or story. The purpose of this Saga is to tell the story of

the Trojan of 1959, a student at Timothy—the story of his studies, school

activities, and social life. It is the record of his aims and achievements and

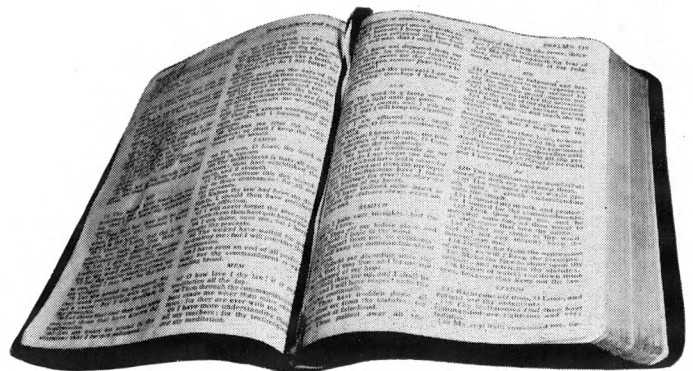

his desire to serve God . . .

SAGA 1959

TIMOTHY CHRISTIAN

HIGH SCHOOL

CICERO, ILLINOIS

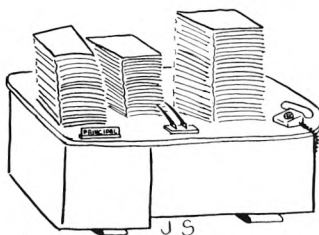

DEDICATION

Because as principal, teacher, counselor, and friend you
have made a lasting impression on our lives . . . because
through your boundless energy, untiring patience, and
Christian leadership you have helped us throughout our
four years at Timothy . . . we, the Senior Class of 1959,
dedicate this *Saga* to you,

REV. G. RODERICK YOUNGS

Dreams are the stuff
of which life is made.
The Good Book says
that without vision
a people perish.

Recorded in this book are some of the bright dreams of youth, the hopes for
today and tomorrow. But words and ink can never really capture the spirit.
They can only remind us of yesterday or stir up visions of what is yet to
be. In this book are memories—memories that ought to arouse us to even
greater levels of achievement. There are great things to be done for God. It is
my prayer that the Class of 1959 may carry on for Timothy wherever they
may be. May the love of God go with you always.

Rev. G. Rodenick Youngs

...MODERN TROJANS,

by attending Timothy, become better

Christians and better citizens, guided by

God's Word and a Christian faculty.

The Trojans give our school its

personality. They are its heart and

center of activity. Here then is the saga

of the Trojans of Timothy.

SCHOOL BOARD

The board, elected by the school society, has faithfully managed the affairs of our school. They have devoted themselves to the cause of Christian education by generously taking upon themselves the many duties of this often unappreciated job.

Timothy's board is divided into five committees: building, education, finance, promotion, and transportation. In fulfilling their obligations, the members of these committees spend long hours and many nights in improving our school.

Another organized committee of Timothy is the long range planning committee. The purpose of this group is to make all the necessary plans and preparations for our new school.

We would like to express our sincere appreciation to these men for the work they have done.

The long range planning committee makes plans for our new school.

Mrs. Mulder, Mrs. Bossenga, and Mrs. Essenburg make up our competent office staff.

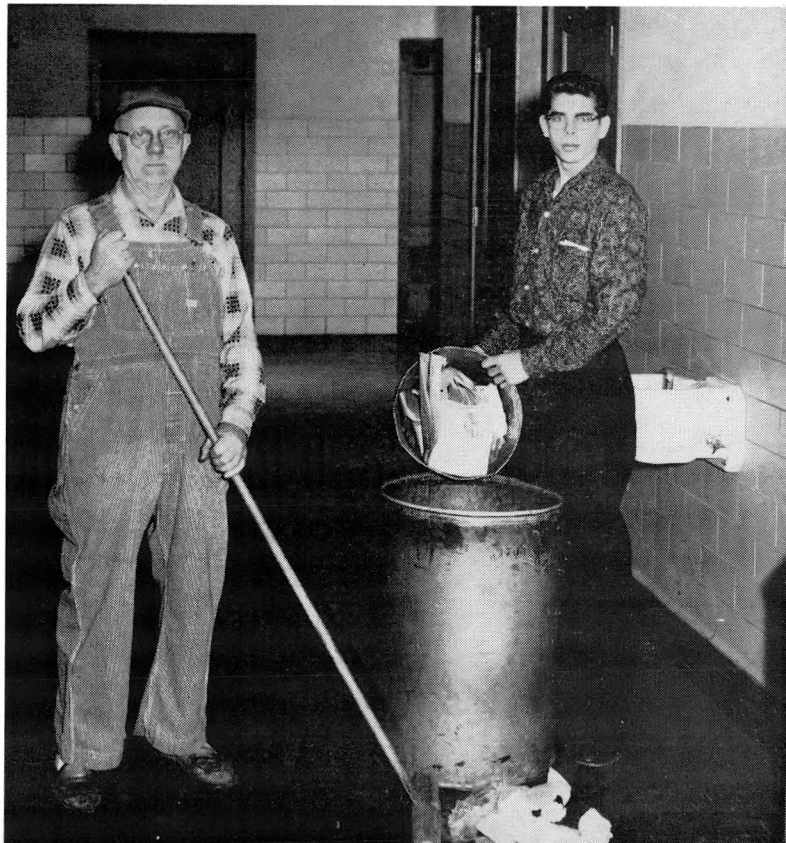

OFFICE STAFF

Mrs. Bossenga and her associates keep the books and records, handle supplies, collect tuition, and perform countless other tasks that are necessary in managing the business of our school. Actually, many of the things we take for granted are part of the work of the office staff.

MAINTENANCE

Can you imagine how our building would look without Mr. Drenth's faithful cleaning! He and his assistant are constantly working to make Timothy look spotless and to keep its equipment in good condition.

CLASS HISTORY

As we look back upon our four years of high school, it hardly seems possible that they are ended.

We entered high school as inexperienced freshmen but were soon initiated at the All School Party. As the year went on, we became more accustomed to high school life and by the time it was over we were accepted as a regular part of the school.

As sophomores we had passed the test and started the year with enthusiasm. In the spring we had our own sophomore party, which was really a success.

With the beginning of our junior year came the election of class officers. Ron Decker, president; Don Schaaf, vice-president; Nancy Grabinski, treasurer; and Wilma Hoeks, secretary did a fine job for our class.

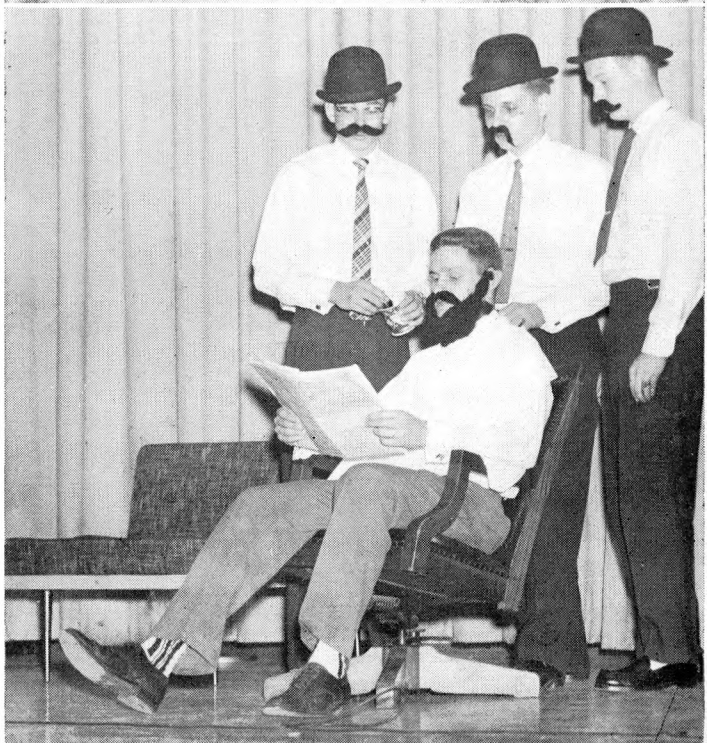

Sponsoring the All School Party "Shipwrecked" was our first project. This time we had our chance to initiate the freshmen. Other projects included bi-monthly barbecue luncheons, selling Christmas cards, sponsoring a movie, and giving our class play "Old Doc." All of these projects were attacked with a spirit of enthusiasm and cooperation.

As juniors it was also our responsibility to give the Junior-Senior Banquet in honor of the graduates. The theme "Underwater Fantasy" was carried out with elaborate decorations. The year ended with a rush of spring activities. Bill Loerop and Don Swierenga were nominated as candidates for student council president. After an exciting campaign, Bill was elected. The editors for the '59 Saga were also chosen.

CLASS HISTORY

We began our senior year by electing class officers: Don Schaaf, president; Warren Noorlag, vice-president; Donna Teune, treasurer; and Marlene Van Der Velde, secretary.

Our first projects were two car washes in the early fall and our class play "This Is the Life" in November.

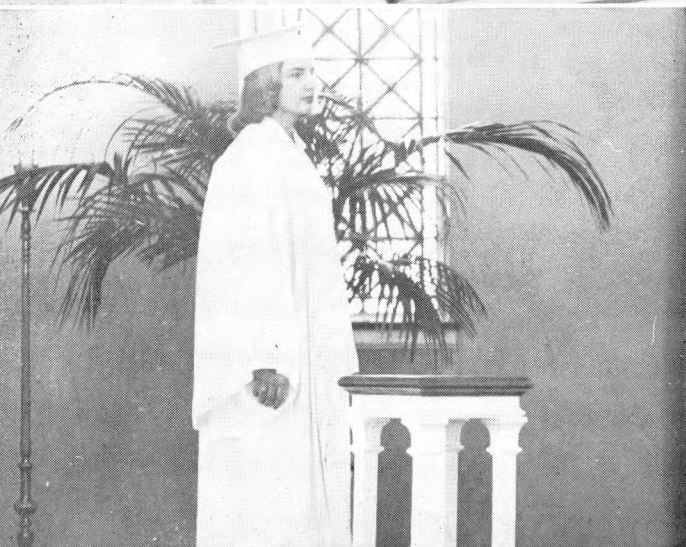

Throughout the year we sold pop at noon hour and again gave barbeque luncheons and sold Christmas cards. Other projects were selling pennants, sponsoring a movie, and co-sponsoring with the juniors a skating party. During Christmas vacation we had a senior party. Games highlighted the evening and refreshments were enjoyed by all.

On March 30, we boarded the train for Washington, D.C. We stopped off at Williamsburg and other historical and picturesque towns along the way. At Washington we visited the Capitol Building, the Supreme Court, the Washington Monument, the Library of Congress, and the Lincoln and Jefferson Memorials. The trip proved to be educational and exciting.

We will always remember senior night, the beautiful Junior-Senior Banquet, this time in our honor, and the Awards Banquet.

On June 12, thirty-nine seniors, the class of '59, walked down the aisle of Ebenezer Christian Reformed Church to receive their diplomas. Although we have spent our last year at Timothy, we will never forget it, and its influence will always be felt in our lives.

UNDERCLASSMEN

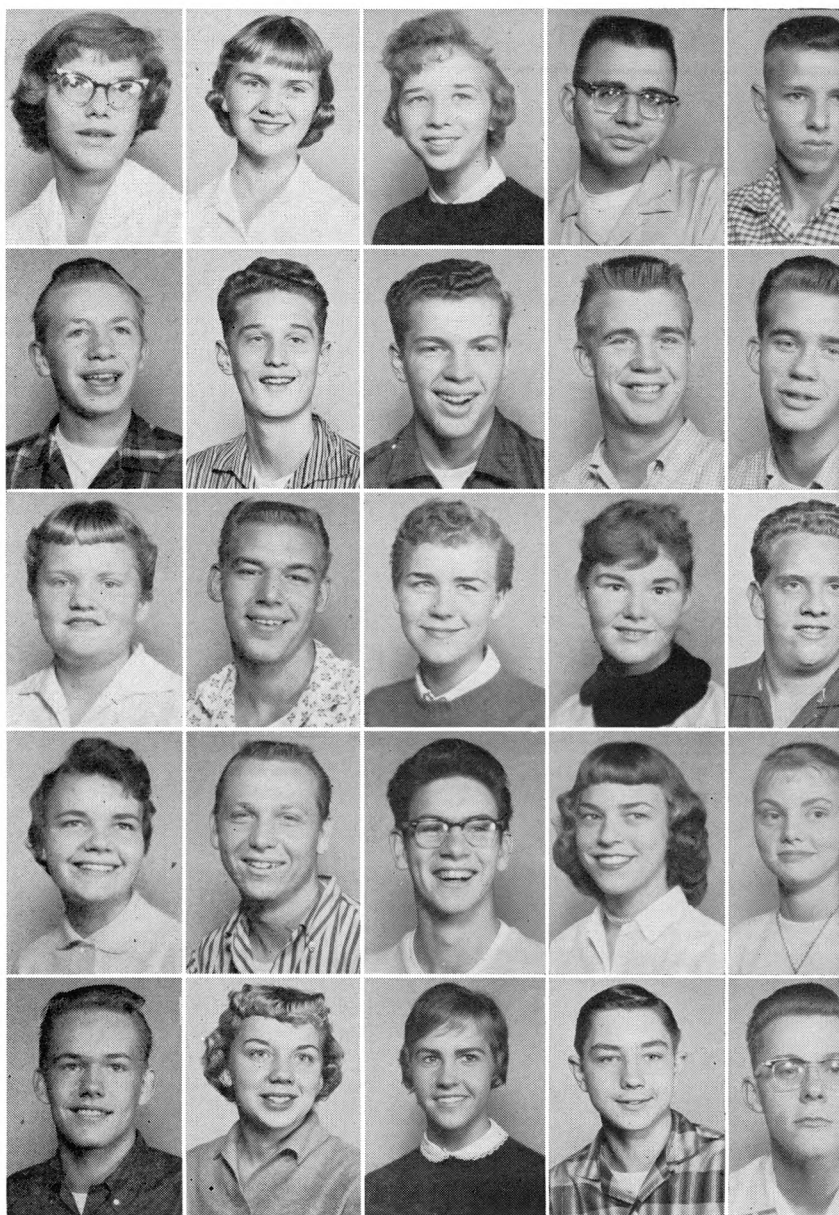

JUNIORS

*The junior's course is charted;
It seems the die is cast.
The journey is half over—
His younger days are past.*

*The once far off horizon
Is just beyond his grasp.
His underclassman days are gone—
This year, too, will go fast.*

*His days are full of basketball
And banquets of all kinds;
The junior goes his merry way,
Till suddenly he finds*

*That now the year is over—
He's a senior now at last!
But some day soon he'll wonder
Why the years must go so fast.*

ACTIVITIES

CHAPEL

*O God, thou hast taught me from
my youth. Psalm 71:17.*

Chapel makes an important contribution to our school life at Timothy. We are thankful for this privilege of taking time for meditation. Our chapel exercises were held every Wednesday during fourth period. Services were conducted by our principal, Rev. Youngs or a guest speaker. From the spoken word we were reminded of our responsibilities as Christian youth to God and our school.

Mr. Qualkinbush directed the singing and was assisted by one of our many pianists. Special music was provided by various groups of the student body.

Woodwind quintet provides special music.

STUDENT COUNCIL

Democracy In Action

Campaign parade for Bill Loerop.

The Student Council plays an important part in our school life. Two representatives elected by each homeroom form this group, which meets every week.

After an exciting campaign last spring, the student body elected Bill Loerop president. Under the leadership of the officers and faculty adviser, various projects and activities were sponsored for more fun and funds for Timothy. Among the activities this year were the magazine campaign, Homecoming, Counter-Courting Week, and the annual Awards Banquet.

Miss Bean, sponsor, and editor-in-chief Don Swierenga make plans for the next picture.

Anyone who has not been on an annual staff does not realize all the work that goes into its publication. Many hours are put in by each member of the staff. The editor and advisor spend much time working with the staffs and organizing the yearbook.

Beginning in the summer, the editors planned the layout of the *Saga*. Then the staffs went to work. Through the efforts of all these people, the *Saga* was produced, giving others a view of Timothy and preserving for us the memories of school life at Timothy.

TRUMPET *Heralds The News*

Being in the Press Club involves a great deal of hard work. Deadlines have to be met; sometimes articles have to be written even when there seems to be no news. A great deal of time is spent on the *Trumpet*; most of it is after school time. It takes an imaginative mind and a willingness to work to be a member of the staff. A great deal of credit goes to the *Trumpet* staff and its sponsors for the wonderful job that they have done during the past year.

HONOR SOCIETIES

Timothy's honor societies are a symbol of the high academic achievements of our school. The Junior Honor Society is composed of sophomores whose grades have met a required B average throughout their freshman year. The grades of the upperclassmen in the Senior Honor Society have remained high for all their high school years. We are proud of those whose efforts and abilities have placed their names on the roll of the National Honor Society.

From these nominees the final choice is made by the Administrative Council of the faculty.

On behalf of the student body and the faculty, we extend to these young people our congratulations for their well-deserved recognition.

BAND

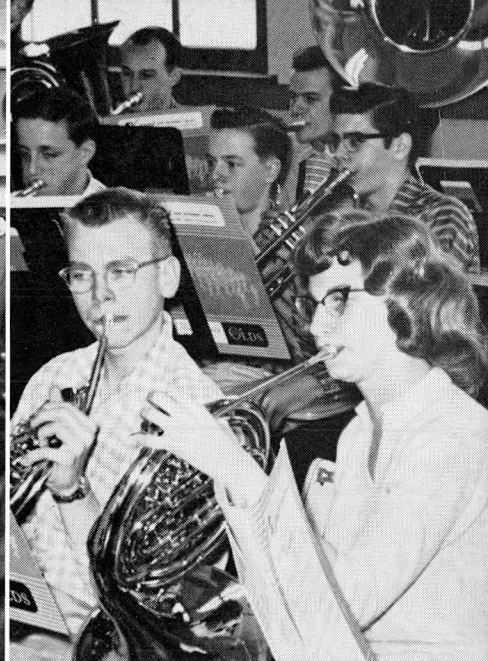

This year the band was privileged to enjoy a two-day tour. This trip to Purdue University and many towns along the way was the highlight of the year. Five concerts were given and a recording, which was later played over the radio, was made at Purdue.

Under Mr. Qualkinbush's direction, the band presented its annual fall, Christmas and spring concerts. Other performances included chapel and special assemblies, and participation in a Memorial Day parade.

Long hours of hard work and practice by both band and director kept up Timothy's tradition of an outstanding band.

The A Cappella Choir, directed by Mr. Qualkinbush during the first semester and Mr. Baar during the second semester, had a very successful year. GLEE CLUBS

Among the various organizations added to the curriculum this year, were two new branches of the music department. The main difference between the glee clubs and the choir was that the latter was composed of mixed voices.

Mr. Qualkinbush directed these groups at their weekly rehearsals. Their music was enjoyed during chapel services and at concerts.

ASSEMBLIES

The student body of Timothy looked forward to this year's assemblies with eager interest. The assemblies were planned by the assembly committee, whose goal was to provide entertaining and educational programs. These programs consisted of movies, entertainers, or lecturers. Pep rallies were also frequently held to learn new cheers and keep up enthusiasm.

This Is The Life

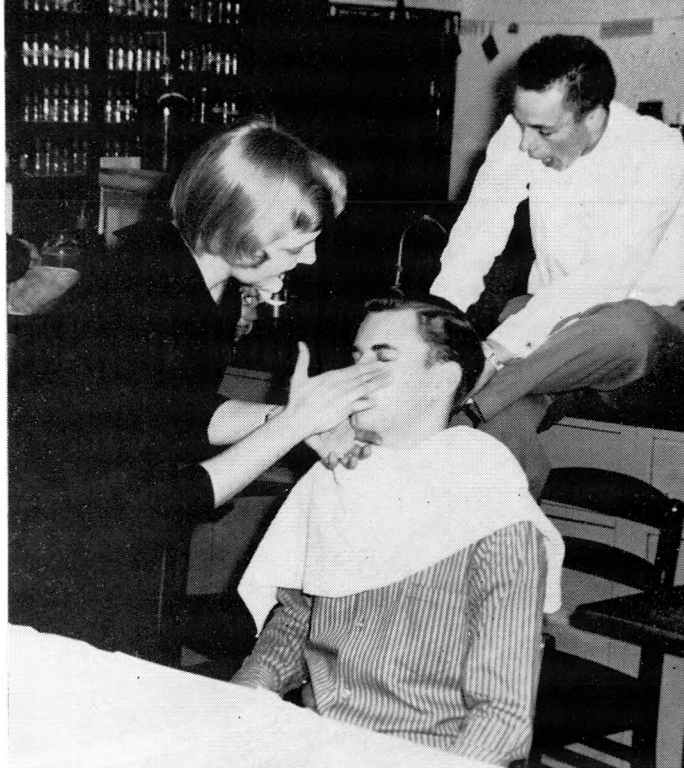

THE SENIOR PLAY

Outstanding! Terrific! Very good! These were some of the comments heard after the senior play "This Is The Life."

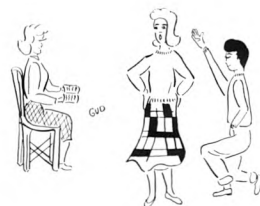

The plot of the play centered around the religious differences of two small town families, the Fishers and the Stevens.

Grampa Fisher, with his strong Christian philosophy, helped solve the problems that arose. Romance, valuable missing stamps, and a basketball scandal highlighted the action of the play.

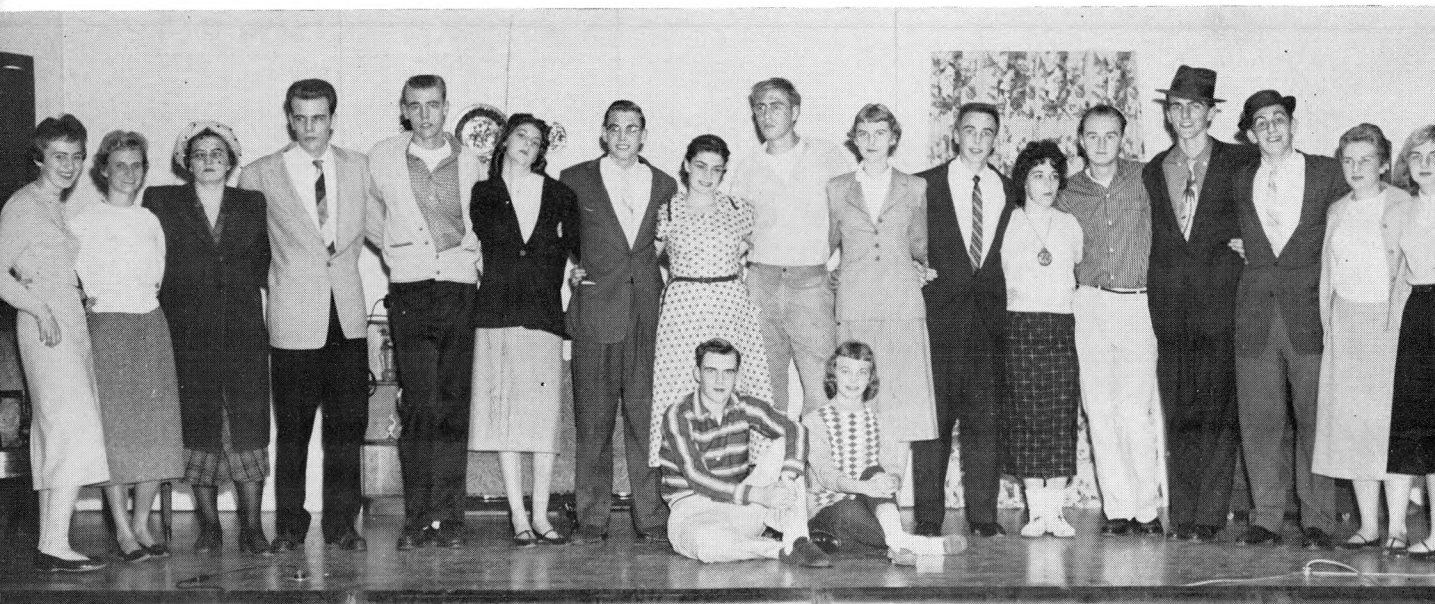

Although the members of the cast spent many long hours in memorizing and rehearsing, they had the satisfaction of a job well done.

Jay Pruin gets made up by Mrs. Prins, while Ken Loerop waits his turn.

JUNIOR PLAY

A combination of humor and drama made the junior play very successful. The play centered around Mr. and Mrs. Gilbreth and their twelve children. The older children, to the horror of their strict father, tried to grow up and become modern. The children finally discovered that father had their best interests at heart after all. Because of the united efforts of the cast, committee, and directors, the junior play was a tremendous success.

CAMERA CLUB

ROVING SHUTTERBUGS

This year the Camera Club has had a very active season. The club had many enthusiastic members, who, being the best of camera fans, were interested in all the phases of picture making. The group met every Monday, eighth hour, under the direction of Mr. Triezenberg.

The members of the club sponsored many projects and were able to purchase their own equipment and materials from the money they earned. The club took many field trips during which they had opportunity to put their knowledge to use.

Mel Decker tells Kathy Huiner how to pose for her picture.

PHY-BI-CHEM CLUB

Encouraging an active interest in science is the Bhy-Bi-Chem Club, which is under the sponsorship of Miss Bossenga and Mr. Triezenberg. As the name indicates, physics, biology, and chemistry are the fields of interest of this newly organized club. The only membership qualification is an interest in one of these phases of sciences. Meeting once a week, the members held discussions, saw films, and set up their own projects. They also took tours and field trips and entertained guest lecturers.

COUNTER- COURTING WEEK

Bill Huiner smiles as Karen Mulder pays the check during "twirp" week.

Ladies' Choice

With a rush somewhat resembling Sadie Hawkins' Day, Counter-Courting Week began. The girls were given, for one week, the opportunity of asking boys for dates. All courtesies were reversed, including, of course, paying for everything. Basketball games, tobogganing, and other activities gave the girls their big chance.

ALL SCHOOL PARTY

A TRIP TO OUTER SPACE

"Five-four-three-two-one-zero!" With this countdown, the juniors started us off on our space trip. After such a take off, the annual All School Party could not help being a success. Clever games, food, and decorations carried out the theme very well. The space trip gained its objective, for everyone enjoyed the party. Even the freshmen, who were submitted to their traditional initiation, had as much fun as everyone else.

SPORTS

VARSITY BASKETBALL

Trojans Total Twenty Wins

Smashing through to one victory after another, our boys' varsity completed the best season in Timothy's history—twenty wins and one loss. With school spirit at its highest peak, spectators flocked to the games to cheer the team on.

Luther North, undefeated in the Private School League, gave our Trojans a good fight in one of the closest and most exciting contests of the season. But our team came through to win by three points, whipping them for the second time. Another of the high points of the season was the game with Chicago Christian. The traditional rivalry between the two schools made this a tense, exciting game. Although the half-time score was only 8-8, Timothy pulled ahead in the second half to win by ten points.

With excellent coaching by Mr. Prins, and with the splendid teamwork and fighting spirit of the boys, the team has made Timothy swell with pride.

BOYS' FROSH-SOPH TEAM

The frosh-soph team, although not as successful as the varsity, had a good season. Having lost nearly all of last year's first string players, the freshmen and sophomores nevertheless played their best and completed their season with twelve wins and eight losses. These players show strong prospects for Timothy's future varsity team.

GIRLS' JUNIOR VARSITY TEAM

The junior varsity is a stepping stone to the varsity team. Miss Kingma kept the girls in good condition and did a good job of coaching. The team participated in six games resulting in four wins and two losses.

Girls Take Trophy

Marilyn stretches to recover another rebound.

The girls' team was off to a good start this year because all of last year's players returned and therefore had a year of practice and experience behind them. In addition to its many regular games, the team entered two tournaments. The first one, which took place during Christmas vacation, was single elimination and the girls dropped out after their second game. The second tournament was a different story. The girls came up from the bottom to take the trophy for second place. This tournament was played according to the Amateur Athletic Union rules. These rules resulted in fast and exciting games which were enjoyed by both players and spectators.

Inspiring the team and keeping the spirit high in a game is the job of the cheerleaders. Under the leadership of Miss Bean they spent many hours practicing and working on new cheers. Wearing new red and white outfits, they chanted, yelled, jumped, and cart-wheeled to cheer our boys on to victory.

HOMECOMING

Timothy Welcomes Alumni

For the first time in the history of Timothy, a homecoming queen reigned over the alumni-varsity games. The student body chose Marlene Van Der Velde as their first queen. Her court consisted of Jeralyn Davids, June Huizenga, Willow Helmus, and Barbara Evenhouse.

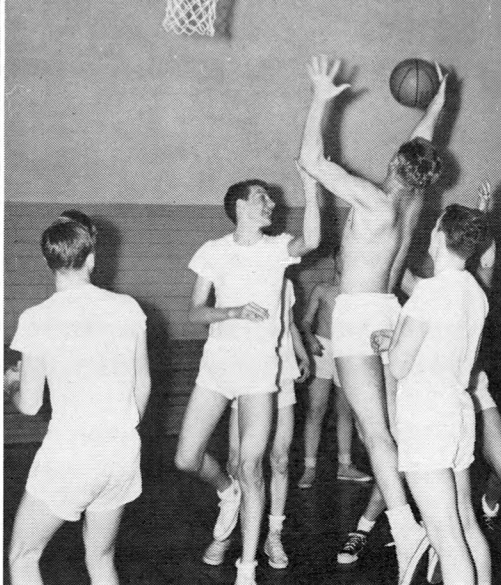

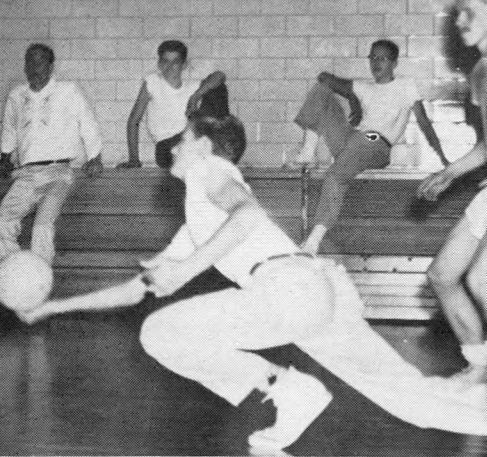

On the day after Thanksgiving the traditional games between our varsities and the alumni teams were played at Lincoln School.

Although the girls' game was close, our girls defeated the alumni. The boys did not have much difficulty winning their game. During half time, Bill Loerop presented the queen's court and crowned the queen.

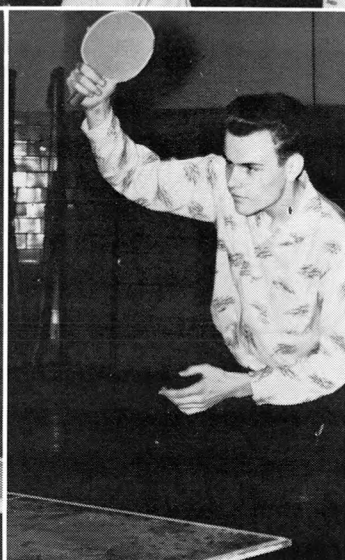

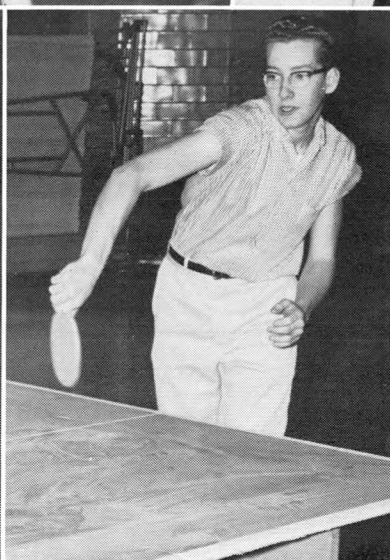

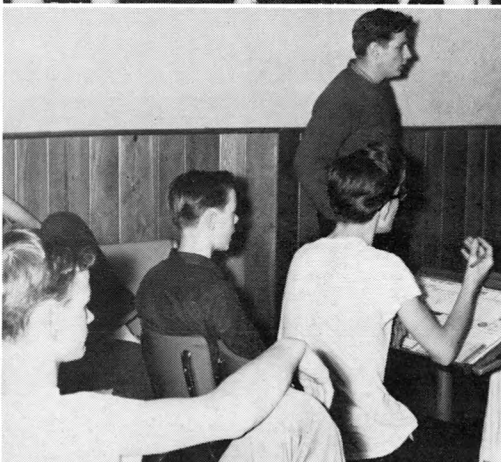

After the games, all letter winners, seniors, and alumni returned to Timothy for refreshments. A program was given which included a talk by an alumnus, some numbers by the boys' quartet, and selections by the sophomore Dixieland band.

Student Council President Bill Loerop, assisted by Judy Visser, crowns Marlene queen.

Intramurals added variety to school life by providing competition among students and classes. Such sports as basketball, volleyball, ping-pong, and bowling were organized so that anyone and everyone could participate.

More Than
MIDAS' TOUCH...

Today success is often measured by material wealth.

Self Help Mutual takes this opportunity to extend its congratulations to you! We believe, however, that success in life consists of more than "Midas' Touch"...**REAL SUCCESS** is measured by what you *put into* your chosen profession, vocation or advanced studies...not what you get out of it. It is our hope that you will have the satisfaction of attaining **REAL SUCCESS!**
