# FOREWORD

Pathways are lifeways, we walk them for

good or for ill. For the Christian there is

light and direction in the Word of God.

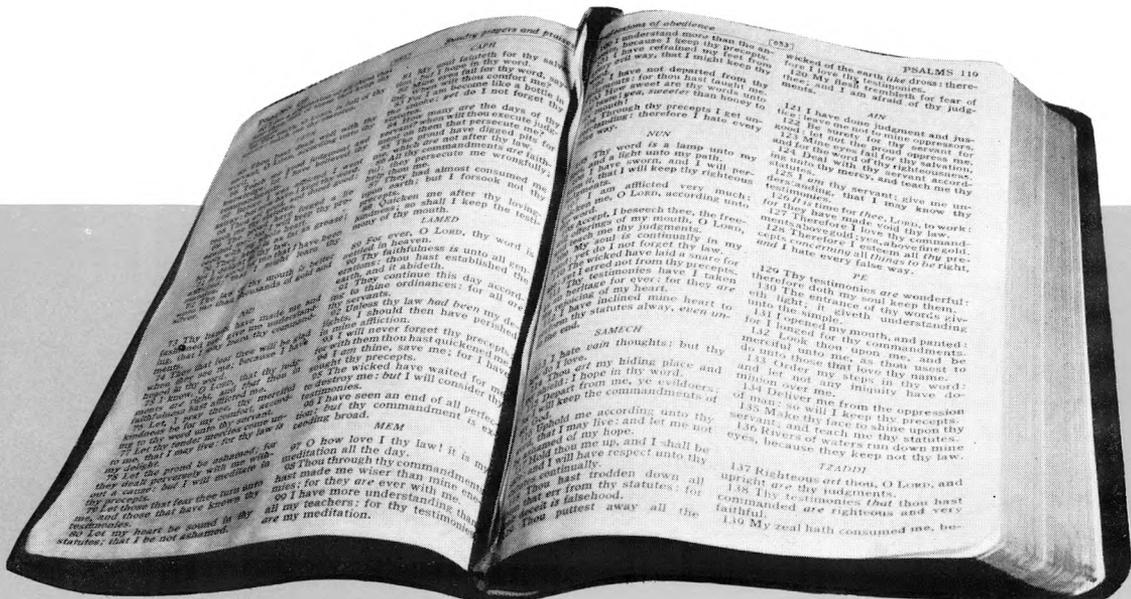

In our four years at Timothy the Word  
of God has given us guidance in our school

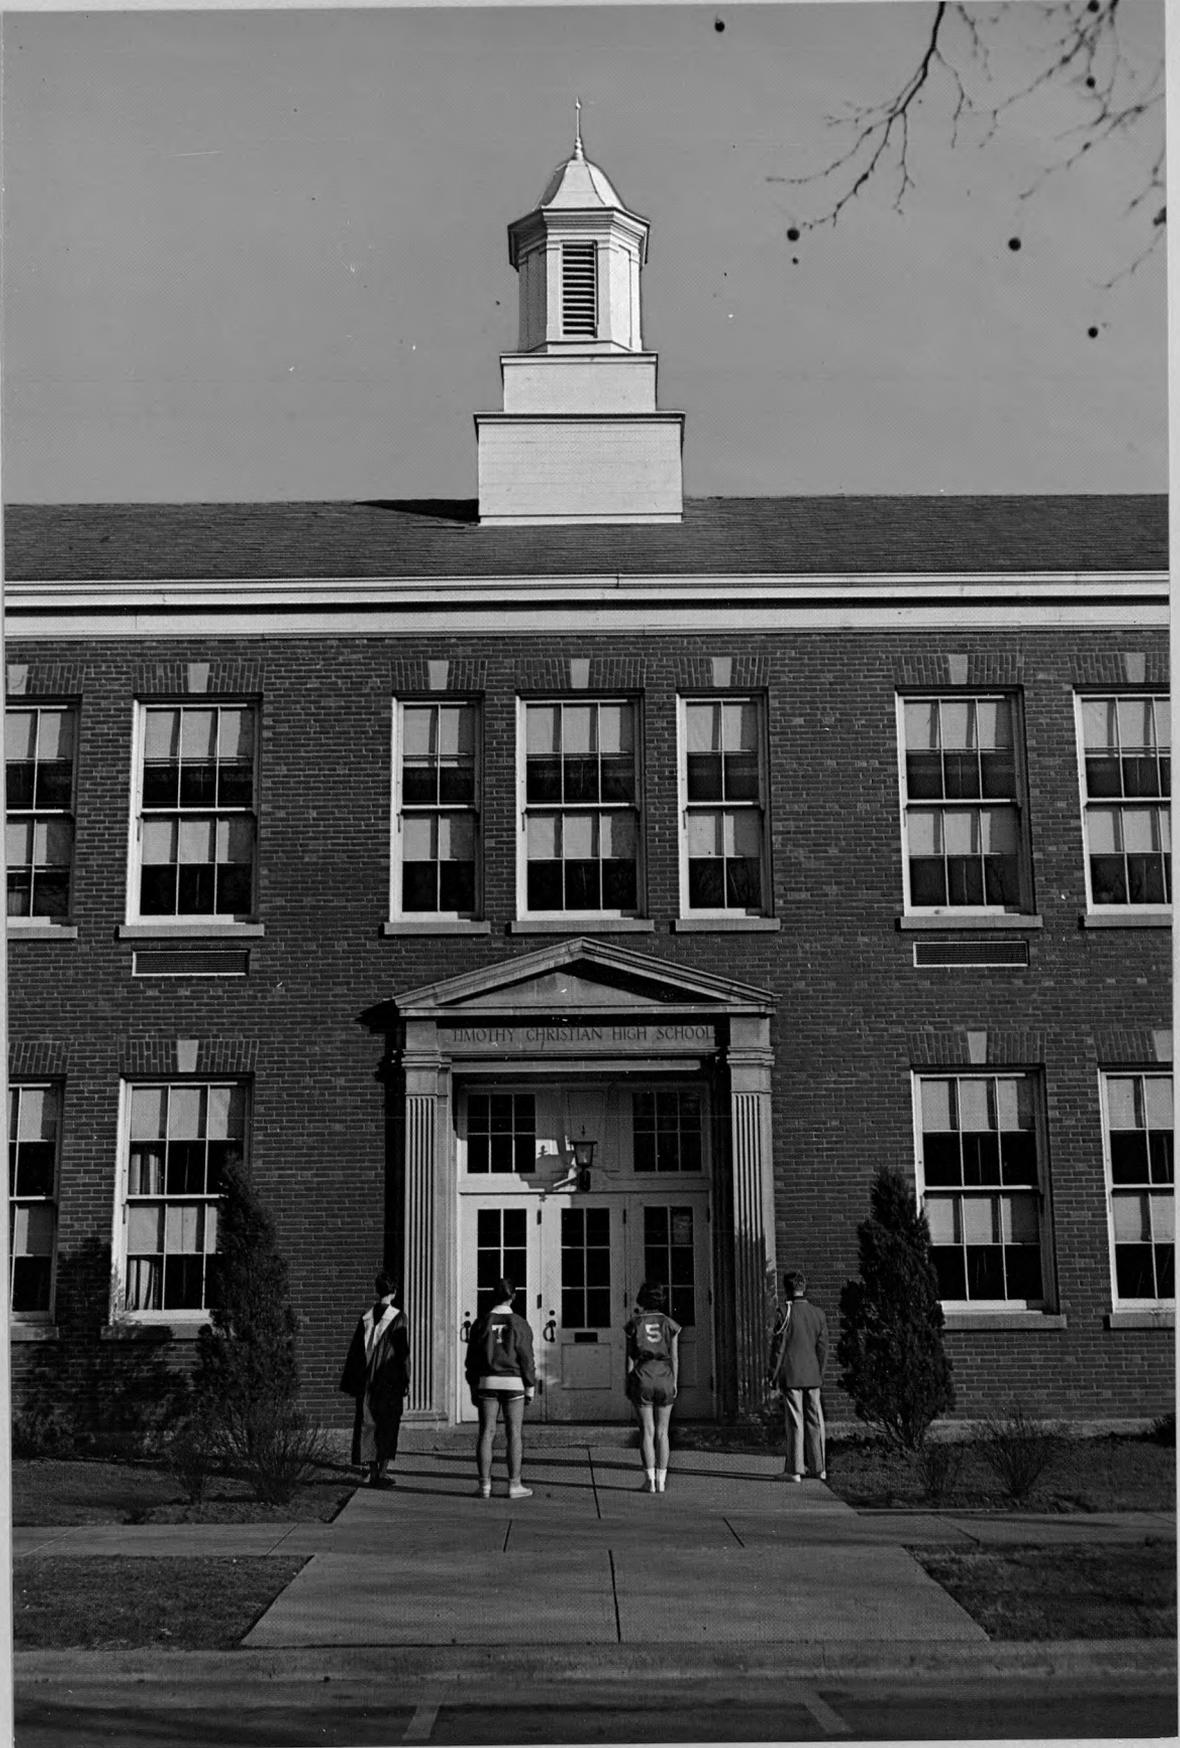

activities and in our personal life.

Follow our footsteps through this book and you

will find evidence of God's leadership.

To Him be the praise and glory!

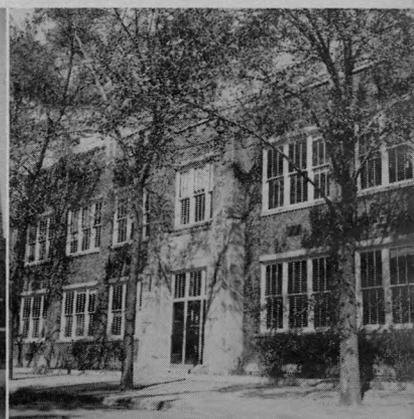

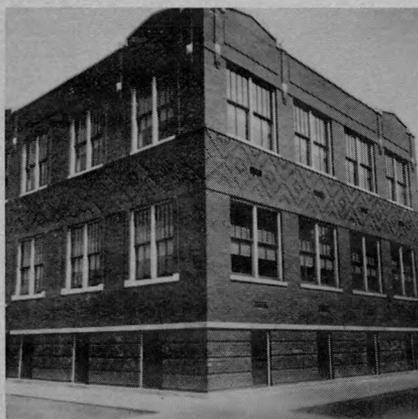

# WE DEDICATE

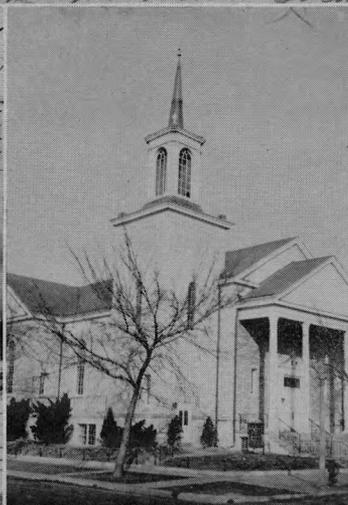

*to those who think big,  
pray hard, give much*

*Our first home, Our growth, Our beginning,  
Our foundation, Our Strength, Our future.*

Fifty years ago five men met on the West Side of Chicago to organize a Christian Grammar School. They felt the need of providing for their children an education that would honor and glorify God. This goal was realized, and Ebenezer came into being. The blessing of God was later to add the Timothy School. When shifting populations forced a change, these two schools merged into the present Timothy Schools. Now increased growth makes real the need for a new high school building. "Hitherto hath God led us!" With gratitude to our Covenant God for the devoted men and women whose efforts have made these schools possible, we, the Class of 1958, dedicate this Annual to the TIMOTHY CHRISTIAN SCHOOL SOCIETY.

In accordance with the high standards of our school, the Board obtains Christian teachers who guide us in the paths of wisdom. We should be thankful to God for giving us these Christian leaders.

# OUR PRINCIPAL

The value of an education lies in its ability to elicit from the individual his native capacities and in its ability to relate him to the cultural framework in which he lives. Every Timothy graduate should know that in him dwells the footprints of God his Maker. His conduct and his use of his abilities ought to be a constant revelation to the world of his Saviour. To every Timothy graduate has been given knowledge of the footsteps

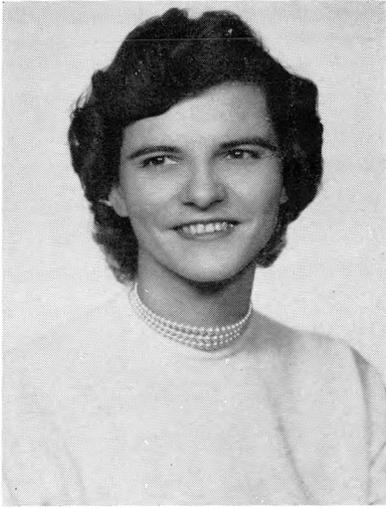

*Parents, plans, or problems?*

of the past, the heritage received from our fathers. To you graduates there is intrusted the responsibility for the footsteps that make history today and tomorrow. May God bless you each step of the way.

# LOOKING AHEAD

Once again Timothy is venturing out to meet new horizons. Property has been bought, plans have been drawn up, and a new school is in the making. Many obstacles have been met in the past and many are yet to come, but with God's help, the Christian education of our children will be secure in the future.

# CLASS HISTORY

Four years of high school are over for the class of 1958, and another milestone in our lives has been reached. As we look into the past we see PROGRESS, which is an important part in the development of any class and for which we are most grateful.

Our first two years it seemed as if we hadn't walked very far, although we must have progressed to reach our Junior year which brought class organization under the leadership of our sponsors, Miss Bossenga and Mr. Nawyn. After electing class officers—Nick Wieringa, President; Bern Tamelng, Vice-President; Grace Overzet, Secretary; Dot Rozendal, Treasurer; and Linda Rozema, Vicar—the school activities seemed to take on real meaning.

In the fall of that year, as Juniors we sponsored the annual All-School Party and gave everyone in the high school an opportunity to get better acquainted with each other. Then in the spring the play, "The Family Nobody Wanted" was presented.

Through these and other various activities we were able to raise money for a gift to our school and for our class trip.

In the fall of 1957 we were "SENIORS" and what goals we had in mind! So with much energy and loads of enthusiasm we started

up the paths of activity and accomplishment. Officers elected were President, Bob Van Poolen; Vice-President, Bern Tamelng; Secretary, Marge Belgrave; Treasurer, Beverly Bulthuis; and Vicar, Eleanor Vander Velde. Our first project was the presentation of our senior play, "The Hoosier Schoolmaster." This was followed by several luncheons, a skating party, car washes, and the selling of pop during noon hour.

As we were stepping along, we finally reached our dream—the trip to Washington, D.C. and its surrounding countryside during spring vacation. What a week of beauty it was to behold those cherry blossoms, and see God's wonders in nature all about us! To express our joy could never be written in mere words. Then came the rush of banquets: Junior-Senior, Awards, and the Senior Banquet. Much could be written on each one, but we must hasten on to the last mile on our journey which is graduation. On the evening of Friday, June 13th, 1958, thirty-three seniors walked down the aisle of Oak Park Christian Reformed Church to receive their diplomas. Yes, we had reached the end of our high school days, and all would be starting on another pathway in life under the watchful eye of our Heavenly Father.

*Remember now thy Creator...*

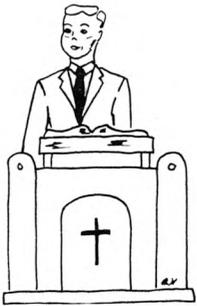

Remember now thy Creator in the days of thy youth . . . these words might well be a topic for meditation at one of our weekly chapel services. Throughout the past years the student body has been spiritually enriched through this medium. Rev. Youngs or a guest speaker led this devotional period with a brief message from God's Word. From time to time special music was presented by the students. The importance of our chapel services cannot be over emphasized, for here is truly a mark of distinction which sets apart a Christian school from a public school.

# A CAPPELLA CHOIR

Music is one of the greatest gifts of God, for it is an expression of the soul. In song the a cappella choir of Timothy brings forth its expression of praise and honor to God, the Giver of all that is good and perfect.

Looking back on this past year, the memories that will be cherished are the Music Festival, the Christmas and Spring concerts, and the singing in chapel. Since the Bible instructs us to praise God with singing, may the choir continue to be a vital part of Timothy.

Timothy's Senior Band has grown both in size and quality this past year. The combined efforts of the band and its director, Mr. Qualkinbush, made this possible. With the beat of the drums, the blare of the brass, and the melodious sound of the woodwinds, the band thrilled many hearts at its concerts throughout the year. Their performances included the annual Christmas and Spring concerts and several assemblies, but again the highlight of the year was the trip to Calvin College in Grand Rapids.

# STUDENT COUNCIL

Composed of representatives from all four classes, the Student Council is the student-governing body of the school. Meeting weekly, this group has for its purpose the promotion of ideas to improve school life.

This year the council has sponsored the yearly magazine campaign and Courtesy Day, Kangaroo Court, skating parties, and counter courting week; it has also presented several special chapel services. Rev. R. Youngs and Mr. Vander Woude have assisted in making these activities successful.

# TIMOTHY TRUMPET

Reporting and keeping abreast of the latest developments in school is the job of the Press Club. Through them our school paper is published monthly. This includes getting ads and searching for humorous items of interest. The capable sponsors are Miss Van Til and Miss Schultz with Mr. Nawyn as business advisor.

## SAGA STAFF

SAGA means a tale or story. The staff is chosen to tell the story of Timothy. Many do not realize the long hours of hard work that go into making an annual. Pictures must be taken, sketches drawn, articles written, funds collected, and the material typewritten until page after page the tale is recorded. We of the '58 SAGA staff hope you will enjoy reading this book as much as we have enjoyed compiling it.

Intellectual curiosity, effort, and natural ability are characteristic of these students who have a "B" average or better. The Junior Honor Society, which has its membership in the Sophomore Class, is a stepping stone to the Senior Society, composed of Juniors and Seniors. Both groups deserve praise for their work in keeping their grades high throughout their High School years.

## SPECIAL ASSEMBLIES

Frequently during this past year a special assembly brightened the day for Timothy's students. Varied, educational, and always interesting, they provided everyone with relaxation and enjoyment.

## CAMERA CLUB

Many were the activities of the Camera Club under the direction of Mr. Triezenberg. The members did their work on an individual basis rather than as a group. The improvement of photographic skills was the subject of the slides and movies shown, while field trips demonstrated the practical application of what they learned.

# SENIOR PLAY

Comedy, mystery, and romance were blended to perfection. A talented cast portrayed Hoosier life a century ago. It depicted the story of a schoolmaster and the problems he had adjusting to the Hoosier way of living. This play proved the age-old adage: "The teacher is always right."

Many hours of hard work—on the part of the cast, the directors, and the many committees—went into this production.

# JUNIOR PLAY

## CAST

Humor and drama were skillfully combined to make a thoroughly enjoyable play. The plot centered around a small town doctor and his son, who after much persuasion took over his father's practice. The united efforts of actors, directors, and committees made this play a worthwhile experience.

## ALL SCHOOL PARTY

"Shipwrecked" was the theme for the All School Party this year. Sponsored by the Juniors, this event supplied an evening of fun for all. An old treasure chest, miniature monkeys, and coconuts seemed to make the theme complete.

# COUNTER COURTING WEEK

"Twirp" week is an annual event at Timothy sponsored by the Student Council. This gives the girls an opportunity to date the boys of their choice. The expenses for the date are paid by the girls, thus affording the boys a welcome change. Activities that occurred during this week included the Calvin Band Concert and a basketball game.

# VARSITY BASKETBALL

Mr. Prins  
 Coach

Daily practice and training was the formula Mr. Prins used for their outstanding season. Backed by avid fans, the varsity team played well throughout the year. The biggest thrill of the season was the game with Chicago Christian, the final score being 64-63 in overtime. High scorer was *Bill Lenters* with *Bill Loerop* coming in second. Ending the season with a good record of twelve wins and seven losses, we are hoping for an even better team next year.

## FROSH-SOPH BASKETBALL

Scrimmage, strategy, and spirit made this season one of their best. Ending the season with seventeen wins and only one loss, this team promises to be an excellent future varsity. Again Timothy has excelled as a result of the effort and success of both Mr. Prins and the boys.

Through a regular schedule of games and practice with the varsity this year's Frosh-Soph team gained valuable experience and skill. This can be put to use on future varsity teams.

## VARSITY CHEERLEADERS

The incentive to win in basketball was provided in part by the varsity cheerleaders. Now a coed group, they have done much to promote good sportsmanship and school spirit. Additional stimulus was provided by the Pep Club conducted by Miss Bean.

*Get that ball, Lenters!*

A smashing success—these are the words that can be used to describe Timothy's initial homecoming. Anticipation and enthusiasm were high, and rightly so. The games were close to the very end. This exciting event was sponsored and promoted by the newly organized Lettermen's Club.

## HOMECOMING

## FACULTY VARSITY GAME

Their game with the faculty was the finale to the varsity team's successful season. Laughter echoed through the gym as the faculty paraded across the gym in their knee-revealing bermudas. The game was close, but the varsity added another "win" to their record.

# INTRAMURALS

Within our school minor sports play an important role. They stimulate good relationships among the students and give everyone an opportunity to participate. Basketball, bowling, ping-pong, and volleyball are some of the sports which are included in this program.

## BASEBALL

Play ball! That cry from the umpire set off a chain of events for our boys this year. Stressing teamwork, Mr. Prins shaped our baseball team into an effective unit. The crack of the bat, and the whiz of the ball marked every game our team played, and many homers peppered the season with excitement for all.

Newly organized this year, the Lettermen's Club, as its name indicates, is composed of letter winners. It is rather unique in that it is a co-ed organization. The aim of this club is to promote the athletic spirit of our school. They successfully sponsored this year's Homecoming Game.

## SAGA, (A Story)...

It has been told, YOUR SAGA, and we offer our heartiest congratulations to you, the graduates of Timothy.

Your excellent annual recalls the honors, the headaches, the hopes of your class. This fascinating narrative had a humble beginning, but the systematic application of hard work and determination has brought you to this day of great joy.

For the unknown future, the same systematic hard work and determination will be a requisite for a real success. We at SELF HELP MUTUAL would count it an honor to share in your future. Our agents are equipped to bring you sensible, systematic plans to help you attain your financial goals.
