## **HANDS AT THE HELM**

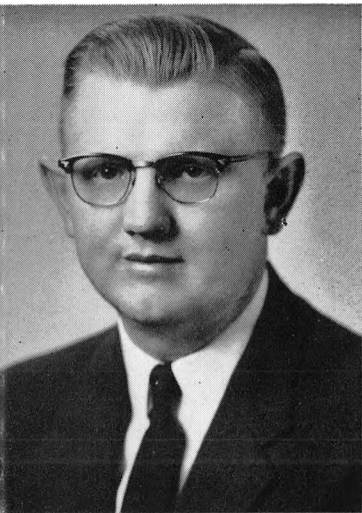

This world of ours moves on the wings of song. The Bible tells us that "the morning-stars sang together." Christianity is a religion of music — "let us sing a new song unto the Lord." A SAGA is the song of heroes, of strong men and women. As graduates of Timothy our anthem should be the song of the saved, dedicated to the service of the Lord, strong to do His will. God grant that you will be good witnesses of the things that you have been taught. Remember Timothy, and give praise to the Lord!

# CLASS HISTORY

In September, 1953, we entered as the Freshman class of Timothy Christian High School. At that time we never would have imagined what the next four years would hold. Now as the graduates of 1957 we look back over our high school years at Timothy.

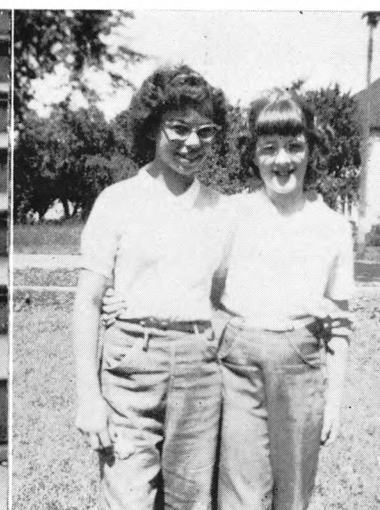

During the first half of our high school education, we didn't do much as a class, but in our Junior year we began to make up for what we hadn't done. We began to hold class meetings and elected officers who were: President, Ken Kieft; Vice President, Henrietta Weidenaar; Secretary, Marilyn Blauw; and Treasurer, Lambert Van Poolen.

*The Big Three*

*Shirley M.*

*Judy an' Shirley*

In October of that year we gave the All-School Party. This was a good opportunity for everyone to get acquainted, especially for the Freshmen. Then in November we sponsored a Box Social supper at school. The girls prepared pretty boxes filled with delicious food, and the boys did their part by bidding for each box.

About a month before graduation, came the big event, the Junior Senior Banquet. We as the Junior class gave this banquet in honor of the Seniors. It was truly an event we shall always remember.

Before we knew it, September had already come and we were now the Senior class. We decided to elect new class officers. Our new officers were: Henry De Boer, President; Betty Dykhuizen, Secretary; Muriel

*Continued from Page 32*

Huiner; and Treasurer, Kay Youngs. With these officers we entered our final year at Timothy.

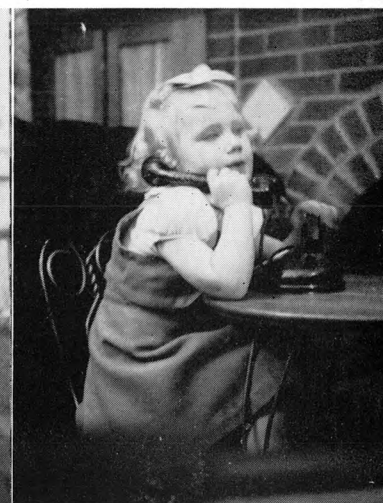

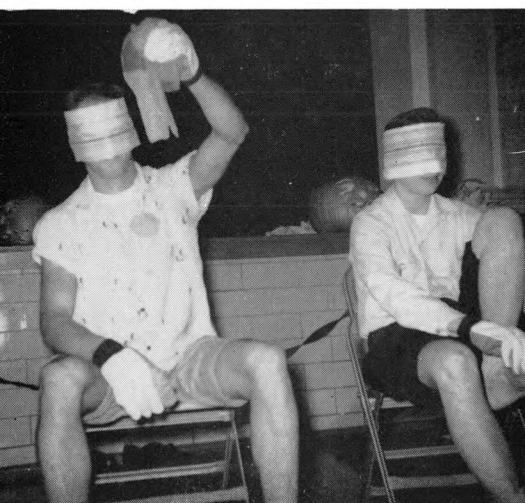

For the first time an election was held for Student Council President. The three candidates; Joan Tameling, Jim Bulhuis, and Ken Kieft, were from our class and we were proud of each one.

In October we gave our Senior play, which was none other than David Copperfield. Each of us helped and worked to make it a success.

We had many different affairs to raise money for our class trip and class gift. We had luncheons, car washes, another Box Social, a miniature paper drive, and also sold pop at noon hour.

April 22nd was the day we had worked so hard for. As we boarded our train for Washington, D.C. we realized that we had come a long way since September 1953, when we had first entered high school.

June 14th, as 45 graduates walked down the aisle of Ebenezer Church, we all realized that we had a lot to be thankful for. Though we split up and go our separate ways, our hearts shall always be united back at Timothy, the school we have all learned to love. Our thanks shall always go to our Christian teachers who molded our lives in the right way.

*What's that, John?*

*Marilyn B. and her smile.  
Guess!*

The managers, as usual, have had a busy season. Their efforts in handling the equipment and uniforms has been greatly appreciated by all those connected with the teams.

The captains of the varsity this year are John De Vries and John Batjes. They have been the two sparkplugs for the team this year as well as in past seasons. John De Vries scored 254 points for 13.9 average per game and John Batjes scored 360 points for an average of 18.9 per game.

## BASKETBALL

Timothy was well represented in Basketball competition this season. The Frosh-Soph had a very good record of 15 wins and 4 losses. The varsity did not fare as well, having 6 wins and 14 losses. The success of the Frosh-Soph team was because of their height and cool headed manner of playing. The reason for the Varsity's record was lack of depth and experience on the squad, not the capabilities of those on the squad, as many of the games were very close.

### WRITING

Many hours of thought and composition went into the words seen and read in the SAGA. Through these words the pictures and the theme of the SAGA become alive.

### FINANCES

Part of producing the SAGA is the procurement of a large sum of money. The excellent financial status of this year's production was provided by our hard working Business Staff.

### PICTURES

Taking pictures was just a fraction of the work done by the Photography Staff. They also developed, printed and enlarged many pictures. As the weeks rolled by, Ralph and Al became a familiar sight in the dark room of the Camera Club.

## A CAPPELLA CHOIR

Timothy's choir, directed by Miss Helen Westra, has grown in size and quality this year. The choir gave outstanding performances at their Christmas and Spring Concerts. Once again our choir wended its way to Grand Rapids in the Spring. Something new was added when the choir sang at the "Civic" at night.

We wish to congratulate the choir on its achievements during the past year.

## BAND

Our band has progressed rapidly this year. This change has taken place under the baton of Mr. Qualkinbush and by hours of practice by the band members.

The band has had several concerts this year, took part in assemblies, and marched in parades; all of which made T.C.H.S. proud of her band.

The highlight of the year was the trip to the Grand Rapids Band Festival.

# ALL SCHOOL PARTY

As the school years roll on, we look forward each fall to our all-school party. As is the tradition, this all-school affair is sponsored by the Junior Class.

This school year the party was planned around the theme of Harvest. The decorations were complete with corn stalks, pumpkins, and corn brought straight in from the fields; even high harvest moon shone down on the group.

## CAMERA CLUB

The Camera Club had been inactive during the last year, however, this year it was reorganized.

This year Mr. Treizenburg is the leader. There are approximately twenty members.

Mr. Edmund donated some equipment to the school. This was really appreciated by the club because it enables them to do more work in printing and developing.

The club usually meets during eighth hour in the chemistry lab. Black out curtains were put there to make an effective dark room.

The club is learning how to print and develop pictures. They have also learned how to enlarge pictures. Next year they hope to have a bigger and better club.

The Box Social, sponsored by the Senior class, was a great success.

It began with the boys bidding for the girls boxes. After all the boxes were sold, the boys ate with the girls whose boxes they had bought.

The Seniors provided entertainment which consisted of a quiz program. Students were called from the audience and given a chance to show off their brain power.
