# *Conquering The Heights*

# Look To The Future...

See what lies beyond . . . . pray for guidance from God . . . . and CONQUER THE HEIGHTS as they rise before you. These things we have been taught to do at Timothy.

We chose the theme "CONQUERING THE HEIGHTS" because that is exactly what one must do after he leaves high school. Upon graduating, we leave behind the personal help of the teachers; often as we enter college or go to work, we must leave the close guidance of our own families. Our future depends on our background and the education we receive in school. The problems and trials set before us will only be conquered if that background and education have been molded on the basis of our faith in the Almighty God. We are thankful for the Christian foundation which has been laid for us here. We trust that God's guiding hand will lead us through the disappointments and trials, as well as the opportunities, which we as Christian young people will face. Through these experiences are sure to come many moments of happiness in which we will be grateful that we are Christians. All the events of one wonderful year at Timothy cannot be related in one annual. Yet, in this book, we have tried to give you an idea of the life a Timothy Trojan leads; and in doing so, we have preserved for ourselves a small memory of our past year at Timothy.

The title pages of this Saga tell the story of the progress of flight. From the man who first tried to fly with wings to the rocket which now soars in space we can compare the progress Trojans make in Timothy.

# DEDICATION

In grateful remembrance

of the hours of hard work,

the devotion far beyond the call of duty,

the example furnished of Christian manhood,

the help received

through our high school years,

we, the Class of 1961, DEDICATE this Saga

to Mr. Arnold Hoving and Mr. Leroy Prins,

our faithful sponsors and friends.

May it always remind them of us in real affection.

The teachers and the principal  
make up an essential department  
of our school—ADMINISTRATION.

Their leadership has helped the students at Timothy  
lay a concrete foundation for a Christian life.

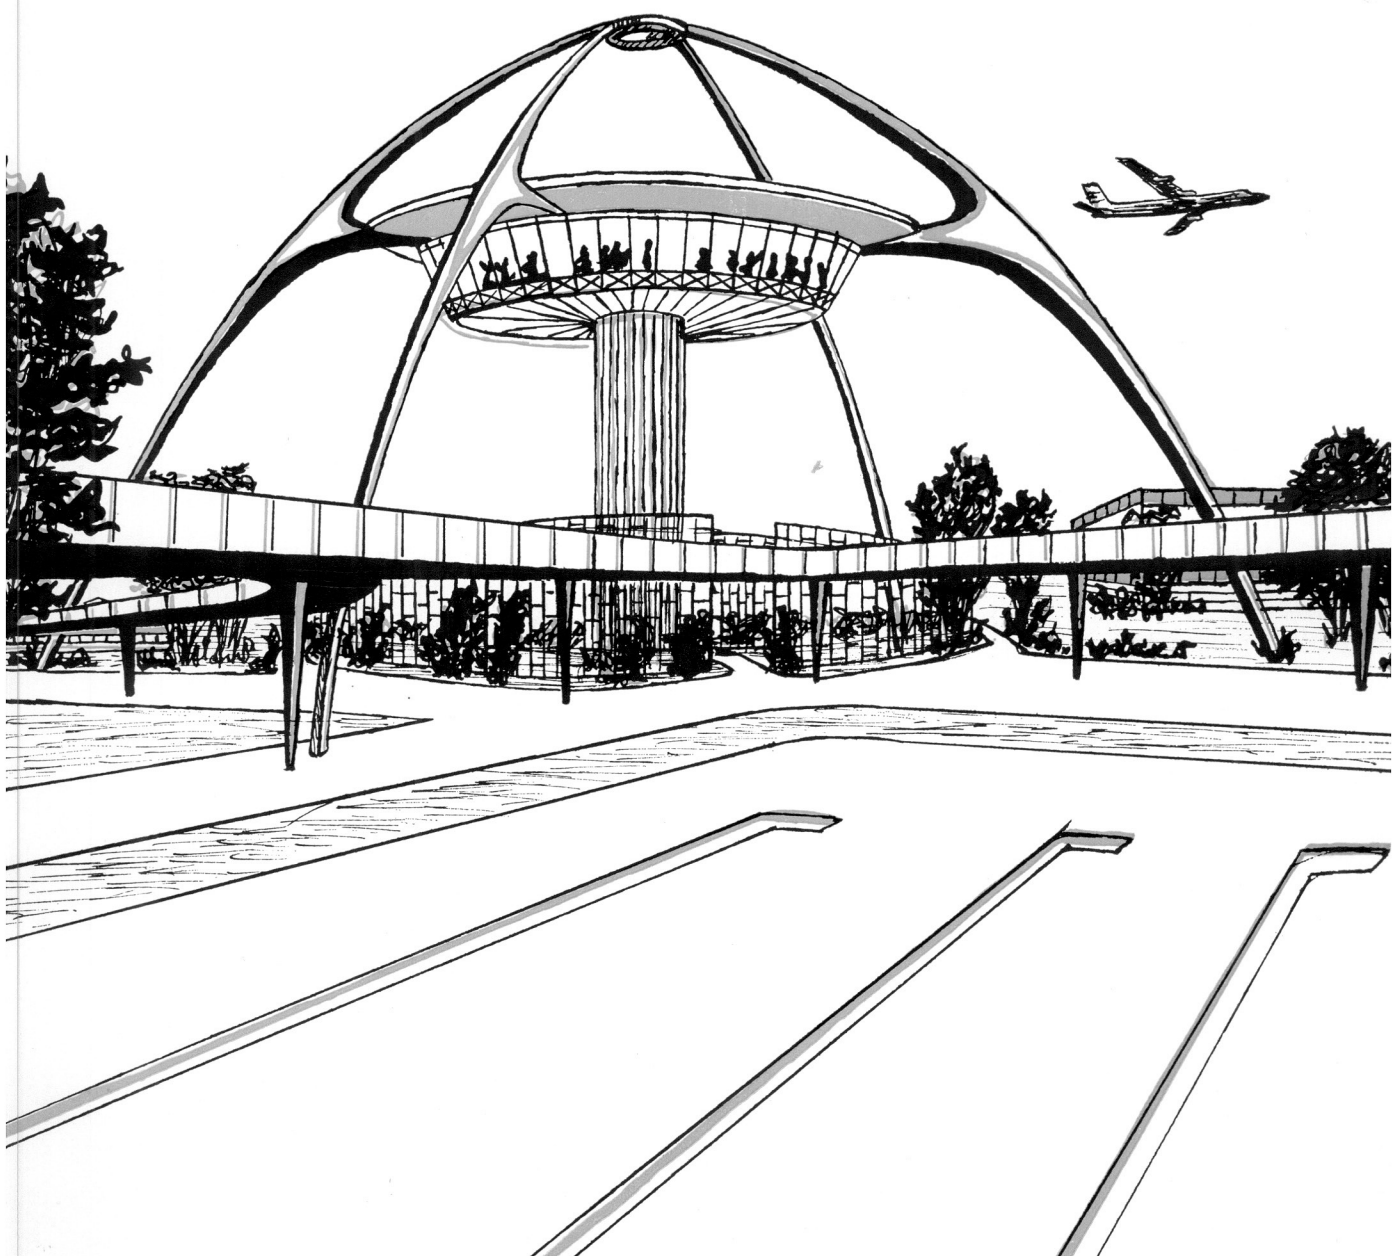

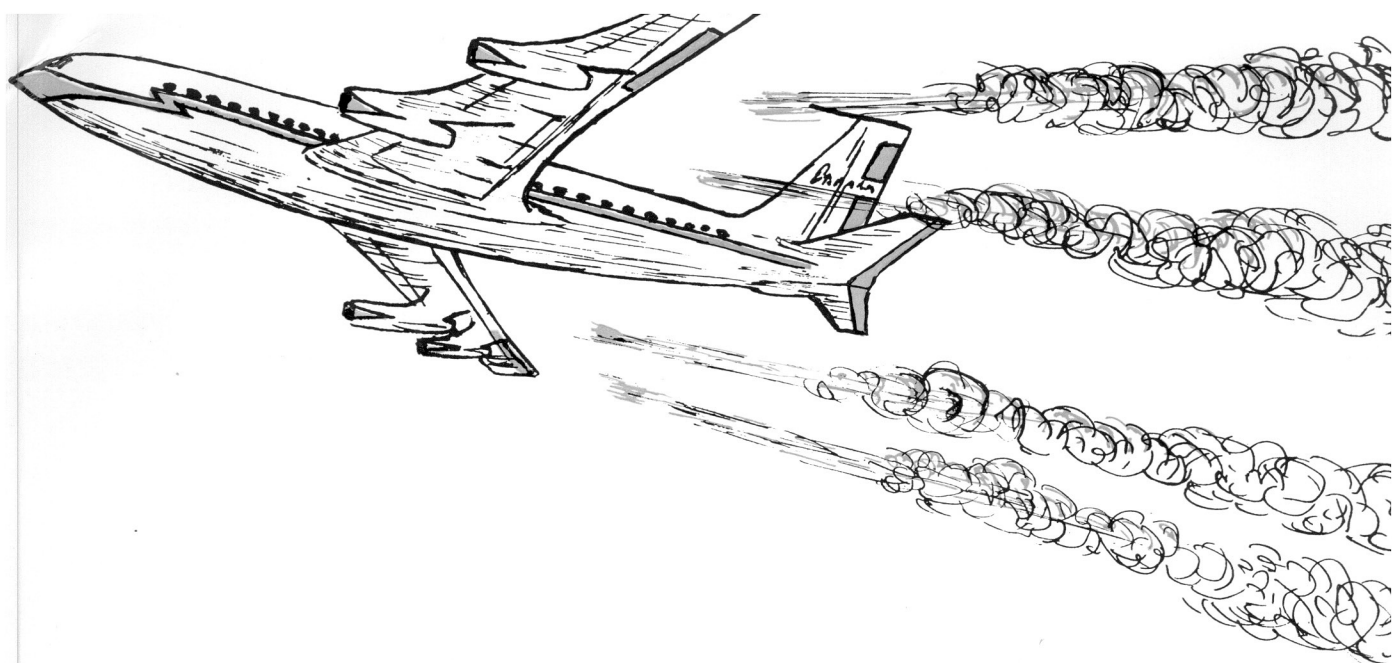

This will enable us,  
as Christian young people,  
to meet the challenge of the future  
which we must face.

Although, while in high school,  
we have not always shown appreciation  
for their never ending patience and understanding,  
these rewarding qualities will long be remembered.

Surely, all the Trojans  
owe a great debt of gratitude  
to these administrators who have given up many opportunities  
and have sacrificed material things,  
for the teaching of youth and the glory of God.

# SCHOOL BOARD

## *Important Decisions Are Made...*

The Board of Education performs many essential tasks in the operation of the school. These men give many hours of service each year without any remuneration except their love for Christian education. The faculty and students of Timothy wish to express their gratitude to the Board for making our school possible. We trust that our future occupations and Christian service may be a source of real satisfaction to these men who have given so much.

## OUR PRINCIPAL

Dear Graduates,

Your theme is an exceedingly appropriate one if you will only remember what the Word of God has to say about it. The Apostle Paul writes, "I can do all things through Christ who strengtheneth me," and in another passage he says, "In all these things we are more than conquerors through Him that loved us." It is possible, therefore, to be victorious, to be conquerors—but only through Christ. Timothy has provided you with a Christian education, and a challenge to completely yield yourselves to God's service. The decision is now yours. It is my prayer for you that you may go forth conquering and to conquer in Christ your Lord.

Your friend,  
Dr. G. Roderick Youngs

## MAINTENANCE

*K. Wassenaar and Mr. Bonnema clean-up.*

# *Work to keep up records and cleanliness of Timothy*

The office duties at Timothy are taken care of very efficiently by our two secretaries, Mrs. Bossenga and Mrs. Essenburg, assisted by Mrs. Boss and Mrs. De Vries. Keeping the records and files, the office staff has served the school faithfully in a job that requires both patience and skill.

To our new custodian Mr. Bonnema and his assistants Ken Wassenaar and Ron Rozema go our many thanks. Although we do not always appreciate them for their many hours of hard work, we do wish to thank them for faithfully keeping our school clean for our daily activities and special events.

Reach for the highest star . . .  
                                 search for the most treasured jewel . . .  
 climb to the highest ladder of success.  
                                 Motivated by a desire to glorify God  
                                 through achieving the objects of their ambitions,  
 GRADUATES of Timothy will always strive to do their best.  
 Through dedicated Christian guidance,  
                                 the graduates of the class of 1961  
                                 have reached many goals,  
                                 in their school activities  
 and in their personal lives,  
                                 which they set out to achieve  
 when they entered high school as freshmen.  
                                 The most important is an understanding of the Bible  
                                 and an awareness of its effects  
                                 on their daily lives.  
                                 Each of the graduates  
                                 now leaving Timothy will have individual challenges  
 and individual goals in his life.  
                                 Each will try in different ways  
                                 to meet these challenges  
                                 and to attain these goals.  
                                 Only the years ahead will reveal to the fullest extent  
                                 the results of having spent four years  
 at Timothy Christian High School.

In September of 1957 fifty eager and excited freshmen entered high school. We were unaware of all the opportunities and experiences of senior high life until they were laid out before us. Our sponsors were Mr. Prins and Miss Schultz. When Miss Schultz left in our sophomore year, Mr. Hoving became our new sponsor. The freshman and sophomore years were devoted mainly to developing new study habits and making this important change from grammar school to high school.

As upperclassmen, we took a more active part in school activities. The junior-senior picnic at Lake Wauconda started our junior year, which promised to be one of many new and thrilling experiences. After officers were elected, our first project was sponsoring the All-School Party, based on a wild west theme. Throughout the year, we sponsored several barbecues, two car-washes, and we sold greeting cards. All these were money-making projects to finance the class trip in our senior year.

"Diet of Dates," our junior play, brought many experiences which will not soon be forgotten by those who participated in it. The biggest event of the year for us was the Junior-Senior Banquet, which was centered on the theme "Rhapsody in Blue." All the planning and hard work that we put into it gave us much satisfaction, and we received many rewarding compliments. Toward the end of the year, the student body elected Derek Brouwer as the 1960-61 Student Council President, and the editors for the 1961 Saga were elected.

At the start of our senior year, we sponsored the junior-senior picnic, once again held at Lake Wauconda, and we also elected our class officers. November found us giving the dramatic play, "Flight into Danger;" its performance was highly praised. Once again we were kept busy with other projects such as barbecues, soda sales, car washes, and our successful attempt at a pancake breakfast.

Finally, on April 3, we left on our long-awaited class trip to Washington, D.C. This proved to be the highlight of our high school years, and we will ever remember its beautiful sights and happy experiences.

Shortly after the trip, we were honored at the lovely Junior-Senior Banquet. We also enjoyed the annual Awards Banquet, where our outstanding classmates were highly honored. The Senior Banquet, followed by the beautiful moonlight cruise, was our last class activity.

On June 16, came the long anticipated day—graduation, when we received our diplomas at the Ebenezer Christian Reformed Church.

We, the graduating class of 1961, now leaving Timothy, taking with us all its treasured memories, and, thankful for our Christian education, will strive to use all our abilities to God's glory and honor.

Almost everyone at Timothy  
can find time to participate  
in the extra-curricular ACTIVITIES.

Aside from being an important part  
of school social life,  
the band, the choir, the many clubs,  
and the numerous other activities  
offer a chance  
to gain much knowledge and experience.  
They also offer the opportunity  
to conquer new heights  
and to set new standards for those who follow.  
While conquering these heights,  
the participants receive much satisfaction  
and enjoyment in furthering their interests  
in social life.

## OFFICERS

B. Visser—secretary, J. Kieft—vice-president, Mr. Vander Woude—sponsor, D. Brouwer—president, W. Diepstra—treasurer.

The Student Council is one of the most active organizations in Timothy. It is composed of two representatives, a boy and a girl, from each homeroom. These delegates are elected to this position by their fellow-classmates. Under the competent leadership of the President, Derek Brouwer, and the Sponsor, Mr. Vander Woude, the Student Council worked diligently to govern the school. The Council gave the students an opportunity to discuss the many problems which arose, and the members worked together to obtain suitable solutions. The Student Council of 1960-1961 finished the task of framing its constitution, which was designed to be a guide in governing the school. To further promote social life and to raise funds, the Student Council published a student directory listing the names and addresses of every person in school. It also sponsored an all-school skating party, two counter-courting weeks, a reversed box social, the magazine campaign, a fun fair, the Alumni Party, and the Awards Banquet. Special chapel services were again presented at other Christian high schools. The student body wishes to extend its appreciation to the Student Council for enabling Timothy to complete a year of progress.

# CHAPEL

## *Worship of God...*

We students at Timothy can be grateful for our Christian training; part of this training takes place at our chapel services every Wednesday morning. Chapel has provided for us a happy and refreshing interval in our school life, and it has also given us opportunity to become better acquainted with our God. Again this year we heard many interesting and helpful messages by Dr. Youngs and guest speakers. Frequently students took part in the services, using their musical talents to the glory of God. There were special chapels for some of the holidays and student chapels led by various classes. In addition to these, the Student Council had the privilege of exchanging chapel services with students from Illiana and Chicago Christian High Schools. God has been very close to Timothy, and we are thankful that our student body can return thanks to Him in this way.

## HONOR SOCIETIES

The Honor Societies at Timothy consist of those students who have maintained an average of "B" or better. The Junior Honor Society is composed of sophomores who have produced this excellent average during their freshman and sophomore years. The Senior Honor Society is composed of juniors and seniors who have shown outstanding ability and have maintained this exceptional average throughout their high school years. These students should certainly be commended for their ambition, loyalty, and unwavering hard work that they have displayed at Timothy. These Trojans have faithfully faced their challenges and are determined to conquer them successfully.

# G.A.A. AND LETTERMEN

## *Encourage Sports*

The Girls' Athletic Association is an organization which includes a large number of the girls at Timothy. Its main purpose is to encourage the girls to participate in sports and activities. The G.A.A.'s major project this year was its annual Mother and Daughter Tea. The tea turned out to be a big success and will be long remembered by both the mothers and the daughters. The club also sponsored a bowling tournament and awarded trophies to the best bowlers.

The Lettermen's Club is composed of boys who have earned a major or minor letter in the sports in which they have participated. This year the Lettermen's Club sponsored two exciting nights of basketball. One was the Senior-Faculty game, in which the Senior "Globetrotters" defeated the faculty. On another night, the seniors displayed their skill by defeating the juniors, and the sophomores proved victorious over the freshmen.

## PHY-BI-CHEM CLUB

In September, the Phy-Bi-Chem Club once again got off to a good start. With their sponsor, Mr. Triezenberg, they planned several projects for the year, including a plant sale and a visit to the Science Fair, held at the University of Chicago. The Phy-Bi-Chem Club was one of the most active clubs in school. It gave its members the opportunity to work on various projects through which they could further their knowledge and interest in science. It also provided other events such as films, special speakers, and field trips.

## COMMERCIAL CLUB

In an attempt to better prepare themselves for the competitive business world, the members of the Commercial Club met almost monthly this past year.

In addition to the regular afternoon meetings, a Saturday morning brunch was held at the home of their sponsor, Mrs. Mosier, an informative group tour was taken of Aldens, and a tea for all commercial alumni was held at the school.

Programs were in keeping with the main objective of the club—that of becoming more familiar with opportunities in the secretarial field.

# CAMERA CLUB

The Camera Club became a more organized group than in previous years. One who wants to join the club must agree to be active in its functions and activities.

Each month a contest in photography was sponsored in which a certain topic was chosen. The pictures that the members take, develop, and print are sent to the contest headquarters. The winning pictures are always sent back to the school and then shown on display in the chemistry room. Gift certificates, which are used for camera supplies, were awarded to those who entered the best pictures.

In addition to these monthly picture contests, the club also sponsored contests for its members such as a photograms contest and an enlargement contest.

The club went on many field trips, usually one a month. The trips varied from one that would be educational and informative to those at which the members could take pictures.

To take care of the duties of Camera Club, committees were organized. The most important was the Visual Aids Committee. It helped those who wanted to use the projectors and other visual aids. The members of the committee were trained in the maintenance and operation of all the equipment.

# SAGA STAFF

*Work - Work - Work!*

The Saga Staff, under the able guidance of our sponsors, Mr. Hoving and Mr. Prins, has completed and edited this Saga for the benefit of all who wish to remember Timothy and its students as they were in 1960-61. The editor-in-chief and the assistant editor began planning the annual during summer vacation. When school resumed, they worked energetically and persistently to further the progress of the annual until it finally reached its completion. The editors of the various staffs spent many hours planning and correcting the many pictures and articles that went into the making of the year-book. The individual staffs, themselves, have worked very hard to secure pictures, drawings, articles, and advertisements. All who worked on the Saga found pleasure and satisfaction in preparing it, and we hope that you will find much enjoyment in reading it.

JOHN BERNBAUM  
Editor

Marilyn Erffmeyer  
Assistant Editor

Students who enjoy writing are given the opportunity to put their talents to good use by being reporters on the *Trumpet* Staff. Ten times a year these reporters give to the student body Timothy news and information about activities, special school events, chapel speakers, class projects and events, and special assemblies. John Bernbaum, editor-in-chief, and his staff proved to be capable reporters in fulfilling these purposes. In each issue there was an interesting editorial written by the editor or his assistant, Marilyn Erffmeyer. Mr. Nawyn, Mr. Hoekstra, and Mr. Van Reken, the sponsors, aided in making the Press Club one of the most active organizations at Timothy. The job of being a reporter on the *Trumpet* requires a lot of time, imagination, and hard work. The members of the staff and the sponsors deserve much credit for the fine job they have done this year.

- 26—Awards Banquet—As recognition for outstanding grades and participation in school activities, awards are given to many Timothy students.

## JUNE

- 9—Senior Banquet—As the last class activity, the seniors dine out together, and then, on the beautiful moonlight cruise, are shown Chicago's lake front.
- 12-14—Exams—The students recall the knowledge they learned during the past semester and employ it to pass the exams.
- 16—School Closes—The final report cards are given out, and Timothy's classroom doors close on the 1960-61 school year.
- 16—High School Graduation—Tonight, the graduates of the Class of 1961 receive their diplomas and take with them the memories of four wonderful years spent at Timothy.

*Mr. Tameling congratulates his daughter Judy on the night of her graduation.*

*The band marches first in the Memorial Day Parade.*

## FINE ARTS

Self-expression in music and in the portrayal of character is always encouraged at Timothy. Each student has the opportunity to express himself in FINE ARTS and to work and harmonize with his classmates in an effort to produce a successful band, choir, or play. Talents are combined; ambitions are united. The finished product is always better than the last attempt, but Trojans cannot be satisfied with anything other than the best.

Consequently, no matter how fine the last concert or play, the challenge to excell must be met.

To fulfill this challenge, band selections are diligently prepared, choir numbers are practiced again and again, and plays are rehearsed faithfully for weeks preceding the performance.

*The Society for the Prevention of Adult Delinquency holds an important meeting.*

After hours of rehearsal, the junior class gave their play, a comedy entitled "Maybe You're Wrong." It was presented on March 15, 16, and 17 under the direction of the class sponsors, Mr. Nawyn and Mr. Vander Woude. Cynthia Buurma gave her assistance as student director.

The play portrayed an incident in the life of a typical society family, the Woods. The parents were so involved in their own activities that they were completely neglecting their children and were on the way to a nervous breakdown themselves. Their teenage children, deciding to do something about the situation, organized "The Society for the Prevention of Adult Delinquency." The actions of the society resulted in disastrous repercussions for everyone, but not without many funny incidents which made this a truly enjoyable play. The juniors will never forget the fun, the excitement, and the satisfaction of a job well done.

# SENIOR PLAY

## *Seniors capture the spotlight*

The lights dim, the curtains open, then begins one of the most exciting and different plays that Timothy students have ever presented, *Flight Into Danger*. The seniors presented the play on November third and fourth. Under the helpful direction of Mr. Prins and Mr. Hoving, it was a big success. The tense action of the story took place on a passenger plane making a trip from Chicago to Los Angeles. Most of the passengers aboard, including four cheerleaders, were going to a big football game in Los Angeles. The trip was peaceful and quiet until two of the passengers got seriously ill from food poisoning caused by spoiled fish which had been served for dinner. Fortunately, there was a doctor aboard who managed to keep everything under control. Soon the doctor learned that both the pilots also had the spoiled fish. They stayed at the controls as long as possible, but had to be taken away when they, too, got sick, and they left

the plane on automatic pilot. It was soon discovered that a man aboard, Mr. Spencer, had some flying experience in the Air Force. He hesitated to consent to fly the plane, insisting that his experience with single engine fighters over ten years ago was not enough to handle a large passenger plane. But after considerable persuasion, he finally agreed that this was the only way and promised to try to land the plane safely. At this time the atmosphere became very tense as the passengers realized the situation they were in. The tension continued as Mr. Spencer successfully maneuvered the plane to the ground under the directions of Captain George Treleven at the control tower. His messages were transmitted over the radio to the stewardess who was operating the radio controls at Mr. Spencer's right hand. Mr. Spencer's reward was the enthusiastic gratitude he received from those whose lives he saved. The play contained mounting tension and a few bits of humor brought out in some of the characters. After weeks of rehearsing and memorizing, the big night came. On went the make-up and before the seniors knew it, the play was over. All they had left was a vivid memory of weeks filled with excitement. A big round of applause goes to the seniors for a performance well given. Congratulations!

## BAND

### *Tootin' at Timothy*

Under the leadership of Mr. James Qualkinbush, the band labored diligently to ready itself for many big events. The first of these was the concert given with the choir at Trinity Christian College on Foundation Day. The band made its first formal appearance in February at Roosevelt School. For the first time, the band had the honor of making a record. It was a great opportunity to display the skill they had attained during the year. In the spring, the band participated in the Chicagoland music festival and then later in the annual spring concert which is given with the choir. They also played in some high school Chapel services.

Several ensembles such as the clarinet quartet, brass quartet, and woodwind quintet were organized. They performed at choir and band concerts and at meetings such as P.T.A.

Mr. Qualkinbush was assisted this year by Mr. Grover, a student from the Vandercook College of Music.

All the members gained much experience through the many activities they participated in this year.

The A Cappella Choir under the direction of Mr. Robert Hoekstra experienced a very successful year. Several concerts were given that inspired both the choir and the audience. The Choir presented its first concert on Foundation Day at Trinity Christian College. The annual Christmas Concert not only provided entertainment, but also set the proper mood for the Christmas season. On February 17, World Day of Prayer, the choir took part in the afternoon service given by the women's associations of the local churches. Other concerts included the Palm Sunday Concert, the annual Spring Concert with the band, and the Chicagoland Music Festival. The choir also performed for several chapel services throughout the school year. The main highlight of the year was the trip to Calvin College in Grand Rapids, Michigan. Our choir gave a splendid performance and each member enjoyed the trip. As a reward for an outstanding concert season, the choir had the privilege of making a recording of their favorite pieces.

## GIRLS' VARSITY BASKETBALL

P. Douma, K. Huiner, J. Tameling, G. Heerema, L. Batjes, A. Kieft, Miss Kingma—coach, V. Evenhouse, M. Erffmeyer, S. Groot, D. Decker, R. Betten, M. Buurma.

Managers, J. Stavenger and J. Posthumus.

This year, the varsity basketball team once again did a fine job representing Timothy in girls' basketball competition. They were commended by the other teams for the good sportsmanship they displayed whether they won or lost. Miss Kingma was a splendid coach, a fact which was most important to the team's success.

The season was highlighted by the Amateur Athletic Union Tournament in which Timothy won first place in the girls' division. The team lost only one game, giving them a tournament record of three wins to only one loss. On December 30, the final victorious night of the Tournament, each team member was presented with a gold medal, and a beautiful trophy was presented to Judy Tameling, the tournament captain. Winning first place in this tournament was an experience these girls will long remember.

Throughout the season, there were no players who could be considered outstanding. They all played basketball well as a team.

Because there were only two seniors on the team, several sophomores were given the privilege of playing on the varsity squad; they proved to be good players and show promise of giving Timothy an even better team next year.

K. Huiner makes important two points.

V. Evenhouse gets the jump ball.

# CHEERLEADERS

"Hey! All you Trojans! Hey! All you Trojans! Let's have a victory tonight! Fight!" These words were often heard as the cheerleaders encouraged the teams to give winning performances.

Early this fall our cheerleaders were chosen by Miss Weidenaar, varsity adviser, and Miss Bean, frosh-soph adviser. They practiced hard to learn their cheers to spur our teams on to victory.

The varsity, with Sandy Groot as their captain, added two boys to their squad to make it co-ed again. The frosh-soph, having chosen Cindy Boss to be their captain, cheered the frosh-soph team to many victories.

Our cheerleaders have done much to promote good sportsmanship and school spirit at our games. Much credit is due for their fine work this past year.

## PEP CLUB *(opposite page)*

Promoting school spirit in cooperation with the cheerleaders at basketball games is the purpose of the Pep Club. Composed of all those who tried out for cheerleading, the club showed its exuberance at our games.

By cheering at pep rallies and games, they did much to insure team spirit and spectator enthusiasm.

## BOYS' VARSITY BASKETBALL

### MANAGERS

D. Huiner, C. Ottenhoff, and W. Van Dyke.

The mighty Trojans were at a loss for wins this year. It was a difficult season for Coach Prins. The team fought very hard but it could not seem to work as a team when it needed team effort most.

Even though the record of the team was not as good as it could have been, the junior members gained valuable experience. Ben Tameling, who led in scoring this year, will be back again for the Trojans next year. He is a fine team player and he has an accurate jump shot.

The team will be watched very closely next year because it will be participating in the Private School League for the first time. At this time the Trojans will be able to show the great potential which they have built up this year.

The team and the whole school was happy with the split with Illiana Christian High School. Both games were thrilling, leaving the Trojans the victors of the first contest and Illiana the victors of the second. The big game with Chicago Christian High School had an unhappy outcome for the Trojans. But it was a good game, and it showed that good sportsmanship still exists between the big rivals.

# BASEBALL

The Timothy baseball squad had a very exciting year. They faced tough competition from the Private School League teams to prepare for next year when Timothy will officially be in the league. The return of several lettermen, who had two or three years of experience behind them, was an important factor in the team's success.

The Timothy lineup saw Bob Van Vossen at first, with Art Jongsma and Ben Tameling rotating between second base and pitching. Out in the field were Derek Brouwer, Rich Oost, Ben Mulder, and John Bulthuis. George Vander Velde handled the catching behind the plate. By maintaining the highest average, Art Jongsma and Ben Tameling led the team in batting power. All these players are returning lettermen. Coach Prins also used many underclassmen to build the team for next year.

*A Trojan gets a hit.*

*Are they working hard? It's the Saga staff in action.*

Dear Reader,

We, the editors of this *Saga*, take this opportunity to thank the whole staff who worked to make this annual possible.

On behalf of the *Saga* staff of 1961, we would like to express our appreciation and thanks to our sponsors, Mr. Hoving and Mr. Prins, and to our advisor, Dr. Youngs, for their guidance. A special thanks goes to Miss Bean who was willing to help our literary staff.

Our appreciation also goes to Mr. Mitchell of the Wallace-Miller Publishing Company and to Mr. Edmund of the Edmund Photographic Studios.

Aiko Teragawa, editor

Arlene Mulder, assistant editor
