b. Fee Schedule

- 1) School leadership (Steering Committee) needs to approve the fee schedule annually.
- 2) We are eligible to charge same fees as district schools, but we do not charge curricular fees.
- 3) Our fee-based programs are Kindergarten Enrichment, After Care, Before Care. These fees are used for staffing, food, and educational activities. We have changed the language for district compliance to: staffing, consumable supplies, field trips (if any), contract services (if any). See the fee hike effective Aug 2022. These fee-based programs add value at a low cost and help families, who confirmed this as feedback.

c. Budget and Enrollment update by Christine:

1) Enrollment Summary provided by Christine (See [Appendix 4](#)).

- a. Numbers are steady (we have lost some students and gained new students)
- b. We have space, tell your friends so if they enroll now before the lottery, they can be in the school next year. This will close off around May 1 or mid-May. Families switching schools prefer this opportunity to make friends before summer, so their kids can make connections before the new school year in August.
- c. **Question from Cabot: What is the function of the lottery: Answered by Christine:** Charter schools operate on the lottery to guarantee a fair process. Since we have openings in all grade levels, so all applicants will most likely get in. Kindergarten, however, has 48 slots, so if we have more than 48 applicants, then we put them on a waitlist, which moves over the summer as parents make their decisions on which school they eventually go to.
- d. **Question from Cabot: Looking at the SL Tribune teacher cuts due to budget cuts, is it safe to say that the OC is in better shape than other district schools?**
 - i. **Christine:** Families are moving to the suburbs, and people are having fewer kids. While the pandemic has affected our numbers, we are in decent shape in comparison to district boundary schools.
 - ii. **Katherine:** Enrollment is declining precipitously, going from 25,500 five years ago, to now at 17,000 (the demographic study in 2018 projected this).
 - 1. We are losing a third of our school-age population for reasons like: people in SLC are having fewer kids, which is a national trend that filtered to Utah in 2008, and we are seeing the effects of this change.
 - 2. Salt Lake City is expensive for many families, and the West Side which was booming is becoming gentrified. While this is great, it is pricing families out of Salt Lake City.
 - 3. City Council is trying to address this, but it will be hard. Affordable housing is needed. Apartments are being chosen by families without kids. Families with kids are moving to Syracuse, West Jordan, Sandy, where they can have a house and a yard. While City Council is having 4-bedroom apartments built
 - 4. In many ways, Open Classroom has held its own. But don't sit back. Every person in the Open Classroom should recruit families. The schools in the Avenues, including Open Classroom are all uniquely fabulous, who require a specific fit. Katherine hopes the Avenues schools work together to promote these four schools to families that would be a best fit for each of these schools.
 - a. OC: No rigorous requirement to sit at the table all day, whole child
 - b. Ensign: Top elementary school with great science program
 - c. Wasatch: Great art program
 - d. Washington: IB program
- e. **Question from Alejandra: Next year, are we looking to keep the cadence of accepting families all year round?**

Answered by Christine: We will start classes with 24, and may or may not be able to take new families through the year. With the pandemic, there is less stability in the whole community.

2) Christine discussed our Budget

- a. Expect to be in the red for \$50,000-\$80,000 this year with enrollment (lesser deficit than last year)
- b. We will be looking to cut 2.5 teachers (two from General Education and on half-time resource)

Appendix 3: Steering Exec Election (under current 2017 charter)

1) Steering Exec: Roles Overview

Steering Executive Committee (SEC) forms a part of the School Steering Body together with the Principal, faculty representatives, and classroom Steering Reps. It is composed of:

Staff members:

- the Principal
- a Teacher Representative, who is elected annually by the faculty (can be re-elected), and the Head teacher (when applicable)

Six volunteer parent members, holding 3-year terms, elected by the Steering Body:

- a Steering Chair
- a Steering Co-Chair
- Two** Steering Vice Chairs (designated: Vice-Chair and Past Chair)
- a Treasurer, and
- a Secretary

Going into a new school year, typically: The current Co-chair (or Vice-Chair) becomes Chair, and the current Chair (or Co-chair) becomes the Past Chair, depending on the years they have left in their term.

Parents on Steering Exec agreed to adopt this approach of circulating these responsibilities so we can share our leadership experience and work better to support the Open Classroom and its needs.

At the end of this school year, Joe Gibbs' term ends, and we will have **one open place** on Exec.

2) Steering Exec: Responsibilities and Commitments

From the Charter: (section C, parts 1 and 2):

to serve as the Open Classroom's central point of coordination, communication, and school operations; to identify and work with others as appropriate to address the needs of the school as a whole; and to oversee the functions of committees towards meeting those needs."

Monthly Steering Body Meetings from Sep to May/June	Typically, second Tuesdays 2-3 hours each meeting
Steering Exec meetings from July to June + as needed	1st, 3rd Thursdays approx. 1 hour each to discuss school matters, committees, set agenda for upcoming Steering meetings
Review and vote as School Community Council (SCC): <ul style="list-style-type: none"> • especially over summer, when Steering doesn't meet • proposals for Exec approval, or to pass to Steering 	Time to understand and review documents and proposals (voting during Exec meetings)
Committee Coordination: <ul style="list-style-type: none"> • Over the summer, ensure that committees are staffed + chairs and co-chairs are appointed (this year, Aliska and Alejandra took on that herculean task after committee surveys were sent out) • Committee Exec Reps: Support committees, chairs (Exec members support Committees and bring their important matters to Exec, Steering, and coach and guide them as needed. To be clear, the Chairs do their own work.) 	Varies for parent Exec members based on the needs of the committee you serve (e.g., Maile, our Exec Treasurer worked really hard to organize the front and back Traffic and Outdoor lunch arrangements.)
Support the school's needs and fulfil your role on Exec. This includes attending relevant district meetings, trainings. (Tim attended the district training and shared with the rest of Exec)	Depends on needs and the initiative you take (e.g., Exec this year has been working to streamline our information flow and processes among other things. Earlier Execs did their own pieces on their own time to serve the school.)

3) Steering Exec: Elections

Here is how we elect parent members to upcoming positions on Steering Exec:

Feb/March/early April-May: Candidates are nominated, or nominate themselves. Steering Reps and teachers also nominate candidates with their permission.

We are sharing these timelines so candidates can plan on attending these meetings.

April: Candidates introduce themselves at the Steering meeting **(Tues, April 12, 2022)**.

If candidates cannot make it to this meeting, they send a blurb about themselves, and we read this into the meeting.

May: Elections occur during the May Steering Body meeting **(Tues, May 10, 2022)**

Candidates are **highly encouraged to attend** this Steering Body meeting, and take this opportunity to address the entire Steering Body shortly before they vote

Candidates are required to step out during discussion, voting, and tallying

The Steering Body discusses and votes; results are tallied and declared

Candidates are invited back in, and the results are shared with them

Steering Exec (current, outgoing, and incoming members) meets in late July/early Aug for a handover. This varies. This year, for instance, all Exec members met in June 2021 and new Exec members were briefed by the outgoing and continuing Exec members, which gave us a place to start thinking about how we wanted to contribute on Exec.

Please note the highlighted dates 4/12/2022 and 5/10/2022 above if you are a nominee – we have provided the dates in advance so you can plan on attending these meetings.
