

Oxbow Unified Union School District (OUUSD) Intradistrict School Choice Program

Guidelines and Procedures

Guidelines:

- Requests to attend a school in another town within OUUSD will be granted based on space availability and with the goal of creating balanced class sizes in all schools.
- Regardless of residence, every family will have a choice of enrolling in any grade-level appropriate school operated by the district (Newbury and Bradford).
- Transportation to buildings will be provided for students attending school within one's town of residence. For students choosing to attend school in a neighboring town, transportation is not provided by the OUUSD, unless the existing bus route passes the child's residence on the way to or from the choice school and there is sufficient space on the bus.

Procedures:

Town of Residence Assignment: All students will be assigned to the school in their town of residence.

School Choice Program

The number of available slots will be determined based on the following criteria:

- Space available in the building
- Space available in each grade level
- Right Sizing Classes and Compliance with Class Size Guidelines

Parents will then submit the Intraschool District School Choice Election form by the annual deadline. Slots will be awarded as follows:

1. Younger siblings of existing school choice participants will be assigned to the same school as the older sibling.
2. Individuals on the wait list from the year prior
3. In the event there are more requests than there is remaining space available, a lottery system will be used to select participants to fill open spots.

Wait lists

- Oxbow Unified Union School District (OUUSD) will create wait lists for all schools where there are more applicants than available seats for a particular grade.
- A student's place on the waitlist is based on a lottery for all choice applications received prior to the deadline.
- When seats become available, students will be assigned from wait lists based on the order the children were selected in the lottery, and the priorities.

School Changes

In extenuating circumstances, school changes mid-year will be considered on a case by case basis. Parents should apply through the OESU central office in Bradford.

Length of Placement

Once a student is placed, they shall remain at the choice school until Grade 6. Requests to return to the school in the town of the student's residence will be considered as a part of the next year's intraschool district school choice program. Once school choice is elected the school in the student's town of residence becomes a choice school and the school of placement becomes the student's home school.

This plan will be reviewed and may be modified yearly and any changes to the guidelines will be completed by February 1st of subsequent years.
