- Tennis is non-cut sport
 - 10-12 players will make the varsity team; all others will play on the JV tennis team
- Matches: 3:45 – 6pm; Tuesday, Thursday (rainouts made-up next available day)
- Attendance Policy
 - Tennis is a voluntary activity. By choosing to play on the team you are choosing tennis & your teammates over other extra-curricular activities. What does this mean?
 - You will not be allowed to miss practices to attend your regular 4pm piano practice on Wednesday or your Monday 4pm SAT prep class.
 - Club meetings and Crossfire soccer practices / matches are not reasons for missing practice.
 - eg: If you ask to leave a practice early / miss a match because of club meeting or soccer match or music lesson, your coach will ask you if you've asked your club advisor or soccer coach if you can be late to the club meeting/soccer match.
 - If you can't commit to tennis 5 days a week at the listed times, then tennis may not be for you.
 - If there is a conflict with non-tennis activities/schedules, please talk with your coach.
 - Unexcused absences will result in a suspension from team activities
 - Communicate in advance with your coach to avoid an unexcused tardy/absence.
 - Coaches' advice: *If you are early you are on time, if you are on time you are late!* 😊
- Student/athletes provide their own tennis equipment and tennis clothing. The school provides tennis balls only.
- Tennis captains will organize the design and purchase of tennis shirts and hoodies.
