GRADUATION REQUIREMENTS:

Starting with the class of 2023, the state of Indiana is introducing **new** requirements for successively graduating from high school. These changes seek to ensure that every Hoosier student graduates from high school with an awareness of personal career options, a strong foundation of academic and technical skills, and opportunities to demonstrate employability skills that will lead to meaningful postsecondary education and gainful employment.

Specifically, every student in the class of 2023 will need to meet three requirements which are:

1. Earn a High School Diploma
2. Learn and Demonstrate Employability Skills
3. Gain Postsecondary-Ready Competencies

The chart below provides explanations for how your student can meet each of these three requirements.

Requirement	How to Meet this Requirement
Earn a High School Diploma	Complete the traditional CORE 40 Requirements (see previous page)
Learn and Demonstrate Employability Skills	<p>A student can demonstrate employability skills through <u>one</u> of the following:</p> <ul style="list-style-type: none"> • Project – Based Learning • Service – Based Learning • Word – Based Learning <p>HINT: Make sure your student pursues opportunities to earn volunteer experience and service hours!</p>
Post-Secondary Ready Competencies	<p>A student can meet this requirement by completing <u>one</u> of the following:</p> <ul style="list-style-type: none"> • Honors Diploma: Fulfill all requirements of either the Academic or Technical Honors diploma • ACT: College-ready benchmarks • SAT: College-ready benchmarks • ASVAB: Earn at least a minimum AFQT score to qualify for placement into one of the branches of the US military • AP: Must earn a C average or higher in at least three courses • State- and Industry-recognized Credential or Certification • Federally-recognized Apprenticeship

RDS Course Planner: A User Guide for Parents / Guardians of Incoming Freshmen

This school year, we have changed how we are scheduling classes for our incoming freshmen. Replacing our old system of using scheduling cards, we are asking the parents / guardians of incoming freshmen to utilize the Course Planner located within RDS Parent Access. Our middle school teachers have already made recommendations for English, math, science, social studies.

Now, we ask our parents / guardians to select the remaining elective classes in order to complete your student's freshman schedule.

This guide is to help you select your student's courses for next year. If you have any questions, please contact Vince Bauters – CPHS Freshman Principal – by emailing him at: vbauters@cps.k12.in.us

1. Navigate to the CPHS Homepage <https://www.cps.k12.in.us/Domain/53> and then click on the RDS Parent / Student Access icon at the top right of the home page.

You will then see the log-in screen page – as pictured below:

If you experience any trouble logging into your RDS Parent Access account, please try the following steps to regain access. You can have the system automatically reset your RDS password to unlock your account.

Click on the “Forgot your password?” link, enter your username, and answer your secret question. A new password will be emailed to the address listed in your account.

2. After you log into your RDS account, click the link "Request Courses."

Here is a screenshot of the entire recommending screen. There are several important items to notice on this screen.

First, you will be able to verify your student's information including their student ID number.

Additionally, you can select a post-secondary graduation pathway from the dropdown menu. Your student's guidance counselor at the high school will see the pathway you have selected for / with your student. This pathway selection will help your student's guidance counselor with recommending future courses that relate to your student's interest of study. More importantly, selecting a post-secondary pathway is an important step in making sure your student is on track to graduate.

Finally, you can click on **Core 40 Requirements** to help you select electives that will help your student meet diploma requirements established by the state of Indiana.

Submit for Counselor Review			
Click the "Submit" button below to submit your course requests to your counselor. Feel free to contact your counselor with any questions.			

Instructions for Adding Courses: To add a course, find the Subject box and select a subject. Then choose a course from the dropdown menu. When the course has been selected, click on **Add Course**. The course will be added to the schedule grid. Some courses may have been pre-selected for you, and those cannot be modified online. Those pre-selections are designated with a T (teacher recommended) or a C (counselor recommended).

Click the **Question Mark** next to the Add Alternate button to view a description of the course. Click the **Help** button and a pop up box will describe how to add a course or alternate. Hover over any symbols, to see what they mean.

-  Teacher Recommended
-  Counselor Recommended
-  Delete/Remove the Course
-  Move a Course Between Schedule Grid and Alternates List.

A course that lasts two semesters – or the whole school year – will be represented by a longer rectangle that is below both “Semester 1” and “Semester 2” headings. For example, in the image above, Algebra 9 is a full year course that takes two semesters. However, Debate is a single semester course and therefore its rectangle is shorter – only fitting beneath the “Semester 1” heading.

Special Note: The order in which the course requests are displayed does not correspond to periods of the day. This is for course selection purposes only. Single semester selections may be scheduled into a semester other than the one shown in the schedule grid.

Special Note: If your student has a grade point average of C (or better), we recommend enrolling your student in a World Language Course. We offer four World Languages:

- French
- German
- Latin
- Spanish

Taking a World Language class helps your student earn an Academic Honors Diploma!

You may see an additional space titled **Submit for Counselor Review**. At this time, you may not be able to enter notes or Special Requests into this space. Rather, we ask that you reach out directly to Vince Bauters (vbauters@cps.k12.in.us) with course questions.

When you have completed your requests, click Submit Requests to Counselor and logout of the Course Planner. **We ask all families to complete this process by Friday February 18, 2022.**

If you have any issues or technical problems, please do not hesitate to ask for help.

We are very excited for your student to join us at Crown Point High School!
