RE-ENROLLMENT

It is time to enroll for the 2022-2023 school year! As previously mentioned, we are using a new enrollment platform for the next school year. On February 14, you will receive an email from Bishop O’Gorman Catholic Schools with a link unique to your students to start the re-enrollment process. You must use the link provided in that email to create your Parent Portal account within School Admin. Once you are in School Admin, you will see the required checklist items to complete for each of your students. Your child will be considered enrolled when all required items are submitted.

Please note:

PRESCHOOL PARENTS: If you completed an Intent to Enroll form for your child, there will be additional checklist items in your School Admin parent portal to complete on the 14th before your child is enrolled.

HIGH SCHOOL PARENTS: Even though your child has registered for their 2022-2023 courses, you must still enroll them for school by completing their checklist items in your School Admin parent portal.

Other items available February 14th:

- Current families can submit applications for siblings as a new student within your School Admin parent portal.
- Summer Care registration forms will be available on our website and as an optional checklist item in your School Admin parent portal.
- Financial aid and scholarship applications will be available on our website and as an optional checklist item in your School Admin parent portal.

Please contact Jenni Struck, admissions coordinator if you have questions: 605-575-3358 or admissions@ogknights.org.
