School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

Description: Caliber Public Schools are free, public, non-selective charter schools offering a rigorous, personalized, college preparatory education for Bay Area students. Caliber: Beta Academy, which opened in August 2014, currently serves approximately 860 TK-8 students at our campus in Richmond, CA.

Mission Statement - Caliber's Mission is to achieve educational equity by shifting the experiences, expectations and outcomes for students in historically underserved communities. Our strengths-based educational program validates, affirms, respects and supports students, families and staff members to reach their full potential.

Vision Statement - Caliber's Vision is rooted in student outcomes because we are an organization that puts students first. Caliber's vision is to develop each student's social-emotional abilities (HEART), which enables students to create a strong sense of self and sustain meaningful and healthy relationships. That social-emotional foundation enables all students to obtain the knowledge (SMART) and critical thinking skills (THINK) necessary to advocate (ACT) for themselves and the issues impacting them and their community.

We live out (HEART) through a robust social-emotional learning curriculum, the explicit tracking and measuring of social-emotional competencies, an ability-based response to behavior, and school-wide restorative mindsets and practices. We strengthen both (SMART) and (THINK) through a curriculum that's aligned to rigorous standards, and inquiry-based approach to instruction, differentiated practice, and coaching for all of our staff. Lastly, teach our students to (ACT) on their beliefs and ideas through projects that drive both awareness and action.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Year and month in which data were collected: November 2019

Caliber's curriculum relies heavily on the use of adaptive instructional software instead of traditional textbooks. As a result, the materials reported here include many software tools that we use in different areas of our curriculum. In addition to the many instructional benefits of using software such as this (e.g., permitting highly personalized instruction), the school also benefits because the software is automatically updated over time, and is easily available to all students. As a result, all students have access to the most recent versions at all times.

School Facility Conditions and Planned Improvements (Most Recent Year)

Caliber: Beta Academy works in close cooperation with the West Contra Costa Unified School District (WCCUSD) to provide a facility that is safe and clean.

WCCUSD has provided the facility to Caliber: Beta Academy under Prop. 39 and is responsible for the maintenance of the facility. Caliber staff conducted an internal FIT report earlier this school year and noted the issues below that are working on being addressed with the District.

Caliber maintains responsibility for ensuring the day-to-day cleanliness of the facility. The school custodial staff carries out daily cleaning schedules to ensure a clean and safe school.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

Year and month of the most recent FIT report: October, 2019

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good Fair	No actions noted on FIT survey
Interior: Interior Surfaces	Good	No actions noted on FIT survey.
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	No actions noted on FIT survey.
Electrical: Electrical	Fair	The FIT survey noted that the school bell system had been intentionally disconnected.
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	No actions noted on FIT survey
Safety: Fire Safety, Hazardous Materials	Good	No actions noted on FIT survey.
Structural: Structural Damage, Roofs	Good	No actions noted on FIT survey.
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	The FIT survey noted missing non-slip surface on several ramps. The district is aware of these issues.
Overall Rating	Good	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
English Language Arts/Literacy (grades 3-8 and 11)	44	47	49	52	50	50
Mathematics (grades 3-8 and 11)	30	32	31	31	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Caliber: Beta Academy hosts parent education opportunities and has an active parent community. We provide translators for every parent activity to support our Spanish speaking parents and host events such as: Back to School Night, Orientation, Positive Behavior Showcase, Fall Festival, Science Night, Reading Night, Coding Night, High School Night, Winter Concert, and various beautification days. Many parents volunteer throughout the school day in the classroom, library, cafeteria and around campus. For more information on getting involved with any parent groups at the school, please contact the front office at info@caliberbetaacademy.org or (510) 685-9886.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Types of Services Funded (Fiscal Year 2018-19)

At Caliber we provide a range of services to support student achievement. Students demonstrating academic need have an extended school day with targeted intervention instruction by the credentialed teaching team. Personalized, adaptive software serves to support students who need remediation. Daily targeted small group instruction led by teachers and instructional assistants ensures that students are exposed to relevant, data-driven content in a setting conducive to rapid growth. Academic support is included in the school sponsored after school program. A robust RTI program provides access to highly specialized interventions to general education students. Students experience a wide range of field trip and elective courses including overnight trips to places such as Yosemite, a band program, dance classes, and much more.

Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	12	12	12

All Caliber: Beta Academy, staff attend regular professional development sessions both during the school year (3 hours per week) and when school is not in session (an additional five 40 hour weeks). In addition, teachers are required to observe each other weekly, work in peer teams of four to develop professionally, and receive weekly feedback on their performance, goals, and growth from the administrative team.

Professional development covers a variety of areas:

- Developing teachers' ability to plan in alignment with Common Core Standards, with a focus on Project Based Learning
- Strategies and support for helping special populations, such as students with IEPs and English Learners, to achieve academically
- Using data to inform instruction
- Learning how to plan and teach in a personalized, blended learning environment
- Implementation of the robust Social Emotional Programming at Caliber
