FISD Beliefs

**Redefine
the measure of
student success.**

**Provide strategic
opportunities for students
to explore and create their
own individual pathways of
success.**

**How do we
create these
opportunities
and align these
beliefs for ALL
FISD students?**

**4 CORE
including WL
will be the only
courses
calculated in
RANK GPA**

- Align our practices with our beliefs and call to action.
- Eliminate barriers for access to pathways.
- Allow for student choice based on strengths, interests and depth of opportunity regardless of weight.

Personal GPA VS RANK GPA

ALL courses will continue to count in an individual GPA - regardless of the change in policy for Rank GPA.

FISD will be implementing a 4pt *weighted* scale for both personal and Rank GPA

- Determine purpose of GPA Scales
 - Personal GPA to communicate breadth, rigor, and performance
 - Rank GPA for comparison
- Aligned with GPA Beliefs

**All Rank GPA
exemption
policies
will be
removed.**

All CORE and WL
courses - regardless of
the method taken
(summer school,

will be included.
