

## Splash into Summer 2022!

### Weekly Themes

#### **Summer Water Olympics: June 14 - 17**

Welcome to Explorer Club and Little Explorers! We begin our summer with meeting new friends and building relationships as we splash into summer. Our first week is about getting to know one another through Olympic water games and team building activities.

#### **Artsy Smartsy: June 20 - 24**

Let your imagination soar and be creative through art! Kids will have all kinds of fun making art come alive. They will add their own touch to things like rocks, create junk art and even become an artist for the day and paint a picture on their very own canvas.

#### **Out of this World: June 27 - July 1**

Aliens, spaceships, creatures galore! This week we will be having an alien hunt, visiting planets and building a space station in classrooms.

#### **Got Science: July 5 - 8 (Closed July 4)**

Mad scientist week will be full of crazy science fun so put your lab coat on and let's get messy! The kids will have all kinds of fun making slime and doing hair raising experiments.

#### **Gone Fishing: July 11 - 15**

Explore what lies beneath the water in many of our rivers. Create your own fishing pole and learn what is the best bait to catch "the big one." No fishing experience required.

#### **Get Your Game On: July 18 - 22**

You don't have to be a gamer or a sports star to enjoy this week full of fun and games! Sack races, bean bag toss tournament, board games, life size connect four and Duck, Duck, Wet Duck too! GO TEAM! GO!

#### **Chalk Full of Fun: July 25 - 29**

This week is "chalk" full of fun as kids work with chalk, both indoors and out. Interactive art will make for some great pictures to take home.

#### **Gold Rush: August 1 - 5**

Join us this week as we hit pay dirt and pan for gold. Identify a variety of gems, make jewelry and get a gold rush nickname while you stake your claim. It's sure to be a big pay out!

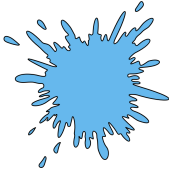

**Splash Splash: August 8 - 12**

What can you do with a huge tarp and some liquid soap? Make a huge SPLASH, while enjoying some fun in the sun with our slip and slide and water activities this week. Don't forget your towel and sunscreen!

**Furry Friends: August 15 - 19**

This week is all about our animal friends. We will be creating animal face paintings and silly relay races. Who knows what animals could be lurking around the corner this week.

**End of Summer Splash: August 22 - 26**

Splash into summer once again with this wet and wild week! Have fun as we enjoy water games and activities all week long. This is sure to keep your children active and entertained.

CLOSED

**Closed for Summer Take Down and Training: August 29 – September 5**

Explorer Club and Little Explorers will be closed for Labor Day, September 5, and will resume the fall school year schedule on September 6, 2022.

Field trips may be limited due to COVID-19 and CDC guidelines and will be added to the activity calendar once confirmed.
