School Accountability Report Card

Reported Using Data from the 2016-17 School Year

Published During 2017-18

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2017-18)

Description: Caliber Schools are free, public, non-selective charter schools offering a rigorous, personalized, college preparatory education for Bay Area students. Caliber: ChangeMakers Academy, which opened in August 2016, currently serves approximately 300 TK-3 and 6th grade students at our campus in Vallejo, CA. In the next two years we will add 4th/5th and 7th/8th grade students and serve TK-8.

Mission: Our mission is to provide students with a challenging, engaging, and personalized education that equips them with the knowledge, character, and skills they will need to succeed in competitive colleges, careers, and communities. We believe every child can succeed in college and life if they are given the opportunity. Unfortunately, too many students never get this chance. The American education system is failing students in under-resourced communities. Students in many districts graduate high school without the essential skills or knowledge they need to succeed in college and beyond. In contrast, Caliber Schools provides a free, safe, personalized, high quality education that includes a robust academic program. We teach critical life skills such as conflict resolution and goal setting. All Caliber students participate in our daily coding, robotics, and engineering program, as well as a rigorous writing program. We prepare all of our students to graduate from a four-year college without remediation.

We achieve this mission through 9 core components of our educational model:

- Personalized learning
- Project-based science and social studies
- Blended English and Math
- Collaboration in grade teams
- Emotional intelligence
- Daily writing
- Longer school day
- Enrichment
- Computer coding and computational thinking

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Vacant Teacher Positions	n/a	0	1

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2017-18)

Year and month in which data were collected: January 2017

Caliber's curriculum relies heavily on the use of adaptive instructional software instead of traditional textbooks. As a result, the materials reported here include many software tools that we use in different areas of our curriculum. In addition to the many instructional benefits of using software such as this (e.g., permitting highly personalized instruction), the school also benefits because the software is automatically updated over time, and is easily available to all students. As a result, all students have access to the most recent versions at all times.

School Facility Conditions and Planned Improvements (Most Recent Year)

Caliber: ChangeMakers Academy works in close cooperation with the Vallejo City Unified School District (VCUSD) to provide a facility that is safe and clean.

VCUSD has allocated facilities to Caliber: ChangeMakers Academy under Prop. 39 and is responsible for the good repair of them. As this is a new school and a new site, VCUSD and SCOE have not yet conducted a FIT report on most of the facilities we have been allocated.

Caliber maintains responsibility for ensuring the day-to-day cleanliness of the facility. The school custodial staff carries out daily cleaning schedules to ensure a clean and safe school.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

School Facility Good Repair Status (Most Recent Year)

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17
English Language Arts/Literacy (grades 3-8 and 11)		48		30		48
Mathematics (grades 3-8 and 11)		30		21		37

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2016-17)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	92	92	100	47.83
Male	48	48	100	41.67
Female	44	44	100	54.55
Black or African American	23	23	100	39.13
Asian	--	--	--	--

Socioeconomically Disadvantaged	76	76	100	47.37
English Learners	35	35	100	45.71
Students with Disabilities	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group
Grades Three through Eight and Grade Eleven (School Year 2016-17)**

Socioeconomically Disadvantaged	76	76	100	25
English Learners	35	35	100	20
Students with Disabilities	--	--	--	--

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Science for All Students
Grades Five, Eight, and Ten**

Subject	Percent of Students Scoring at Proficient or Advanced					
	School		District		State	
	2014-15	2015-16	2014-15	2015-16	2014-15	2015-16
Science (grades 5, 8, and 10)						

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2016-17)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

Caliber: ChangeMakers Academy hosts parent education opportunities monthly and has an active Family Connections Committee (FCC). The FCC provides a forum for parents to meet each other, meet with teachers, share ideas with the school administration, and plan events for the school. The group meets on a monthly basis at the school and childcare is provided. Many parents volunteer throughout the school day in the classroom and around campus. Social events such as the Fall Festival, Science Night and Winter Music Concert bring the entire community together.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School			District			State		
	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17
Suspensions			0.3	11.3	10.6	9.5	3.8	3.7	3.6
Expulsions			0.0	0.0	0.2	0.2	0.1	0.1	0.1

School Safety Plan (School Year 2017-18)

Caliber: ChangeMakers Academy maintains a school and student safety plan and has trained school staff and students on the safety procedures outlined in the plan.

This safety plan includes the following:

- School Safety Team
- Annual Safety Goals
- Policies & Procedures
- Child Abuse Policy & Procedure
- Sexual Harassment Policy & Procedure
- Suspension and Expulsion / Due Process
- Dress and Groom Policy
- Employee Security Policy
- Emergency Disaster Procedures & Drills
- Drill Schedules & Report
- Emergency Contact Information
- Procedures for Ingress & Egress
- Emergency Evacuation: Principal's check list
- Emergency Evacuation: Teacher's checklist
- School Site Evacuation Map
- Off Campus Evacuation Map
- Emergency/Crisis 1st Level Response Protocol.

Caliber: ChangeMakers Academy also abides by VCUSD policies relating to Maintenance and Operations Services.

D. Other SARC Information

Types of Services Funded (Fiscal Year 2016-17)

At Caliber we provide a range of services to support student achievement. Students demonstrating academic need have an extended school day with targeted intervention instruction by the credentialed teaching team. Personalized, adaptive software serves to support students who need remediation. Daily targeted small group instruction led by teachers and instructional assistants ensures that students are exposed to relevant, data-driven content in a setting conducive to rapid growth. Academic support is included in the school sponsored after school program. A robust RTI program provides access to highly specialized interventions to general education students. Students experience a wide range of field trip and elective courses.

Professional Development (Most Recent Three Years)

All Caliber: ChangeMakers Academy staff attend regular professional development sessions both during the school year (3 hours per week) and when school is not in session (an additional three 40-hour weeks). In addition, teachers work in peer teams to develop professionally and are observed and receive feedback on their performance, goals, and growth from the administrative team weekly.

Professional development covers a variety of areas:

- Developing teachers’ ability to plan in alignment with Common Core Standards, with a focus on Project Based Learning
- Strategies and support for helping special populations, such as students with IEPs and English Learners, to achieve academically
- Using data to inform instruction
- Learning how to plan and teach in a personalized, blended learning environment
- Implementation of the robust Social Emotional Programming at Caliber
