

# The 'How to – Lunchtime Parent Webinar Series'

The 'How to - Lunchtime Parent Webinar Series' is designed to support our TES parents in a variety of areas in school and outside of school.

Organised by the Counselling Centre, one Thursday lunchtime a month, 12:30 - 1:00pm.

These 30 minutes webinars - by different members of the faculty and staff - will hopefully help parents access useful information during these difficult COVID times – whether new to school or Taiwan or a long-time TES family.
