

# LOWER SCHOOL PROCEDURE

In order to manage the spread of COVID-19 within our Lower School community, the following procedure will be actioned following a positive reported test result:

## A. Confirmed Positive ATK Case (1 student)

# LOWER SCHOOL PROCEDURE

## **B. More than one confirmed positive RT-PCR case** (not in the same class)

Lower School closure may be triggered if connected cases are spreading across different classes/Year groups (consideration with the Infectious Committee team and MOPH Authorized persons).
