

UPPER SCHOOL PROCEDURE

In order to manage the spread of COVID-19 within our Upper School community, the following procedure will be actioned following a positive reported test result:

A. Confirmed Positive ATK Case (1 student)

UPPER SCHOOL PROCEDURE

B. More than one confirmed positive RT-PCR case (in different year groups)

School closure may be triggered if connected cases are spreading throughout the Year Group or within different Year groups.

These decisions will be made in consultation with the School COVID-19 Committee and the Ministry of Public Health
