

Evidencing the Impact of Primary PE & Sport Premium 2021/22 Park Hill Junior School

October 2021

Key achievements to date – this area demonstrates some crucial aspects of the impact of PE & Sport Premium achieved at the end of the academic year 2020/21:

Park Hill Junior School 2020 - 21 Overview

Bespoke Support

Bespoke support offered during 2020-21 academic year including:

Staff CPD

Access to Jasmine portal allowing all staff to deliver holistic PE lessons

Wide range of PE and Sport ideas supporting health and wellbeing of all students

Key achievements

- All staff introduced to teaching PE with social distancing to ensure high quality provision despite the pandemic.
- All children supported during lockdown via access to CSSP Active TV daily virtual PE lessons.
- All families provided with opportunities to stay active during lockdown through real PE at home programme.

Strategic Review

PE Co-ordinator and CSSP representative have been in regular contact throughout the year to action plan, design targeted interventions and to ensure that PE is at the forefront of the school life.

Competitions

All students provided with an opportunity to participate in a competitive event and establish their personal best through whole school x-country and a range of virtual competitions.

Targeted Interventions

- All students provided with opportunities to improve their health and wellbeing and fundamental movement skills through fun workshops during Health & Sport week..

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	35% (From year 4 figures)
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	35 % (From year 4 figures)
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	32 % (From Year 4 figures)
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No - we hoped to run year 6 catch up swimming sessions in the Summer but could not get swimming slots due to coronavirus.

Engagement of all pupils in regular physical activity through further design, development and implementation of the ‘effective use of play spaces and outdoor play equipment’ strategy. This will increase the number of opportunities for children to be active throughout the day, enable all students to experience high quality play and lead to pupils undertaking the active 30 minutes within a school day.	Maximising effective use of outdoor space in order to ensure a wide range of opportunities for all pupils to be active throughout the school day. Ideas to include: <ul style="list-style-type: none"> • Creation of activity zones within the MUGA (two football zones as well as a volleyball / netball/basketball/ cricket bowling zone). • Creation of new dance zones and provision of training/regular liaison with the LSAs and lunchtime staff 	£14,900	An increased number of young people accessing opportunities to be physically active and to actively play each school day.
