Boys Soccer

After graduating most every starter from last year's Regional Final team, Coach Peter and the boys are in the mix for a playoff berth once again. Always boasting a stingy defense, the Mustangs will implement the blockade against Santa Fe tonight at home! Good luck!

Lacrosse

Coach Benson and FHS Lacrosse hosted a fabulous teacher night at Henry Winston Stadium. It's always a great event to see how our teachers impact so many students. Never too late to go check out a Lacrosse match, we hope to see you there soon!

MUSTANGS IN THE COMMUNITY

On the court, field, or in the stadium, you will find our athletes competing at a high level. Day after day, our coaches and athletes train and practice their craft with excellence. But don't overlook what they do outside of those venues. Senior Nights, Teacher Nights, Prayer Breakfast speakers, Community projects, high school teams supporting our Junior high teams or coaches just supporting other programs, the Mustang culture is top notch. If you get a chance, pat these young men and women on the back. They balance a lot and make our community that much stronger!
