COVID-19

- A current physical MUST be on file. CHSAA recommends this PPE form.
  - COVID-19 specific questions should be included in the physical screening to include:
    1. Have you tested positive for COVID-19?
    2. Have you had any known exposure to a COVID-19 positive individual?
    3. Have you been tested for COVID-19?
    4. Have you had any new onset of cough or shortness of breath?
    5. Have you experienced any recent temperature greater than 100.3°
  - The most recent medical evidence recommends consideration of cardiac testing if a student athlete has previously tested positive for COVID-19. This should be discussed with the team physician on a case-by-case basis.

I hereby state that, to the best of my knowledge, my answers to the questions on this form are complete and correct.

____

I have examined the above-named student and completed the preparticipation physical evaluation. The athlete does not present apparent clinical contraindications to practice and participate in the sport(s) as outlined above. A copy of the physical exam is on record in my office and can be made available to the school at the request of the parents. If conditions arise after the athlete has been cleared for participation, the physician may rescind the clearance until the problem is resolved and the potential consequences are completely explained to the athlete (and parents/guardians).
