DSD Custodial

Thank you!!

You play a critical role in the education process and make indispensable contributions that impact every school, facility, staff member, and student. We know all of you work tirelessly to create a safe and healthy learning environment for our students. We would like to take this opportunity to let you know how much we appreciate and value you!

Square Buffers

If your facility has a buffer call in a work order at 801-402-5600 to have it serviced before the summer cleaning season begins. Buffers should be service a minimum of once a year.

Batteries

You need to be checking the water level in the batteries on your equipment weekly. If the water levels are low fill the battery using Distilled water ONLY. We do carry distilled water in the warehouse (SKU #10067806) If the batteries on your equipment are sealed, DO NOT attempt to open them to check water levels.

Summer Equipment

Within the next two weeks start all your facility's outside summer equipment (including, but not limited to: hedge trimmers, leaf blowers, weed eaters, mowers, etc.). Call in a work order for any needed repairs as soon as possible. It is critical that we do this right now so that when the equipment is needed, it is operational.

Custodial Services Loaner Equipment

Summer is a busy time for everyone, including our loaner equipment. Our equipment is loaned on a first come first serve basis. The last two weeks of the summer we have reserved the square buffers only for those facilities with the summer lunch program.

Part-Time Orientation

All new part-time custodians need to go through the orientation on the Custodial Services website. After the employee has viewed the PowerPoint there is a signature sheet they need to fill out. Send that signature sheet to Custodial Services so that Raini can add them to your location in Aesop.

Upcoming Events

February 21

President's Day- All district employees are off.

Congratulations

We would like to congratulate **Kolten Petersen** on becoming the Head Facility Manager at Central Davis Jr. High.

We would like to congratulate **Kylei McMillan** on becoming the Head Facility Manager at Mountain High.
