February in Full Swing: Valentine's Day & Mid-Winter Break

Dear Rockwell Families:

Happy Friday from the Rock, and welcome to the weekend. February is in full-swing, and Valentine's Day and Mid-Winter Break are just around the corner! It should be a fun month here in Beagle-land.

Families: here are a few brief reminders about our upcoming Valentine's Day parties:

- While we appreciate the hard work of our room parents and other volunteers, as with our Halloween parties, we will not be having parents onsite for the parties to minimize the number of people in the building. Many teachers have reached out to ask for assistance in planning pre-packaged materials, activities, treats, etc. (thank you in advance for your help!).

- Paper valentines are okay to share – please make sure your child brings one for every member of the class if they are handing them out, and please preview the messages in their cards.
- For our friends who will not be participating in Valentine’s Day, we will have a fun movie playing in our library (students will be seated 6’ apart).
- Please check your child’s classroom newsletter for additional details about their party.

Thank you, everyone, and have a great weekend. As always, please feel free to reach out to me if you have any questions. I can be reached via email (miclark@lwsd.org) or telephone (425-936-2670).

Kind Regards,

Michael Clark

February Character Trait of the Month: Empathy

Start a conversation at home about what empathy looks like and how it can be practiced at home and in the community.

- How do you know what you are feeling? How can you tell how someone else is feeling?
- When do you feel most excited? Most upset? Most happy? Most sad?
- How do you show Empathy towards your friends when they are sad?
- What are things others might do when they're sad, worried or frustrated? What might they say?

Annual Dr. Seuss Multilingual Virtual Read Aloud Event in the Library!

Every year we celebrate Read Across America week and Dr. Seuss' birthday with a Multilingual read aloud with his books printed in languages other than English. Due to safety concerns, this year's event will be a virtual one, utilizing FlipGrid to create read aloud videos at home. Then these videos will be shared with the entire school to view online.

This virtual event will be held the week of March 1st, 2022

Here is how it will work:

- Parents/students express interest in participating and sign up for a book in their home language. Contact me for a list of titles and languages.
- Once you are signed up, we will check out the book in English AND the chosen language (to the student), then deliver to the child in their classroom
- Parents/Students will record themselves on FlipGrid reading the books (tutorial on how to do this will be shared later this month-once we have sign ups and books are distributed)
- FlipGrid videos will be shared with all classes the first week of March, 2022.

Please have a look at the resource list in our Destiny catalog, find a book in your home language, discuss with your family on whether you want to participate. Then email me if you want to sign up. I will add your students name/your name to the list with the book you want to read.

If you would like to participate, please contact me no later than: February 22nd, 2022

**Questions? Feel free to contact me with any questions:
shgordon@lwsd.org**

I am so excited to continue to celebrate our students' culture and language while reading these classic, fun books!

SBA Testing in Spring

Smarter Balanced Assessment: Lake Washington SBA testing window is April 11th -June 3 for Grades 3-5. Our goal with SBA is to assess student learning growth.

Family vacations are special times, but we ask that you please consult the school calendar when making your vacation plans.

Student achievement and classroom attendance are positively related. We cannot duplicate what happens in the classroom by only making up written work.

The tuition-based Lake Washington Preschool Program is now accepting enrollment Interest Statements for the 2022-23 school year. Snapshots of Rockwell Learning

As part of our inclusion pilot work, we are working together on ways in which we can monitor and respond to the instructional and social-emotional needs of our students. An important partner in that work has been Jeff DeGallier, Principal on Special Assignment from the district Literacy department. In the photo below, Jeff is working with our Associate Principal Mrs. Gallagher and First grade teacher Mrs. Gibson on how to access and organize FastBridge data through a variety of reports.

A big thank you to Mrs. Finocchio, Mrs. Thome, and their students for their excellent work earlier this week recording video for a national documentary on Universal Design for Learning for the Cast Center in Boston. When complete, the documentary will inform and improve instruction for learners across the country.
