

## Drew Charter School COVID-19 Weekly Case Report (Week of February 5<sup>th</sup> – February 11<sup>th</sup>)

*Includes all cases reported to Drew during this 7-day timeframe*

When Drew Charter School nurses are notified of a confirmed-positive COVID-19 case, they submit a form to the Atlanta Public Schools (APS) Health Services department and to the DeKalb Department of Public Health. When a positive case is reported amongst Drew students or staff or in an extra-curricular environment, COVID-19 protocols go into effect.

The summary below includes self-reported cases, presumptive positive cases and associated exposures reported in the last week among students and staff screened through on-campus drive-through testing or at Drew's Elementary Academy or Junior/Senior Academy campus during the school week.
