Mascot: Coyotes
Colors: Teal and Black

Canyon Creek staff members are enthusiastic learners, constantly working to improve student learning. Staff learn through staff meetings and professional development on early-release Wednesdays, as well as through a voluntary Instructional Team, meeting twice per month to build knowledge of content and teaching practices. I am proud of our staff and of their dedication and ability to work so well together.

We are excited to see collaboration extend to our students; they learn together within the classroom and connect more with other students outside of their own classroom.

Excellence in education also includes building a foundation for a quality way of life. We have learned about the benefits of a Growth Mindset and have taught our students to recognize that their abilities can be developed through dedication and hard work. As part of our implementation of PBIS, or Positive Behavior Interventions and Support, staff support positive attitudes and interactions by teaching school wide behavioral expectations. Staff work to create a quality learning environment, celebrate growth and achievements, help students make good choices and learn from their mistakes. Attention to the whole child helps build a high-performing school.

Bruce Denton, Principal
