Cottage Lake staff firmly believe in the power of working together in order to positively impact student achievement. Our teachers welcome students daily with differentiated teaching to grow students at all academic levels. Families understand the power of a strong home-school connection, ensuring students come to school prepared and ready to learn. Our students are ready and willing to help and support each other – in the classroom and on the playground. Our children are consistently recognized and celebrated for the virtues they demonstrate within and beyond their classroom community. Whether it be helpfulness, honesty, responsibility or respect, we at Cottage Lake recognize the importance of both academic and social/emotional support and growth. Our academic program utilizes the Northshore School District adopted curriculum, and we enhance that academic experience with a variety of connected enrichment opportunities largely funded by our generous PTA, both within and beyond the school day.
