At Fernwood Elementary School everything we do centers around supporting students in carrying out our pillars of being safe, kind, and a learner to be their best self both while at school as well as beyond our school walls.

Our staff collaborates together to ensure each and every child engages in a high-quality education. To us this includes focusing on ensuring each child feels valued by getting to know their strengths and needs of each student, creating positive classroom communities, and celebrating cultural differences.

We utilize inclusive and culturally responsive practices as well as value our strong partnership with families within our whole child approach to supporting each student in reaching their greatest potential. This is our collective Panther Pride in action!
