Welcome to Hollywood Hill Elementary School, and thank you for taking a moment to view our annual performance report. Our classrooms are filled with the sounds of teaching and learning. I am consistently awed by the work of staff and students in our school, and I am eager to share more about the quality program and experience we offer the children in our care.

Dedicated teaching professionals who care about the academic and social welfare of children are a hallmark of our school. We believe in the power of working together, and it is a sentiment we carry forward in all we do. The heart of our school improvement plan depends on collaboration between grade level colleagues and cross grade level colleagues to study our teaching in service of student learning. Teams meet to plan instruction, share resources and build common expectations of student performance. Our continued goal is to refine our teaching to meet the individual and collective needs of all students.

JoAnn Todd, Principal
