As principal, my favorite place to be is in the classroom connecting with students and observing teachers as they create purposeful learning communities. Our teachers have high expectations for all students and work diligently to ensure that every student achieves at high levels. We care deeply about our students and meet them where they are by providing differentiated learning opportunities.

Our hard working and experienced Arrowhead staff is dedicated to continuous professional growth in order to deliver best instructional practices to students. We dedicate our staff meetings to professional development, conduct after-hours professional study and attend district and regional trainings in all curricular and technology areas. We collaborate regularly with emphasis on student learning and quality instruction.

Jesse Harrison, Principal
