I am humbled and honored to be the principal of Timbercrest Middle School, which is committed to supporting the success of the whole child. Our staff and school community partner together to ensure that all students have opportunities to reach their full potential.

Timbercrest offers a robust set of experiences, which includes rigorous and challenging courses; a wide variety of academic and interest-based clubs; opportunities for students to gain leadership skills through WEB, ASB, and elective courses; advisories that focus on social-emotional learning and academic support; and a strong athletics program.

Our school is in the seventh year of implementation of PBIS/MTSS, and we endeavor to support and celebrate our students as they learn to exemplify our three pillars of being respectful, responsible and inclusive. We have a deep commitment to helping students and are continually striving to improve our school in service to our students and community.
