Inglemoor High School is committed to excellence in education. We are guided by our **Vision** “to offer programs for *all* students. To approach learning in a supportive and positive environment where students and staff share responsibility for knowledge and value working and learning together.” Our school **Motto** is our guiding principle: “VIKS” (Voice, Integrity, Knowledge and Service).

We hold the following values: leadership, responsibility and excellence in all work. Our goal is for students to experience a sense of belonging and the joy of learning while at Inglemoor. Respect for all and tolerance of cultural diversity are highlighted throughout the school year.

We believe students thrive in quality learning experiences when their basic needs are met. All students can succeed in school and become productive citizens, given time to grow and when fundamentally supported by the adults in their lives. At Inglemoor, education is a partnership built upon mutual respect among staff, students, parents and the community.
