Through a partnership developed between students, administrators, faculty, classified staff, coaches, parents, and guardians, Woodinville High School continues to be a premiere high school in Washington state. I am honored to serve as principal at a school that ranks as one of the best 4A comprehensive high schools in the nation - where building relationships and academic and extra-curricular excellence are at the forefront of all we do.

Woodinville’s theme, “One Falcon, One Family”, and motto, “Care, Respect, Leadership”, recognize our shared mission to develop the mind, body, and spirit of the young people educated at WHS into a family of caring, respectful leaders and productive, life-long learners. This is accomplished through a positive culture that honors the diversity of all students and by meeting the academic, physical, social, and emotional needs of our students within a safe and engaging learning environment.

Each year, we review our student data and identify goals that guide the work we do to ensure each of our students learn at high levels and, ultimately, are prepared for success in career, college, and life.

Kurt Criscione, Principal
