Principal Report

- Welcome
 - Construction report – weather has caused some delays, progress on the playground continues
 - MAP Report – Mrs. Sackman states that from the data, we have work to do because of learning loss due to the pandemic – we will be rolling out incentives, parent education, and targeted instruction for our students. Teachers will be doing a deep dive into the data during our PLC's.
 - Panorama SEL Survey results are in now. One of the most telling responses is the students' self-efficacy scores. Getting students to believe in their ability to complete assignments and do well is one of our focus areas.
-

SIC / PTO Committee Reports and Projects

- Webpage for resources for parents, 1 teacher from each grade level, parent liaison – they can meet and map out.
 - October 28th Literacy Drive through event (rescheduled for inclement weather)
 - We are now allowing "in house" field trips – guests coming into the building.
 - Barbara Kulisek – PTO President
 - Readathon – 64 readers, teachers asked for access information, we've already raised over \$2000 dollars
