Principal's Message

I wanted to add a quick note to thank all members of the Centaurus community for your support of our students, faculty, and staff who were affected by the Marshall Fire. The outpouring of concern and support for members of our community has been amazing. The level of care and the efforts that people in this community are willing to take on to support others is a true strength of the Centaurus community, and this has been a shining example of how much everyone values each other.

Daniel Ryan

What you need to know

Virtual Parent Teacher Conferences

Centaurus parent teacher conferences will continue on Wednesday, February 16. Teachers emailed details, including the sign up link, to guardians Friday, February 4. You may [use these instructions to sign up for a conference slot](#) most convenient to you.

If you are satisfied with your students' progress in class, do not feel compelled to sign up for a conference. We have a limited amount of conference appointments available, and these conferences really are for parents and teachers to discuss students who need additional support in the class or if you have specific issues or questions that you want to address. If your student is doing great in the class and you have no issues to discuss, do not schedule a conference. Also, if you just have a quick question for a teacher, please feel free to send them an email directly.

Message from The CHS Staff Appreciation Committee:

Meal Train Update

Our sincerest thanks to our CHS community who participated in the meal train for the teachers that have been displaced by the Marshall Fire, by either providing a home cooked meal or through monetary donations. All slots are filled! Our teachers really appreciated having one less thing to think about and were provided with some pretty amazing meals. Thanks to you all!
